Hunters' Excursions

The fact that the C. P. R. line runs for so many miles through ideal hunting lands, where moose and deer and smaller game galore was fat and await the advent of fall and the accompanying guns and dogs, is of course, the principal reason why about this time of year the enthusiastic sportsman turns to the well known yellow covered folders and studies time tables and excursions are round again, and single fare will soon be the order of the day. The C. P. R. announces that from October 9th to Nov. 16th return tickets to all stations on their main line, Mattawa to Port Arthur, and Mattawa to Temiskaming and Kipawa, will be on sale at single fare, and from Oct. 25th to Nov. 6th tickets at the same low rate to stations on the Lindsay and the Soo, and Havelock and branch stations between Sudbury and Port Arthur. All tickets will be good to return until Dec. 31st, with stop-overs allowed anywhere. Special stowage rates to the Soo and Port Arthur will also be in effect. Intending hunters should make a point of calling at the nearest C. P. R. ticket office for further information and for copies of "Fishing and Shooting," "Sportsman's Map," and "Open Seasons and Game Laws," all of which are of particular interest and use to sportsmen, and are free for the asking. C. B. Foster, District Passenger Agent, C. P. R., Toronto, will gladly mail them to any address, if difficulty is experienced getting copies.—11-3.

Pain in the Back Completely Cured by Bu-Ju.

The Strong Testimony of a Toronto Man.

The wearing pain of Kidney Disease need no longer be endured as a necessary evil—science has at last succeeded in compounding a remedy, in Bu-Ju, that cures quickly and easily the worst Kidney Troubles.

Bu-Ju is every day earning for itself the lasting gratitude of sufferers all over the Province—and all we can say in praise of it is more than backed up by those who have been relieved and cured by it. Read this letter:

The Clifton Chemical Co., Windsor, Ont.
I am anxious that you should know the relief and benefit I have derived from taking your Bu-Ju Pills.
I first got a sample from Geo. Marshall, Druggist on Front Street, and was so much benefited that I decided to take more.
The effect has been marvellous. I had suffered severely for years with pain in the back—especially on rising in the morning—but I am pleased to say that the pain is completely disappeared, before using Bu-Ju I tried every remedy I heard of for Kidney Troubles without ever receiving relief.
I strongly advise anyone suffering from Kidney trouble to take Bu-Ju without delay.
Yours truly, (signed) CHAS. E. LUSTY,
3 Taylor St., Toronto, Ont., May 15, 1906.

When years of weariness yield no relief by Bu-Ju, do not doubt that it will cure you—get a few sample bottles, it will prove to you that Bu-Ju is different from anything else you have ever tried.
At all druggists—50c a box—or by mail from the Clifton Chemical Co., Windsor, Money back if not as represented.

Little Britain

Pogue's Circular

Important Notice to the Residents of Mariposa

Now that Little Britain has an established Market where all Farm Produce will be bought at highest Price for Cash, we beg to announce that we will in future expect to do a Cash Business, having no expense in handling produce. We propose marking everything in the Store down to a Spot Cash basis.

We also promise to sell you good honest goods at a less price than any of the larger towns can live on. Some may say this is a bluff, but if you will look into the matter you will find it simple enough. Why do you get your insurance from your local company at half-rate? You will answer, we don't have to keep up fine town offices and a well-dressed staff of clerks.

Now, we are satisfied that you are all more or less proud of your village, and we expect that if we give you as much and a little more for your dollar that you will spend it in Little Britain.

We never in the last thirty years were in a better position to serve you than now. We buy only good honest goods and are willing to back every sale by our reputation.

Thanking you for past favours and in anticipation of a larger share in future, we remain, yours truly,
