A Surprise Party

That's what we have in store for those looking for special and extraordinary values in High-Class New Fall Suits, New Fall Top Coats, New Fall Hats, New Fall Furnishings.

The cream of the best fashions. We have started a lively sensation around Gough's busy corner that augers well for a booming season. Its a case of the more you buy the more you make. The power of spot cash was brought to bear upon the factories so as to scatter usual profits to the winds and hammer down every possible advantage from discounts and dating. The care with which we bought, the study we gave to the needs of this district, the huge purchases—all had their own influence for the good of our patrons. You Gain by Early Buying. Because you enjoy the broad and unusual completeness of our stock. There is no time like the present—Look :
