Cameron Hunt Club Preparing For Hunt

Cameron, Oct. 18.—The weather of last week has not been very favorable as the week before but is no more than we can expect.
Mr. Geo. McNabb is, we are sorry to say, on the sick list, but under the skillful treatment of Dr. McAlpine we wish for a speedy recovery.
We are sorry to see a few of our well-to-do farmers operating their machinery on the Sabbath. Surely there must be some time during the week of six days wind enough to do what is needed.
Sunday morning, Oct. 10, was sacrament Sunday in the English church.
Mr. John B. Powles, of Powles Corners, had a little excitement while at Mr. Roblin Anderson's. His team hitched to a single buggy, in some way took fright and ran from a near-by corn field to the barn. Glad to state no serious injuries occurred.
Mr. P. Northcott has also been on the sick list, but is slowly recovering.
Mrs. E. Kendall returned home from Orillia, where she attended the funeral of her nephew.
Mr. O. Maybee, of Kinmount, was a visitor at Mr. Wm. Hewitt's last week.
Mr. and Mrs. H. Harrison, a. W. Hewie, Mr. J. Tamlin and son Harry, were visitors at Wesley Perri's,

Hunting For Coal Oil and Gold

Cobocok, Oct. 18.—Drilling for coal oil is now in operation on the farm of Mr. Geo. McFarland, a short distance east of the village. It has been known for many years that oil is located here and as the indications are more strongly marked in this farm than any other place the first trial is being made there. If success does not follow the attempt other lively places will be tested. There is no doubt of the existence of the oil, the only question is the amount.
Mr. John Bowins, who has for many years taken much interest in prospecting for gold in the township of Digby has been going over the field with an expert miner, Mr. Reid, who claims to have an extensive experience in prospecting and gold mining. They report some exceedingly rich finds and have staked several claims.
Mr. Wm. Murray, who was severely injured by falling on a circular saw in the Gull River Co.'s mill here last week, is progressing favorably. He had his leg partly severed just below the knee, and the healing and regaining of the use of his leg will require a good deal of time.
The Oddfellows are preparing for a grand re-union of members and invited friends on Nov. 11th. The occasion is the 20th anniversary of

Father of Lindsay Man Passes Away

Burnt River, Oct. 18.—Mr. Robt. Wilson, Lindsay, is the guest of Mr. James Cain.
Messrs. Robert Reeds and William Reeds, Reaboro, arrived here Saturday owing to the illness of their brother, the late Mr. Ralph Reeds, who died on Sunday.
Mr. John Golden, Bury's Green, called on friends here Saturday.
Mr. and Mrs. Martin are visiting friends at Liskeard.
Mr. Britnell spent Sunday in Haliburton.
Mr. Arthur Suddaby spent Monday at Fenelon Falls.
Mrs. Fred Levely and little Miss Florence visited friends at Fenelon Falls.
Mr. C. Mitchell, Grand Trunk roadmaster, Lindsay, was here on business last week.
Much sympathy is felt for the family of the late Mr. Ralph Reeds, who died here on Sunday evening, after an illness of about ten days. Mr. Reeds was in his seventy-fourth year and up to ten days ago had never been ill in his life to my knowledge. Mr. Reeds was twice married. He leaves to mourn his loss his widow, and the following children: Messrs. Robert, of Lindsay; William, Henry and Thomas John, in Michigan; Mrs. David Chalmers, Watson's Siding; Mrs. George Griffen, Burnt River;

THE WISE MOTHER DOCTORS BABY WISELY

Nowadays wise mothers do not dose their children with nauseous, griping castor-oil or purgatives, nor do they give them poisonous opiates in the form of soothing medicines. Baby's Own Tablets take the place of these harsh and dangerous drugs, and the mother has the guarantee of a government analyst that the Tablets are absolutely safe, and will cure all stomach and bowel troubles, destroy worms, break up colds and make teething easy. Mrs. Thos. Craft Binscarth, Man., says: "I have used Baby's Own Tablets for constipation and teething trouble, and do not know of any other medicine that can equal them. They are always satisfactory in their results." Sold by medicine dealers or by mail at 25 cents a box from The Dr. William Medicine Co., Brockville, Ont.
Eight Spanish soldiers were killed in a fight with a party of Moore near Melilla.
Carlos Smithers, a Kenora bank clerk, was sentenced to two years for forgery.
