Woodville Fall Fair a Great Success -- Manilla Won Ball Tournament

The Eldon Agricultural Society opened its gates Friday in the pretty village of Woodville for the forty-ninth time and there was nothing lacking that would in any way contribute to the success of the annual event. Bright sunshine tempered by cooling breezes prevailed throughout the entire day, while everything contributed to make the fair the "best ever." This verdict was a general one and was voiced by the huge throng present. Everything was propitious for the occasion and there was not a hitch in the entire proceedings.

HUGE THROUNG.

The entire countryside was present in holiday attire, and the younger generation had their innings. The schools were closed and the youngsters thronged the exhibition grounds. The crowd was the largest in the history of the Eldon fair, and it is estimated that 2,000 people were present. They were an enthusiastic crowd and appeared in a happy mood throughout the entire day.

PROSPEROUS PEOPLE.

The outstanding point about the crowds at the fair and the people throughout the township is the air of prosperity that prevails everywhere. Eldon township is one of the best in Ontario and has apparently not suffered from a poor crop that has been experienced in many parts of Ontario; nor can it be said that the continued spell of dry weather has materially damaged the crops, judging from the splendid exhibits of farm products and the excellent appearance of the live stock.

PERFECT WEATHER.

There is certainly no evidence of hard times with the people of Eldon and Woodville, if one can judge from outward appearance. Every person present was well dressed and happy-looking and no finer body of loyal Canadians could be found at any similar event in the province. Throughout the entire day the weather was simply grand and old King Sol shone forth through the atmosphere in all his glory. It certainly was the finest September day of the year.

BEST FAIR EVER.

The great Eldon fair has almost reached the half century mark, yesterday being the forty-ninth exhibition. The fair has been known as one of the best for years, but yesterday's exhibition was the best ever and excelled all previous fairs both in attendance and exhibits. The show was easily the best in the history of the society, the exhibits were better in the hall and there was more entries than ever before. The most notable increase was in the showing of live stock and horses.

HALL EXHIBITS.

The Warder man first visited the hall, where he found everything spic and span, and neatly arranged. There was a splendid exhibit of grain and roots. Pumpkins and other garden products were also much in evidence. There was also a good display of paintings and home-made goods such as blankets, etc., that came in for favorable comment. In the preserving and fruit line the exhibits were, to use a lady spectator's own words "Simply lovely." The exhibit of butter, poultry and home-made bread were also above the standard. The ladies' fancy work, too, came in for its full share of highly merited praise and was admired by the large crowd. Mention must also be made of the grand display of house plants, which were neatly arranged. Among those who had exhibits in the hall were: Mrs.

Cornish, Mrs. Jordan, Mrs. Ward, Mrs. Terrill, Mrs. McDonald, Mrs. Hawkins, Mrs. Kemp, Miss Pearce, Mrs. Gilchrist, Miss Greenway, Mrs. McKinnon, Messrs. John C. Smith, W. L. Stone, John E. McDonald, J. Ward, F. Russell, J. S. Jordan, W. Barnes, G. McKague, N. W. DeGuere, Jos. Dixon, T. A. Choate, Geo. H. Hibbert and others.

GRAND HORSE SHOW.

Without a doubt the line of horses exhibited would do justice to any Provincial demonstration. The exhibit of horse flesh of all kinds and breeds was easily the best and largest exhibit in the history of the fair. Every class had dozens of entries from all sections of the country and the judges had their work cut out in declaring the winners in each class. The grand display attracted the attention of the many farmers and horse fanciers present and it was a general verdict that the display was the best ever exhibited in the county of Victoria. A complete list of the winners will appear in a later issue.

