Madame Richardson of London, England, now of Toronto, has had the greatest successes both in England and America.

The list is now open at R. S. Porter's bookstore and the plan will open to subscribers Tuesday next, the 7th at 9 a.m. Reserved seats 75 and 50 cents, gallery 35c.

Prohibition Rally.

The date set by Parliament for the people to decide as to the continuance of the present traffic of intoxicating liquors is fast approaching, therefore, with a view of organizing for work in this County a convention will be held in the Baptist church, Lindsay, on Wednesday afternoon, Oct. 8th, at 12 o'clock. Much, very much, will depend upon the attitude taken by ministers of the gospel and other leaders in Christian philanthropic work. Let every temperance man and woman feel "I must and will do my duty in this matter, and by pulpit announcements and otherwise will do all possible to have our Young People's Societies and Sunday schools well represented at this inaugural meeting." Be sure and come—all are invited. Ladies and gentlemen, come one, come all, and on December 4th be in a position to shout victory.

REV. MR. HUGHSON, Pres.
REV. A. J. H. STRIKE, Sec.

Church Notes

Next Sunday evening Rev. G. W. Henderson pastor of the Cambridge-street Methodist will preach on "What the World has a Right to Expect from the Church." Mr. Henderson invites especially those who do not usually attend church to be there.

Sunday was Rally Day at the Baptist church. The pastor Rev. L. S. Hughson, B. D., preached morning and night. In the afternoon a special session of the Sunday school was held. The pastor addressed the scholars, using a magnet to illustrate the text "I will draw all men unto me." Twenty-five scholars were presented with diplomas. Mr. Jones, M.C.A. secretary talked on the value of the Bible. Miss Silver sang. Miss Jean Anderson recited. At night Rev. Mr. Hughson preached on the words of Zech. 8:21 "I will go also." These words were often the utterance of the hero. Into unpopular causes, into places of danger for the physical or spiritual salvation of their fellows only heroic men can say "I will go also."

Of such spirit were Ruth, Adoniram Judson and Grace Darling. Everybody should say, "I will go to Christ for salvation," and I will go into the membership of the church." The church was said to be the great agent for the spread of salvation and morals. This sermon was an impressive and inspiring discourse.

At St. Andrew's Rev. Mr. Sinclair of Sonja preached thoughtful and forcible sermons. The pastor was preaching at the jubilee services of the church at Sonja.

Next Sunday Harvest Home services will be conducted at St. Paul's. Rural Dean Marsh, Rev. T. Marsh, late of Hay River and Curate Perkins will be present. The church will be decorated.

Died.

FLUREY.—On Friday, in Lindsay, Mrs. Jas. Flurey, at the age of 65 years.

The King of Ranges—"Buck's Happy Thought"

Buying a Range

There are three essential things to consider when buying a Range—Quality, Consumption of Fuel, and the Price. The price is the least important. A good Range will last many years, and when it saves in fuel it pays for its self, while a cheap Range is constantly adding to its price in extra consumption of fuel. The "Happy Thought" Range is the lightest fuel consumer in the world, and the most perfect Range constructed. It is a perfect cooking apparatus.

TUBULAR SEPARATOR CAN BE KEPT CLEAN

They have but one piece inside the bowl, and that as simple as a tin cup, while other separators have as many as thirty or more discs and other parts in the bowl alone. The TUBULAR produces pure, sweet cream, while other complicated separators produce "diseasy flavor" butter, sometimes erroneously called "fishy flavor." Cleanliness is the most certain avenue to gilt-edged dairy products. This is not a matter of sentiment, but of dollars.
