PRESENTATION TO SYLVESTER BAND

REPRODUCTION OF LARGE PHOTO PRESENTED BY MISS MORTON'S STUDIO TO THE SYLVESTER BAND, OF LINDSAY.

The band room of the Sylvester Band was the scene of an interesting presentation Tuesday evening of last week, when in a neat speech, Mr. Lee on behalf of Miss Morton's Studio, presented the Lindsay Band with a large and beautifully finished photo of the musical organization of which Lindsay is becoming so justly proud. Mr. Lee, in making the presentation touched on the excellence of Lindsay's band, and what a credit it was becoming to the town under the able leadership of Bandmaster Roenick. On behalf of Miss Morton he presented the elegant big photo with the remark that it would be a pleasant reminder to the band and to all others interested of the fine looking aggregation that had given so much good music in and out of Lindsay for some time past.

Cheers, long and loud, from the bandsmen and others present greeted the speech and presentation. Several members of the band made short speeches thanking Miss Morton for the nice expression of appreciation thus given.

The photograph was taken shortly after the band returned from the trip to Collingwood with new laurels and in new uniforms. The photo has been exhibited at all the neighboring fairs where it has been a centre of attraction and called forth much favorable comment. The photo will be hung in the Band rooms. A reproduction of the splendid group is published above.

LIBERAL-CONSERVATIVE MEETING

OFFICERS ELECTED. LIST OF CHAIRMAN FOR MUNICIPALITIES. AN ENTHUSIASTIC AND WELL ATTENDED MEETING.

The meeting called by the Liberal Conservatives for Wednesday morning was well attended and the business was dealt with in good form.

Among those present were noticed: Wm. McArthur, Fenelon Falls; Jas. Mortimer, Minden; Geo. Remister, Haliburton; Geo. Lyle, Kinnouit; Adolphus Bolt, Kinnouit; Mr. Golden, Fenelon Falls; James Selamere, Minden; James Wilson, Somerville; Wm. Jordan, John Carew, S. J. Fox, Geo. Rea, Geo. A. Jordan, Dr. Wood, Geo. Smith, A. Bradshaw, James McLean, I. E. Weldon, Geo. Ingle, G. H. Hopkins, J. H. Sootheran, J. Devitt, Wm. Sylvester, A. D. Mallon, Johnston Ellis, James Moore, Wesley Staples, A. E. Vrooman, Joseph Brown, of Lindsay; Mr. Wilson, Ops; John Irwin, Carden; John Alton, Kirkfield, Wm. Irwin, Mariposa; Wm. Coulter, Ops; John Bailey, Laxton; Jas. McGarr, Balsover; Alexander Daniels, Mariposa; Wm. Adair, Norland; Weldon Rea, Reboro; James Casey, Valentin; James Taylor, Oakwood; Capt. Patterson and Duncan Tolmie, Woodville; Mr. Stewart Somerville; Thos. McQuade, Emily; Wm. Downer and Austin Donner, Mariposa; D. Williams, Glamorgan; John Hargrave, Balsam Lake; and many others too numerous to mention.

Mr. Johnston Ellis, the retiring president, called the meeting to order. The minutes of the previous meeting were read by Secretary I. E. Weldon, and adopted.

Mr. R. Bryans was appointed chairman of the meeting pro tem and the work of electing officers proceeded with.

Officers were elected as follows: Hon. President—Dr. Cornell, Omeamee. President—Johnston Ellis. Vice-President—J. H. Delamere, Minden. Secretary—I. E. Weldon. Treasurer—Wm. McCarty, Fenelon Falls.

Chairman for the different municipalities were elected as follows: Emily—J. R. Bolt. Mariposa North—Chas. Knight. Mariposa South—Wesley Gibson. Eldon—D. A. McIntyre. Fenelon Falls—J. H. Brandon. Laxton, Digby and Longford—Wm. Adair. Lutterworth—A. Bolt. Minden—Geo. Rogers. Anson—James Mortimer. Stanhope—Geo. Hewitt. Glamorgan—D. R. Switzer. Monmouth—Thos. Graham. Cardiff—R. Dixon. Dysart and Dudley—Geo. H. Bemister. Woodville—Dr. Galloway.

DELEGATES FOR COMING CONVENTION.

It was moved, seconded and carried that all the officers elected should be delegates at the coming convention with right to vote at the same.

CONVENTION ON DECEMBER 19.

