LINDSAY Dundas & Flavelles Limited Ontario

PERSONALS.

—Mr. P. J. Daly and wife, of Lansing, Mich., are visiting town and country friends for a week or two. Mr. Daly called on The Watcher this morning accompanied by an old acquaintance and friend, Mr. O'Keefe. To a Watcher scribe Mr. Daly stated that it is exactly 21 years since he left Lindsay for the domain of Uncle Sam, and he has never yet regretted the move. He is loud in his praises of Lansing, as a city of 41,000, clean and progressive, with a large number of fine factories, including the Olds automobile industry. Some twelve years ago, he stated, the council of Lansing forced street pavements on the people, despite the fact that the residents were opposed, claiming at the time that it would add too much to their taxes. However, to-day Lansing has miles of street paving, and there is not a single disgruntled resident. Mr. Daly stated that the paved thoroughfares were the only kind of streets to have as they gave the city a go-ahead and a clean appearance. He is a cousin of Messrs. Ed. and Jas. Daly, both well known in Lindsay, and expects to meet Mr. James Daly in town to-morrow.

—Mr. M. H. Williams, of the M. Williams & Son William-st. garage, left for Toronto Monday morning to bring down a new Ford car for a local customer. This well known firm have placed a large number of Ford cars in and about Lindsay during the summer and have had a very successful season. Little or no trouble is experienced in getting buyers for the Ford cars, while all customers receive fair treatment at the hands of Messrs. Williams and Son.

—Warden A. E. Bottom, of Bobcaygeon, was in town Monday, and in discussing the fire he stated that the blaze was under control about 11.30 o'clock, and it was impossible at the present time to estimate the loss. However, the business locality suffered to the extent of several thousand dollars. Thompson's hotel, on the

opposite side of the street, for a considerable time stood in imminent danger of destruction, catching fire on several occasions from sparks, but was fortunately saved by the untiring efforts of the citizens and local fire brigade. "It was one of the worst conflagrations in the history of the village," he stated, "and comes at a particularly bad time of the year, when the merchants are looking forward to their fall trade."

Exhibits Purloined at Kinmount Fair

For several years past the directors of the Kinmount Fair have been annoyed with complaints from exhibitors that valuable exhibits have been purloined from the main building. The ladies' department has been the one to suffer in this respect, and the usual raid on fancy goods was made at the annual fair held on Tuesday. Despite the fact that the hall was closed to the spectators during the time when the exhibitors were removing their goods, one young lady from Minden lost two fine pillow slippers, and it is understood that other goods are also missing.

KIRKFIELD.

Kirkfield, Sept. 16.—Mrs. Follitt left for Port Arthur with her daughter Mrs. Hopkins, on Saturday.

Mr. G. C. Kearns has moved into Mrs. Follitt's house. The band concert and entertainment given by the Ladies' Aid Society on the manse lawn last Wednesday was well attended in spite of the chilly evening. The lawn and manse verandah were lighted with Japanese lanterns and the different booths among the trees made it very attractive. The Woodville band played many catchy pieces and the quartet gave several selections. Proceeds \$35.

A number from town took in the Woodville fair on Friday last. A very enjoyable time was spent on Thursday evening in the town hall at a dance given by the young people.

The school fair which was held in the public school on Friday afternoon under Mr. Knight, of Lindsay, was a decided success. The children had splendid collections. They did exceedingly well in giving their vegetables and flowers. The sports were also good. Mr. Hojide had an exhibit of vegetables from his own garden. It is hoped that next year we will have a bigger and better fair now that the parents and children were Mr. Truman, Mr. Mitchell, Miss have got interested. The judges Fraser and Mr. Mosgrove.

LINDSAY IS LOWER. Collingwood's tax rate is 35 mills; Orillia's, 32.

MILK PRODUCTION IN CANADA.

A very comprehensive bulletin under the above title has just been issued from the press and forms No. 72 of the regular series of bulletins of the Experimental Farms.

