CAMBRAV

A very pleasant evening was spent by the many friends of Rev. J. A. McKenzie at his home last Monday evening, it being the eve of his departure from Cambra. The chief feature of the evening was the presentation of

a purse containing about \$25, accompanied by the following address which was read by Mr. R. A. Hutchison, the purse being presented by Miss Mary Irwin. DEAR MR. McKENZIE.—It is with sincere regret that we, your friends of Cambra, realize that you and Mrs. McKenzie are about to depart from our midst. We feel that during the four years you have been with us you have labored amongst us diligently and faithfully, always ready and willing to help the weak and discouraged, always a sympathizing friend to those in sorrow and adversity. We are conscious that we in many instances have fallen short of our duty, that we have not at all times given you the assistance required of us, but we trust that all our short-comings will be obliterated from your memory and you will remember us as true and sincere friends. God moves in a mysterious way, and we do not now understand why we are called upon to pass through this ordeal, we do not see the silver lining to the cloud passing over us, but we do know that our Heavenly Father makes no errors, and that if we put our trust in Him all will be well. And now before we part we ask you to accept this purse as a slight token of our esteem for you and your estimable wife, not for its intrinsic value but for the spirit in which it is given. Signed on behalf of your friends.

MISS MARY IRWIN, MRS. H. REAZIN, JOHN IRWIN, JOHN DEVELL.

Obituary

MRS. CATHERINE ANN HORN

On the 14th inst. Mrs. Catherine A. Horn, relict of the late Alexander Horn, passed away. Deceased had been in failing health for some time, more especially since the death of her husband, but it was only during the three weeks before she died her illness took an acute form. Mrs. Horn's maiden name was Westover. She was born in Alloa, Scotland, 72 years ago. In the early fifties she came to this country with her husband and one child. For more than 40 years she was the faithful sharer of the fortunes of her husband as narrated in these columns at his death some nine months ago. Mrs. Horn was a woman of retiring disposition who bore both sorrow and suffering with little sign of their poignancy. The funeral to Riverside on Monday was largely attended.

While shovelling wheat in the 10,000 bushel elevator of the Tillson Milling Company Tuesday afternoon, at Tillsonburg, Ont., Guthrie Atkinson, a 16-year-old lad, was smothered to death. He descended a wire ladder to the wheat bin to shovel the grain down through a chute to a wagon, and in some way fell into the wheat. A hole was cut in the bottom of the bin and the grain drawn off, but when found Atkinson was quite dead. He was the sole support of his widowed mother.

Hard-working Farmers.

Long hours of hard, never-ending work makes Kidney Trouble a common complaint on the farm. Painful, weak or lame backs and Urinary Disorders are too frequent.

DOAN'S KIDNEY PILLS

help a farmer to work and keep his health—take the ache and pain out of his back and give him strength and vigor.
Mr. Isaiah Willmot, a retired farmer living at 138 Elizabeth St., Barrie, Ont., said:

"I have been a sufferer with kidney trouble and pain in the small of my back, and in both sides. I also had a great deal of neuralgia pain in my temples, and was subject to dizzy spells. I felt tired and worn out most of the time. Since taking Doan's Kidney Pills, I have had no pain either in my back or sides. They have removed the neuralgia pain from my head, and the tired feeling."

"I feel at least ten years younger and can only say that Doan's Kidney Pills are the most remarkable kidney cure, and in addition are the best tonic I ever took."
