BRITISH FIRM INVADES CANADA

Manufacturers of Oxo Opening
in Toronto and Montreal

The rapidly increasing interest in Canada on the part of the British Capitalist and British Manufacturer is every day becoming more apparent. They are realizing that here is a tremendous, rapidly growing and friendly market, and many of the more progressive firms of the Motherland are hastening to establish themselves here.

One of the latest is the "Oxo" concern, whose head offices are in London, Eng., but whose operations extend over a good share of the civilized world. For a great many years they have been building up an enormous business in their concentrated beef food and "Oxo" is now to add Canada to its conquests.

At first sight it seems like "Carrying coals to Newcastle" for a British firm to import concentrated beef into Canada, when we supply them with a good share of the prime roast beef which appears on their tables. But on the one hand, notwithstanding the plentiful supply of beef, the preparation of such foods as "Oxo" is practically unknown in Canada, and on the other hand the "Oxo" people do not depend on the local supply of cattle for their needs. If they did the tight little isle might quickly be stripped of its bovine population.

When "Oxo" began operations very many years ago they adopted the rather daring policy of establishing great cattle farms in those distant countries where pasture was richest and the climate most favorable for rearing great herds of the healthiest cattle. Their first big ranch was on the river Plate, in South America. There they found conditions ideal, and there they now have millions of acres of pasturage and more than a quarter of a million of the finest cattle in the world.

This is the source of supply of "Oxo" which Canadians are now to have a chance to enjoy.

LADIES IN MAJORITY.

130 out of 159 students who are attending Peterboro Normal school are ladies. The following are from Lindsay: Viola Maud Preston, May Maud Woods, Anna Maud A. Jackson and Stella Mary Kinsinger. Mrs. Anna Nichols, from Oranmore, is also in attendance.

GOLDEN WEDDING.

Mr. and Mrs. Geo. W. Puffer, of Menden township, celebrated their golden wedding on Monday evening under very happy conditions.

There were assembled in their comfortable home about twenty-five neighbors and friends. Others were unable to attend owing to the rainy weather of that day.

The aged couple were married by Rev. George Beynon, at Newboro, County of Leeds, Ont., fifty years ago and of the wedding party then present there now remains besides themselves but one person, a sister of Mrs. Puffer, alive.

Mr. and Mrs. Puffer looked quite happy as they received the congratulations of their friends, but the emotions were touched when reference was made to members of the home unable to attend by the great distance separating them.

Can Do Her Own Work Now.

Doctor Said She Had Heart Trouble.

Weighed 125 Pounds. Now Weighs 185.
Mrs. M. McGann, Debec Junction, N.B., writes:—"I wish to tell you what Milburn's Heart and Nerve Pills have done for me. Three years ago I was so run down I could not do my own work. I went to a doctor, and he told me I had heart trouble and that my nerves were all unstrung. I took his medicine, as he ordered me to do, but it did me no good. I then started to take Milburn's Heart and Nerve Pills, and had only taken one box before I started to feel better so I continued their use until I had taken several boxes, and I am now strong and well, and able to do my own work. When I commenced taking your pills I weighed 125 pounds, and now weigh 185 and have given birth to a lovely daughter, which was a happy thing in the family. When I commenced taking Milburn's Heart and Nerve Pills, I could not go upstairs without resting before I got to the top. I can now go up without any trouble."

Milburn's Heart and Nerve Pills are 50 cents per box, or 3 boxes for \$1.25, at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

Backache, Gravel and Rheumatism Vanish Before Dodd's Kidney Pills

PROVED ONCE AGAIN IN THE CASE OF MRS. FRED KRIEGER, WHO SUFFERED FROM THE WORST FORMS OF KIDNEY DISEASE.

Palmer Rapids, Ont., Oct. 15.—(Special).—The thousands of Canadians who live in daily terror of those terrible forms of kidney disease known as backache, gravel and rheumatism, will be deeply interested in the story of Mrs. Fred Krieger, of this place.

"I was for years a great sufferer from kidney disease, gravel, rheumatism and backache," Mrs. Krieger states. "It all started through a cold, but I got so my head ached, I was nervous, my limbs were heavy, I had a dragging sensation across my loins, and I was totally unfit to do anything."

"Reading about wonderful cures by Dodd's kidney pills led me to buy some. After using a few I found they were doing me good and this encouraged me to continue their use. Eight boxes made me well."