At the present time the price obtained for horses is far in advance to what it has been for many years. The farmers recognize this and are now raising large numbers each year in order to reap the benefit. The profitable horses to raise are good drivers and heavy draught as there is a great demand for each. The high price of good horses has increased the raising of horses in Victoria almost fifty per cent. during the past five years. Among those who showed some fine horses were Messrs. C. White, R. Shire, G. B. Johnston, T. Wilson, Jas. Jordan, A. Grant, T. Woodward, F. Dixon, J. Sackville, S. Hancock, John Campbell, W. W. Deguerre, G. McKague, W. Downer & Sons, W. Bailey, S. Lovett, G. Whetter, H. Murray, W. Miller, J. Dixon, J. Cornish, T. Crawford, A. E. Webster, D. McCrae (Beaverton), T. Arnold, J. Hoar, G. H. Mark, J. Sinclair, D. McFadyen, Dr. J. W. Glendenning, Agnes McEachern, John Gillanders, R. P. Hill, J. W. Prouse, W. E. Stewart, Elias Tamlin, Hugh McKinnon, John Goleburn, James Bruce, John Tory, Alex. Gilchrist, Thos. H. Francis, Agnes McCrimmon and others.

NO HORSE RACING.

For the second year in the history of the association there was no speeding in the ring for the simple reason that the directors claimed that they were tired of bringing crowds to sit and watch what was in their opinion "fixed races." The absence of the ponies does not seem to have injured the fair as was thought by many, but instead the attendance has increased materially. The racing has been replaced by a baseball tournament which has proved to be a greater success than horse-racing, for at the present time baseball is at fever heat throughout the entire county. The directors attribute the success of the fair for the past two years to the baseball games, as each team has a large following of supporters.

LIVE STOCK.

There was a great showing of cattle of all classes and they were of the very best breeds. Among the stock owners that showed were Messrs. John Campbell, S. Hancock, M. McArthur, Wm. F. Clarke, J. S. Jordan, Dennis Hawkins, J. W. Mark, Angus Jamieson and others. A number of high-class animals, in sheep, swine and poultry were also exhibited.

GOOD MUSIC.

The Woodville brass band was also on the grounds and discoursed high-

class music to those present. They were not stinted in their numbers, which were much appreciated.

GOOD ACCOMMODATION.

Woodville is a local option village, but the temperance house, conducted by Mr. D. J. McCrae, provided excellent accommodation, and served good meals to the hungry crowd. There was not a single disturbance throughout the day and the police had very little to do.

FROM LINDSAY.

Among those from Lindsay who were present were: Mayor Begg, Judge Harding, D. A. MacKenzie, Sam Fox, M.P.P., B. L. McLean, Jos. Cain, G. H. Wilson, Miss Wilson, Mrs. A. B. Terry, Mrs. Sam. Fox and others.

THE DIRECTORS.

The success of the fair is attributed to the able directors who were untiring in their efforts to make every person feel at home. They certainly made a success of the fair and deserve much credit. They are: President, Dr. Galloway; 1st vice-pres., D. McFadyen; 2nd vice-pres., Capt. W. L. Patterson; secretary, A. E. Staback; treasurer, C. E. Weeks.

BASEBALL TOURNAMENT.

The feature advertised for the afternoon's amusement was the baseball tournament between the crack teams from Manilla, Hartley, Kirkfield and Woodville, and this event was largely looked forward to by all in attendance. Baseball in this county is looked upon as the popular game, and many good ball players are being developed in the many villages throughout the county.

MANILLA CHAMPIONS.

Andy Dixon and his crew from Manilla village are now the undisputed champions of the county, by winning yesterday's tournament. They covered themselves with glory, and easily disposed of Kirkfield in the first round by the score of 10-1, and Woodville in the finals by 2-1. James Varcoe, the hero of a thousand victories, was on the slab for Manilla, and James "came back," pitching a game that would have won from a much faster team. He had the northern champions tied up in knots, not one of them being able to solve his southpaw delivery. On the other hand Kirkfield were easy for the champions, their star twirler Colwell being hit to all corners of the lot for a total of ten runs.

It was sweet revenge for Manilla, as Kirkfield had taken their measure at Lorneville on Labor Day, but they played a much better game than they presented yesterday. The Manilla team were assisted by Suggitt and Hicks of Valentia, who have played with them for the greater part of the season.

The teams:

Kirkfield-1.
McKay 1st.
F. McGirr s.s.
G. McGirr 3rd.
Ewens 2nd.
Nesbitt c.
Colwell p.

Manilla-10

Dixon c.
Edwards 2nd.
Suggitt 1st.
Hicks 3rd.
Varcoe p.
Moore r. f.

Rickman l.f. Keslick s.s.
Mitchell c.f. Coburn c.f.
Morson, r.f. Hunter, l.f.