Another resolution passed appointed Thursday, Dec. 19th, at 1 p.m., as the time for the convention to select a candidate for the House of Commons at the next election. The convention will be held in the Academy of Music, Lindsay.

The usual votes of confidence in the Whitney Government and in the policy of Mr. R. L. Borden were very heartily given.

THE BOARD OF EDUCATION CRITICIZED

A PARENT OBJECTS TO THEIR METHOD OF ACCEPTING MR. HARSTONE'S RESIGNATION.

Dear Sir,—Would it be fair to Dr. Blanchard (who moved for Mr. Harstone's resignation) if the people of this vicinity would judge of his ability as a physician from his failure to prolong the life of his last patient? It certainly would not. His previous good work would, and should, be taken into consideration. Admitting this, why was he not as considerate of others?

For a score of years, Lindsay's Collegiate, under Mr. Harstone's guidance, made a record for itself, "world-wide." The last year was not so good; part of the fault may have been his and part or all may have been due to a bad run of examination material, and hard papers. It matters little which! What I want to say is that Mr. Harstone's good work in the capacity of Principal of the Collegiate Institute in Lindsay for twenty long years, should not be completely obliterated and forgotten on account of one year falling short of our expectations.

The principal of the institute does not personally prepare the pupils for the examinations in question, and has no say as to who will assist him. The Board of Education engage all his help. Perhaps while the matter is open, it would be well to continue the investigation all along the line. The real cause of our low percentage might be discovered in this way, farther down the list.

Messrs. Flavelle, Edwards and Walters are to be congratulated for the stand they took on the division.

The refusal of the Board to furnish the principal with data of some or all of the complaints, and the hurry to bring off the move during Mr. Flavelle's absence, looks bad. It was not a case of emergency. The resignation does not take effect until December. Had Mr. Flavelle been present at the Board meeting in question, to expose the real object of the promoters, as he did on his return, its support would have been confined to the two or three engineers who originated it.

Mr. Flavelle has been an active and conscientious member of the Board for years, and if the question of the

A Bankrupt Stock bought at 50c. on the Dollar

Mr. A. J. Ford has succeeded in buying his stock in at 50c. on the dollar, and will open in about a week with a big bankrupt stock sale. The purchasing public will surely get good goods at deeply cut prices.

Better than Ever This Year

Any person who has read the Family Herald and Weekly Star for a few years back would wonder how it could be improved from year to year. Still every one will admit that during the past twelve months there has been a wonderful improvement and the Family Herald and Weekly Star is to-day bigger value than ever before. Newspaper, Magazine and Agricultural Journal all combined, it is certainly a unique publication. Any person who does not know the Family Herald and Weekly Star should give it a trial for 1908. It is a wonderful dollar's worth.

It is Easy to Slip Up

In buying Clothes unless you are a textile expert you can't tell much from a casual inspection of clothing and you are practically at the mercy of the man with whom you trade.

Probably the principal reason why the sales of our Clothing are increasing so heavily is because people have learned that their confidence in it is merited by the service it gives and has given ever since we've been in business.

CLOTHING AND FURNISHING DEPARTMENT

MEETING OF WATER COMMISSIONERS

TOWN WATER TO BE TESTED REGULARLY AT STATED INTERVALS!

The Water Commissioners met on Monday afternoon with Mr. J. D. Flavelle in the chair, and Mayor Vrooman, Mr. McNeilly and Mr. T. Brady present.

Much routine work was transacted, and reports received. A large number of accounts were considered and dealt with.

Messrs. Johnston Ellis and J. A. Williamson asked for a reduction of the charges against the Agricultural Society for water. There had been a leak in the service, which was responsible for the amount apparently consumed. The commissioners pointed out that they were not responsible for leak under the circumstances. A rebate of \$4 was, however, allowed.

The Commissioners decided to have the town water tested at certain stated intervals, so that its purity might be known, or if it proved otherwise steps might be taken in the right direction.

LINDSAY CURLERS

ORGANIZE FOR THE SEASON. OFFICERS ELECTED. AN ENTHUSIASTIC MEETING.

Those interested in curling held an enthusiastic and largely attended meeting on Friday evening. The following officers were elected for the season 1907-08 for the Lindsay Curling Club:—

Patron—Mr. John Carew. President—Dr. Wood. Vice-President—Rev. J. W. Wallace. Treasurer—Mr. J. D. Flavelle. Assistant Treasurer—Mr. Peter Kennedy. Secretary—Mr. J. C. Harstone. Assistant Secretary—Mr. J. M. Knowlson. Chairman—Rev. J. W. Wallace. Managing Committee—Club officers, and Messrs. L. V. O'Connor, M. H. Sisson, G. H. Hopkins, and Dr. F. A. Walters.