"I have been able to do my own work ever since and today I am completely cured. Dodd's kidney pills saved my health and I feel like a new woman."

ANOTHER VAULT

LINDSAY MAN IS INSTALLING VAULTS AT THE FALLS.

There are now three vaults in the village—one at the Bank of B.N.A., one at the Bank of Montreal, and the third at the stone mill. The last mentioned, which was built quite recently, is above ground on a solid stone foundation, is 9x11 feet inside, and about 12 feet from the floor to the arched ceiling, and the walls are nearly three feet thick. It was built by Mr. George Coombs, of Lindsay, about 14,000 hard bricks were used in its construction, and it cost a little over \$500. As Mr. Brandon has more space in it than he needs, he is willing to rent storage room for our rich residents' surplus wealth and for their wives' and daughters' jewellery. — Fenelon Falls Gazette.

A.O.U.W. IS SOUND.

Claiming damages on the ground that J. C. Sheppard, of Kirkfield, Victoria county, had published advertisements and a pamphlet to the effect that the order was on the verge of bankruptcy, the Grand Lodge of the Ancient Order of United Workmen has been awarded \$100. An injunction has been granted, too, restraining Sheppard from publishing further defamatory statements as to the financial status of the order.

HYMENEAL

RANSON—HUGHES.

One of the most pleasing events of the season took place Wednesday afternoon, October 13th, at the home of Mr. and Mrs. Robert Hughes, sr., Scotch line, Anson, when their daughter Margaret was married to Mr. Andrew Ranson, of Minden. The Rev. T. A. Nind, Anglican clergyman, officiated.

The bride looked charming in a dress of pale blue voile trimmed with allover lace and white silk applique. She was attended by her sister, Miss Nellie Hughes, who looked very pretty in a dress of pale blue silk mull, trimmed with white lace and insertion. The groom was ably supported by his cousin, Mr. Robert Ranson, of Lindsay.

After the ceremony the guests, numbering over a hundred, repaired to the dining-room to partake of a sumptuous repast. The numerous, beautiful and costly presents displayed, showed the respect and esteem in which both bride and groom are held in the vicinity. A reception was held in the evening.—Minden Echo.

GRAHAM—WESTCOTT.

A press despatch from Cannington, dated yesterday, says: This morning at 8.30 o'clock, in All Saints' Church, the marriage took place of Miss Nettie Westcott, a popular lady of this place, and Mr. William Graham, eldest son of the Hon. and Mrs. Geo. P. Graham, of Brockville, the Rev. Mr. Crummer officiating. The bride, who was given away by her mother, wore a traveling gown of amethyst cloth with hat to match Mr. and Mrs. Graham left on the 9.30 train for Winnipeg and other points, and on their return will reside in Toronto. Hon. Geo. P. Graham, wife and son arrived here in a private car last night and attended the wedding.

DeLURY—ALLIN.

The residence of Mr. Thos. Allin, Sunderland, was the scene of a very pleasing event on Wednesday, Oct. 12, when his daughter, Miss Lizzie Allin, M.A., formerly teacher at the L.C.U., was married to Mr. D. D. DeLury, of Walker, Minn. The house was very tastefully decorated with flowers and autumn leaves. The bride who was given away by her father, was gowned in point d'esprit over satin and carried a shower bouquet of chrysanthemums. Miss Mary Allin acted as bridesmaid and wore a dress of blue duchess satin. The groom was assisted by his brother, Prof. A. T. DeLury, of Toronto University. The bride's mother wore a handsome gown of black silk. The groom's gift to the bridesmaid was a twin pearl ring and to Miss Sadie Allin a ruby ring. The ceremony was conducted under a beautiful bell of white aster, by the Rev. G. F. Johnson, rector of St. Mary's church, Sunderland. While the register was being signed Mr. Clarence Thompson sang. The wedding march was played by Mrs. Hodge, of Toronto.

About fifty guests were present and offered congratulations and good wishes.

The bride was the recipient of many handsome and costly presents, among them being one from the High school Bowmanville, the Bible class of St. Paul's church, Lindsay, and the Young People's Society, of St. Mary's church, Sunderland.

The bride's traveling costume was wistaria broad cloth, with picture hat. Amid a hearty farewell from the many friends and relatives Mr. and Mrs. DeLury left for St. Paul, Minn.