INVINCIBLES DEFEATED.

Sam Lovett's Hartley Invincibles bumped into Ben Stacey's Woodville outfit in the second game and were defeated by the score of 17-1. It was the biggest surprise of the day and the worst defeat that Hartley has sustained in their baseball career. The Hartley boys simply had a day off and could neither hit nor field, although their pitcher, McKerrall, pitched fair ball. They were assisted by Joe Cain of Lindsay, who played almost every position, but could not stop the slaughter.

Woodville presented a star line-up and had none other than Mr. "Prunes" Quinlan, of Peterboro fame, who was on the mound and simply toyed with the Hartley sluggers. "Prunes" was assisted by one Mr. Wilder, who gave his address as Wellington, Ont. He took his position behind the bat and is some catcher. "Mick" Heatlie of Little Britain also played short for Woodville.

The teams'

Hartley-1. Woodville-17.
T. Thornbury 2nd. Prouse 2nd.
Thompkins s.s. Heatlie s.s.
McFadyen c. Campbell r.f.
McKerrall p. McCleod c.f.
Cain 3rd. Stacey 1st.
Lovett 1st. Heppenstall l.f.
Barker l.f. McKay 3rd.
G. Thornbury c.f. Wilder c.
Brown, r.f. Quinlan p.

FINAL GAME.

The final game between Manilla and Woodville was one of the finest exhibitions of ball ever presented to a Victoria county crowd. "Prunes" Quinlan and "Kid" Keslick were on the rubber and they had a pitcher's battle for the entire 7 innings, with the result that Keslick and his followers were returned victorious by the score of 2-1. Both Quinlan and Keslick pitched great ball, with the honors slightly in favor of the "kid" wonder who has made a reputation for himself this season and can now be classed as one of Ontario's greatest amateur twirlers. It was a great game and both teams put up a good exhibition of ball, a couple of errors being responsible for the runs scored by Woodville. Stacey and Edwards were the star fielders, and played their positions to the king's taste. Both pitchers were given the best of support by their catchers, Dixon and Wilder. Manilla are now the undisputed champions of Victoria, and with the team going at their present clip can be classed with the best teams in the province. There is not a weak spot in the team and every man can hit and run bases—a combination which coupled with the high class pitching of "Kid" Keslick, is hard to beat. Batteries: Manilla, Keslick and Dixon; Woodville, Quinlan and Wilder.

Fisherman Drowned at Rice Lake

Another to the already long list of drowning fatalities that have occurred in the vicinity of Peterboro during the past summer, was added last evening, when Mr. Thos. Blois, 265 Rubidge-st., met his death at Rice Lake. With his brother, Walter Blois, of Toronto, and S. W. Rose, of this city, the deceased had been camping near Jubilee Point. Early in the evening they went over to the Point, and it was when returning about twenty minutes past six, that the unfortunate accident occurred. On leaving Jubilee they put out a trawling line, Mr. Walter Blois was paddling, and the deceased was holding the line. Feeling something tugging at the line, he gave it to his brother to pull in. A large lunge had been hooked, and Mr. Walter Blois just about had it in the canoe, when, in some manner, it upset the boat and the two men were thrown into the water. The deceased was a good swimmer, but, strange to say, his brother, who survives, was not a swimmer. After the canoe overturned the brother got astride it and town.

then held on to Mr. Thomas Blois. But, apparently, his death was due to shock, as he was rescued before sinking for the last time. His brother held on to him until assistance came. About twenty-five minutes later two young men were on the scene in a launch. They brought Walter Blois and the deceased to the cottage at Hatrick's Point. The remains were later taken to Peterboro by Messrs. Comstock, undertakers.

New Electric Sign For Gough's Store

Mr. B. J. Gough with his usual enterprise is making many improvements in his store. Probably the most conspicuous and costly is the placing of a large electric sign containing one hundred lights over the Kent-st. entrance. The sign stands in a class by itself as it is one of the finest ever erected in Lindsay. It will add greatly to the attractiveness of the main street. Mr. Gough is to be commended for his enterprise not only in beautifying his own property but in adding something of permanent value to the general progressive appearance of the town.