Representatives to Ontario Curling Association—Messrs. J. D. Flavelle and G. H. Hopkins.

Ontario Tankard Skips—Messrs. J. D. Flavelle and L. V. O'Connor.

The following were chosen as the club skips:—Messrs. Burke, Butler, Cuthbert, Fisher, Flavelle, Gage, Harstone, Hopkins, F. Knowlson, J. M. Knowlson, Kennedy, Little, Miller, McDonnell, W. McLennan, O'Connor, Reesor, Sisson, Sutton, Wallace, Welch, Walters, Widdess, Watson.

The skips will meet Thursday evening next to select their rinks.

The question of a big bonspiel was discussed, but no action taken.

Some objection was taken to Toronto being always the place in the Ontario Tankard Cup games for the competition to be played off. It was generally conceded that it was about time Lindsay's claim was recognized, and Mr. J. D. Flavelle, delegate to the Ontario Curling Association, promised to press Lindsay's claim in the matter at the annual meeting this week.

ONTARIO CURLERS.

At the meeting of the Ontario Curling Association, it was decided that first and second Tankard players must stay out of District Cup games. The following is the group containing Lindsay curlers in the Ontario Association schedule:—

Group No. 1—Lindsay, Port Hope, Cobourg, Toronto, Toronto, Lakeview, Toronto, Granites, Toronto Prospect, Park, Newmarket, Milton, Richmond Hill. Play at Toronto. Umpire, Mr. J. P. Rogers.

FREE DAIRY COURSE

NO FEES CHARGED AT KINGSTON DAIRY SCHOOL CATERED BY GOVERNMENT.

The calendar of the Eastern Dairy School at Kingston, Ont., for the session of 1907-1908 has just come to hand. This school is maintained and operated by the Ontario Department of Agriculture with a view to furthering the dairy industry of the province, and is under the superintendence of J. W. Mitchell, B.A., Kingston. The school building is commodious, thoroughly modern in plan and construction and especially adapted for convenience in reaching and instruction work. Each of the several departments is fully equipped for teaching purposes with thoroughly up-to-date machinery and apparatus. Each of the various departments is placed in charge of an instructor who is thoroughly practical and a specialist in the subject and work he has to teach and do, the complete staff numbering no less than twelve.

During the month of December the school operates as a creamery. The long course opens on Thursday, January 2, and closes Wednesday, March 25, the instructors' course opens on Monday, March 30, and closes Saturday, April 4. Besides these courses anyone that wishes can take a short course in the school at any time during the months of January and February. There will be no course in December, but persons desiring to take up practical buttermaking during this month will be privileged to do so.

The long course embraces the following: Dairy lectures, cheesemaking, separators and the creaming of milk, buttermaking, milk testing, dairy bacteriology, dairy chemistry and miscellaneous subjects, such as mathematics and bookkeeping, soldering and pipe fitting, and the handling and care of boilers and engines. The dairy lectures are on the science of dairying, including such topics as feeding, care and management of the dairy cow, building up of the dairy herd, production and care of milk, milk and its products, factory or cooperative dairying, manufacture, care and marketing of dairy products, location and planning of factories, etc. The closing course of the session will be the instructor's course, for which none but prospective instructors will be accepted.

Certificates and diplomas will be awarded to those who successfully pass the examinations and fulfil the conditions imposed. No entrance examination will be required, but students will be expected to have at least one season's experience in a cheese factory or creamery before entering the school. Tuition is absolutely free, the only expense incurred being for board and lodging and a few incidental expenditures in connection with supplies.

We would strongly advise any young man in Eastern Ontario entering upon a career in dairying to first apprentice himself to us as good a maker as he can, and to follow this by taking a long course at the Eastern Dairy School. It is safe to say that in future one of the requisites for securing a prominent position in dairying will be the holding of a dairy school certificate or diploma. With ready access to government sustained dairy schools, which offer tuition and training absolutely free, there is seldom any valid reason for a young man not availing himself of the opportunity offered to thoroughly qualify himself for his chosen work. Thoroughly equip yourself for filling a good position and depend upon it, the position will seek you sooner or later. The demand for first-class dairymen is quite in excess of the supply.

It is feared that the King of Spain has consumption.
