Miss Pogue's recital at the Baptist church on Thanksgiving night was a decided success, and speaks well for the ability of both pupils and teacher. After the program several short addresses were given and an instrumental by Mr. Geo. Ewart of Lindsay which won great applause. Miss Pogue will no doubt increase her already large class by this show of talent.

DONGOLA
Mr. E. Abernethy succeeded in bagging a genuine American eagle a few days ago. His eagleship was feasting on the carcass of a cow near Mr. Abernethy's place when first seen. The first shot fractured one wing and the bird thought Mr. Abernethy would make a good dinner and advanced on him with mouth wide open but was despatched with a bullet through the head. SAVE THE BABY
A Mother Tells How Many a Threatened Life May be Preserved
To the loving mother no expense is too great, no labor too severe, if will preserve the health of her little ones. Childish illnesses are generally simple, but so light is baby's hold on life that it is often a knowledge of the right thing to do that turns the tide at a crisis. And in baby's illness every crisis is a critical one. "I think the timely use of Baby's Own Tablets would save many a dear little life," writes Mrs. P. B. Bickford of Glen Sutton, Que. "I take pleasure in certifying to the merits of these Tablets, as I have found baby was troubled with indigestion at a tender age and was cross and restless. The use of Baby's Own Tablets made a wonderful change, and I am glad to recommend them to others." Mothers who use these Tablets never afterward resort to harsh purgatives that gripe and torture baby, nor to the so-called "soothing" preparations that often contain poisonous opiates. Baby's Own Tablets are pleasant to take, guaranteed to be harmless. Send 25 cents for a full-sized box to the Dr. Williams' Medicine Co., Brockville, Ont., if your druggists does not sell them.

THE KESWICK STOCK
Progeny of the Handsome Stallion in Canada Showed Up Well At the Recent Fairs
"Keswick" has become a name to conjure with among the admirers of roasters in this county and beyond. This fine stallion has a record of 2.18, but these figures do not indicate the limit of his speed, for he has on several occasions traversed the mile in better than 2.10 in work-outs. His owner, Mr. Geo. Curtis, has himself driven Keswick in 2.15, with the last half in 1.05. These feats were performed after a heavy season and are truly remarkable records.
Keswick is a chronic and veteran prize-winner both for speed, action, and conformation. His color, style and fine knee-action have rendered him an object of admiration on the leading tracks of the province. Chief among his recent winnings are 1st prize and silver medal at the Toronto Industrial in 1901, 1st prize and gold medal at the Toronto Spring Horse Show of 1902.
Keswick's progeny have inherited his good qualities in very large degree. They too, have the prize-winning characteristics of their splendid sire. There are a good many of them in this and adjoining counties, and they are, in exhibition ring, and on the track, the most popular young animals of the district. The owner of this group is "Minnie Keswick," the handsome 4-year-old owned by Mr. Curtis himself. This superb filly has travelled the mile in 2.24 and

A Ring of Reliability

In business its Deeds that win—not words. Telling the truth about our Clothing and Gentlemen's Out fittings brings customers. Straight facts about straight goods—that's what people want now-a-days. The colored character of some clothing advertisements we hear about would lead you to suspect that colored coons wrote 'em.
Enthusiasm is within all over this store, and we might proclaim the merits of our brand new stock with the paint of a circus bill. But we prefer the moderate tone, the truthful tale, the carefully stated fact. Such advertising hits the sober sense of Lindsay and Victoria County better.
A LITTLE MORE FOR YOUR MONEY than you can get elsewhere. We back up our claims because our goods warrant strong claims. Your money back if not satisfied. Everything that man wears from the kilt age to the old age. Honest values rule. Stick to Graham's the year round and watch the savings. If we please, you tell others; if we don't, tell us.

L. Hawn, Newington, Ont.

THE CORONATION CHOIR
Cambridge-st Methodist Church Thursday November 6th.
The Coronation Choir Glee Club and Concert party which were compelled to postpone their visit to Canada on account of the King's illness, sailed for Canada on August 12th having first sung at the Coronation on August 9th. The Coronation Choir Glee Concert party is under the direction of Mr. Edward Branscombe. England is justly celebrated for its wonderful boy soloists and the Coronation Choir party will be found to include some of the very finest that can possibly be found there. The phenomenal success which attended the performances of Master Percy Phillips and Lionel Craven in Canada and the United States has induced Mr. Edward Branscombe to increase their number to eight and to include Master George Forsyth another celebrated boy soloist. These three with Master Alfred Boughton form a combination of juvenile artists the equal of which has never been heard outside of England. They will be heard in several items for boy voices alone. They have been specially selected for the Coronation Choir which performed the musical portion of the crowning of King Edward VII at Westminster Abbey, while prior to their departure a number of them had the honor of singing before the Prince and Princess of Wales at Marlborough House. Prices 35 and 25c on sale by choir members.