Its author, J. H. Grisdale, Director of Dominion Experimental Farms has made milk production a subject of special study and experiment for many years, and has embodied in this bulletin the most valuable of the information obtained. As suggested by the sub-title (Crop Rotations, Dairy Barns, Breeding Dairy Cattle, Feeding, Care and Management of Milk Cows), the subject of milk production is not as simple as might appear at first glance. A maximum output of milk is dependent upon many factors, and the author's endeavor has been to treat of these as fully, clearly and simply as possible, so that the bulletin may be of value to the general farming community, both in aiding them to make a start along correct lines and also as a work of reference on those dairying problems which occur from time to time.

The subject of milk production is treated under the following heads: (1) The farm chosen, the rotations followed and the crops grown. (2) The breed of cattle selected and the breeding methods followed. (3) Stables and care and management of the herd. (4) Milking and care of milk. (5) Feeding methods and rations. The publication is profusely illustrated with diagrams and plates and is provided with a very complete index. It is now being issued to the Experimental Farms mailing list. Those not on this list, who desire a copy, may obtain it by addressing the Publication Branch, Department of Agriculture, Ottawa.

CAMBRAY.

Cambray, Sept. 16.—Mr. W. Cook is bricking his house. Mr. Waller has the contract. When completed it will be quite an imposing object in the landscape eastward from the village.

While in his shop on Friday evening Mr. W. Townsend, blacksmith, became suddenly quite ill. On Saturday, not being any better, a physician was called in. He pronounced it a ruptured bloodvessel in the head. He is reported as a little better. We hope for his immediate recovery.

The Latter Day Saints have re-tingled their church. Several of the pupils of Cambray public school took part in the School Agricultural Fair at Cambray on Monday last. A number of the parents also visited Cambray the same day.

Mr. and Mrs. R. Naylor visited at Mr. H. Eyles' on Sunday last; also Mr. and Mrs. A. Jackett visited

friends at Taylor's Corners. The farmers are now busy harvesting their corn and buckwheat, for the ground is too hard to plow.

CAMBRAY.

Cambray, Sept. 12.—Jack Frost has thrown his mantle over field and forest, cutting off our flowers and green foliage, making everything look like old age. The school children are all looking forward to a big time at Cambray this week.

We are sorry to hear that Mr. Walter Townsend is ill. Mr. and Mrs. Wm. Hewie and little daughter, Miss Gwendolin and Mr. and Mrs. John McNabb and Mrs. P. Perrin were numbered with the Toronto exhibitors. Mr. Cecil Fairweather is visiting at Cambray taking in the duck-shooting.

Mr. and Mrs. Robert Hewie took in the Toronto fair. Mrs. Wm. Hamilton, of Peterboro, spent a few days last week visiting with friends around Cambray. Mr. and Mrs. Douglas Swan leave for their home on Tuesday, after spending a month with their friends.

CAMBRAY.

Cambray, Sept. 15.—Mr. and Mrs. Frank Riches attended Woodville fair last Friday. Master Howard Clark visited his grandparents, Mr. and Mrs. Manning last week, and attended Woodville fair.

The annual school fair which was held in Mr. P. J. Wilkinson's field to-day was a success. Pupils and parents from the six sections, namely Hartley, Islay, Bryson, Eden, Cambray and Cambray were present. The exhibits, which were the work of the pupils, were good, showing the interest they had taken in the work. Cambray was awarded first prize and Bryson's second for the best collection of exhibits.

Mr. Alex. Clark left on Friday for Orillia, where he will spend a few weeks with his daughter, Mrs. Wm. Hancock.

On Saturday evening while finishing the erection of his silo Mr. J. T. Clark had the misfortune to fall off the scaffold, alighting on his shoulder, breaking his collar bone.

We are pleased to hear that Jean, the little daughter of Mr. and Mrs. S. Wright, is recovering from a serious illness.

Ex-Chief Albert Tobias, a full-blooded Delaware Indian, told the story of Proctor's retreat and council's death and burial to members of the Ontario Historical Society at Thamesville.

Sir William Bateson was elected president of the British Association at Birmingham.

LINDEN VALLEY

(Too late for last week.) Linden Valley, Sept. 10.—The weather is beautiful again after the much-appreciated rain and hail, which fell during the past week, not only doing good but also cooling the air from such intense heat.

Mrs. Jan. Parks has gone to visit her daughters in the city and intends taking in the exhibition also.

Miss Dora McLeod, of Woodville, accompanied by the Misses McCrimmons of the Glen, were guests of Miss R. Gillies for a short time on Sunday.

