### Advice From a Mother To all Other Mothers

The young mother—the inexperienced mother—is always glad to get the advice of the more experienced in the care of her little one. Thousands of mothers have emphatically said that there is no medicine equal to Baby's Own Tablets for keeping little ones well, or restoring health if illness comes suddenly. The young mother can safely follow the lead of these others. Mrs. John Shortill, Georgetown, Ont., says: "I would not be a day without Baby's Own Tablets in the house. I believe they saved my youngest child's life. At the age of three months she cried all the time with indigestion. Our doctor did all he could for her, but did not seem to help her. Then I got Baby's Own Tablets and they worked a wonderful change. They seemed to tone the stomach, moved the bowels regularly, and she has ever since been a healthy child." Sold at 25 cents a box by all dealers or by mail from The Dr. Williams' Medicine Co., Brockville, Ont.

### HYMENEAL

JONES—TAYLOR.

The home of Mrs. David Taylor, Burndtown, was the scene of a pretty event on Wednesday, Oct. 6, at 8 o'clock p.m., when her youngest daughter Mary Grace, was united in marriage to Mr. Herbert J. A. Jones, of Omeme, in the presence of about thirty guests, the Rev. Mr. Miller officiating. The bride, who was unattended entered the parlor on the arm of her brother, and carried a shower bouquet of white asters and roses, to the strains of the wedding march, played by Miss Agnes McLeod, organist of Burnstown church.

The bride was dressed in a dainty semi-princess gown of white mull, and wore a sunburst of pearls, the gift of the groom. After the ceremony the company repaired to the dining-room, where refreshments were served, the intervals between being pleasantly filled by instrumental and vocal music. The number of useful presents which the bride received showed the esteem in which she was held. Her going away costume was a blue broadcloth suit and hat to match.

Mr. and Mrs. Jones left for their home near Omeme, followed by the best wishes of a host of friends.

### ANNIVERSARY SERVICES.

The anniversary services held at the Methodist church, Fenelon Falls, Sunday, were marked with unusual success. Rev. John Garbutt, of Bowmanville, a former pastor, preached two excellent sermons. The collections amounted to \$213.15 in all. A FAT SALARY.

A Peterboro lawyer, Mr. Louis M. Hayes, K.C., of the firm of Hall & Hayes, is gazetted to-day as local registrar of the high court, clerk of the county court, and registrar of surrogate court in and for the county of Peterboro, pro tempore, in the room and stead of the late John Moloney. The office is worth about \$2,500 a year.

### FAULTY ENGINE.

Cobourg, Oct.—At the fall assizes here, before his lordship Justice Magee, a very interesting case was tried. It was the celebrated Clarke township threshing and insurance case, and has already excited considerable comment throughout the province. The plaintiff, Bigelow, brought action against Mr. Powers and the Clarke Pioneer Threshing Company, of which syndicate the plaintiff was himself a member, for \$3,600, value of barn and contents, destroyed by fire on account of alleged negligence of a steam threshing plant belonging to the syndicate.

A large number of witnesses were called. It appears that plaintiff's barn was burned while threshing was in progress. The insurance company refused to settle for the small amount of insurance, and it was alleged the engine was faulty. Evidence given at the trial went to show that other fires had started as the result, it was alleged, of this faulty condition. A set of fourteen questions was submitted to the jury, the most important of which were:

Were the barn and goods of the plaintiff burned by fire caused by sparks from the engine owned by members of the syndicate? A.—Yes.

If so, did the sparks which caused such fire escape from the engine by reason of any defective condition of the engine? A.—Yes.

The jury assessed the plaintiff's loss as follows:—

Damaged to barn	\$2,016
Damage to chattels	516
Grain to be threshed by syndicate	441
Other grain	618
Hay and corn	295
Total	\$3,886
Deducting salvage	295
Net damage	\$3,601
