THE MILK IN THE COCOA

(Chicago Journal.) Stripped of all its flowing oratory and rampant jingoism, the proposal to grant free passage through the Panama canal to the vessels of our coast wise shipping, while charging tolls to all other vessels. means:

That the shipping trust, which has already a law-securtrade, gets the further bonus of the use of a \$375,000,000 ditch without pay. That the shipping trust, and

not the consumers of the United States, will be the chief beneficiaries of the Panama . That the word of honor of

the United States Government, pledged in the Hay-Pauncefote treaty to a canal open on equal terms to the vessels of all nations, shall be broken to gratify the bounty-hunting greed of privileged millionaires.

.

Don't You

the blood is not in a pure, healthy condition as it reaches and nourishes every part of the system. For time you may not be aware that your blood is becoming vitiated and carrying poisons to all parts of your system, but soon some important organ will refuse to nerform its proper function and a serious illness is the result. It is advisable to take an occasional dose of Henderson's Herb Tablets to keep the blood in a healthy condition, even though at the time you may not feel the necessity. Provided you have no serious symptems, one or two Tablets taken two or three times a week of the cars became unmanageable, will be found sufficient to preserve

OUTLOOK FOR THE LATE GRAIN IS **BECOMING SERIOUS**

Notwithstanding the many pious prayers offered up in the various churches, beseeching the ommpotent Lord to lessen the rain falls, the elements still persist in sending down goodly qualities of the refreshing waters. Shower followed in such goodly quantities of the refreshing tible for farmers to harvest their grain, and much of it is rotting in the fields. Mr. Duncan Tolmie, reeve Fenelon, informed The Warder on Monday last and many acres of grain were still green, and in danger of being destroyed through wet from lack of sunlight and dry weather. As much late grain is through the county the outlook is serious, unless dry weather approaches a

OF CAMBRAY HOLD SOCIAL

The social evening of the Cambray Woman's Institute wat held on Aug. 7th at Mrs. Wm. Tamlin's home. The program was splendid. Mr.

Weeks, Lindsay, gave a fine address on "Women, and Banking," which was very instructive and was much appreciated by all. Mr. Frank Webster gave a splendid talk on Pioneer Days, and Experiences of the Early Settlers in Fenelon; also he told of some old land marks, that few o us had ever known. Mr. Weeks, Mr. Pethic and Chas. MacInnes sang, while Mr. W. Parkin gave several fine recitations. After ice cream and cake had been served, we all went home, feeling gratified that such a pleasant evening had been enjoyed by