Mr. Perrin and Cook and men are now busy at Mr. N. Gillies' who is having his barn moved to a more convenient place and having it placed upon a model foundation of stone. The building was torn down and on Monday again raised into position by a few kind and able-bodied neighbors. The day was fine and all went along fine. Dinner and tea was served by the hostess and a few generous lady friends.

We are sorry to have to relate the serious illness of Jean the sweet and only child of Mr. and Mrs. S. Wright, jr.

Mrs. (Rev.) Watts addressed the Ladies' Missionary meeting in the village on Friday of last week, giving a very interesting report of that branch of the work, which was received from the general assembly held in Toronto some time ago, at which the said lady was a delegate sent from the Lindsay district.

The stork done some sly work in this neighborhood recently, leaving a fine boy at Mr. and Mrs. Wm. Bailey's.

It was with sorrow the many friends learned of the death of the late Richard Greenway on Tuesday last at Toronto. Also Mr. Alex. Sinclair's sudden death came as a shock to all. Our sympathizing prayers go out in behalf of the sorrowing ones at this their hour of affliction.

Mr. and Mrs. Wilson Parks and Mr. and Mrs. Thomas Parks visited at Mr. and Mrs. James Parks on Sunday.

Mr. Alex. McDonald and lady friend visited at James Parks on Monday evening.

REABORO. Reaboro, Sept. 15.—Miss Beatrice O'Neil is visiting Oakwood friends. Mr. Joe Best, of Fort William, is spending his vacation at his home.

Miss E. Corran, of Lindsay, spent Sunday at Mrs. Ed. Stephenson's. Mr. Harry McNevin has returned to Lindsay after being home on the sick list.

Mr. Naylor, of Salem, spent Sunday with friends in Reaboro. A few from around our burg took in the Peterboro Fair, and report a good time.

Mrs. Ed. Stephenson spent Friday in Port Perry, and took in the fair. Mrs. Hickey is visiting friends in Toronto.

Mr. and Mrs. Johnson have returned home to Belleville, after visiting her sister, Mrs. R. Thornton.

MRS. PATON'S MILLINERY. Ladies of Lindsay and country are respectfully invited to inspect Miss Paton's fine stock of millinery. Openings now on. Location, over M. J. Carter's store.

After a woman has been trotting in double harness for a few years it makes her sore every time she sees a newly married couple making love. Use salt and lemon juice on ink stains.

Hymeneal

ELLIOTT—ORANDELL. An autumn wedding of interest to citizens was solemnized Wednesday afternoon at the hour of 2 o'clock, at the palatial residence of Mrs. Fremont Crandell, Colborne-st., east, when her daughter, Miss Gussie I. Crandell, became the bride of Mr. Chas. N. Elliott, of Peterboro, Ont., son of Mr. and Mrs. John C. Elliott.

The pretty and interesting ceremony was performed in the presence of a number of relatives and friends of the contracting parties by Rev. Dr. S. J. Shorey, pastor of the (Cambridge-st. Methodist Church, the bride being attired in beautiful white duchess satin with rhinestone trimmings, and wore a dainty long white tulle bridal veil. She carried a magnificent bouquet of roses and lily of the valley.

Miss Helen Crandell, sister of the bride, as maid of honor, wore a dainty dress of pale pink satin with shadow lace and mop cap.

Miss Zelina Kennedy, of Toronto, received the guests at the door and showed them to the guest rooms.

The wedding march was played by Miss Elliott, of Peterboro, sister of the groom.

The groom's gift to the pianist was a pearl necklace, and to the young lady sever pearl pins.

A dainty and well arranged buffet lunch was served after the ceremony, the Misses Doris Clarke, Pauline Carroll and Zelina Kennedy, of Toronto, acting as servers. They looked very pretty in white mull dresses and mop caps.

The house decorations were carried out in palms, autumn leaves and asters, while the table decorations were tastily arranged in white and pink asters and smilax.

The happy young couple left on the afternoon C.P.R. train for Buffalo and Atlantic City, and after returning to Lindsay they will leave for their future home in Calgary. The bride's going-away suit was a neat fitting midnight blue, and she wore pretty and becoming hat to match.

If a man is obliging he is apt to be popular because he can be imposed upon.
