#### PRONOUNCED INCURABLE

The Story of Mrs. Agnes Foran, of Halifax.

FOLLOWING INFLAMMATION OF THE LUNGS A SEVERE COUGH SET IN AND THE DOCTOR SAID HE CASE WAS HOPELESS—DR. WILLIAMS' PINK PILLS HAVE RESTORED HER HEALTH.

From the Recorder, Halifax, N.S.  
Mrs. Agnes Foran, who resides at 21 Agricola street, Halifax, N.S., tells a wonderful story of her complete restoration to health, after a protracted and distressing period of extreme illness, and she attributes her present happy condition under Providence, to the marvellous qualities of Dr. Williams' Pink Pills. When Mrs. Foran was called upon by a representative of the Acadian Recorder, who stated his mission, she cordially welcomed him to her pleasant home, where in the presence of her mother and sister, she freely told the story of her sickness and recovery. She said: "A few years ago I suffered a severe attack of inflammation of the lungs, and was attended by one of the best physicians in the city. I pulled through but was left a complete wreck, so that I could not do any work, suffering all the time from palpitation of the heart, nervous prostration and a ringing sound in my head. I also had a distressing cough and for months I never knew what it was to have a good night's rest. For two years my life was a perfect misery to me and under the doctor's orders I took emulsion till I was nauseated with the sight of it, but all to no purpose. My life was despaired of by all my friends who were assured by the doctor that my case was beyond the reach of human skill. I was visited by the clergy of my church and Sisters of Charity, who were very kind and sympathetic and looked upon me as one whose earthly race was about run. I experimented with all sorts of remedies for my cough, but without avail. My druggist at last advised me to try Dr. Williams' Pink Pills. Being fairly discouraged, nevertheless I was persuaded to make the trial, when to the surprise and joy of myself, family and friends, I began to get better, and by the time I had taken seven or eight boxes I was as well as you see me now," and she laughingly added, "I think you will admit that I don't look much like a sick woman." Her mother who had been listening to the tale of her daughter's long illness, added: "It just seems like a dream to us all that we once despaired of her life, when we now see her in the pink of health."

Mrs. Foran said that when on a visit to England about a year ago she contracted a heavy cold and was threatened with a return of her cough, but she at once got some of the pills and by the time she had reached New York she was as well as ever again. She related a number of instances in which she had advised persons suffering from chronic complaints to take Dr. Williams' Pink Pills and always with the best results. She mentioned particularly a niece of hers living in Boston who was run down and in a wretched condition of health, but was now a healthy young woman who owed the fact to the use of the pills. When the reporter was taking his leave Mrs. Foran said: "I am very glad to have the opportunity to testify what Dr. Williams' Pink Pills have done for me and you can say that I shall never cease to sound their praises, and I bless the good Lord that they were placed in my way at a time when I had not the hope that I could live."

All His Praise.  
"Women beat the world."  
"What's the matter now?"  
"When my wife wants anything pretty to wear, she hints around until I persuade her to buy it. Then after she has worn it out she pitches into me for encouraging her to be so extravagant."
