

Lindsay Talent Took Part in Anniversary Concert

Powles Corner, Oct. 19.—Inclement and variable are the two adjectives which describe the weather previous to and during the local thank-offering services. For days previous rain, snow and sleet had been precipitated upon mother earth and altogether rather a gloomy prospect was in view. However, the inhabitants of this corner met and defeated the elements in their warfare and as a result the anniversary was one of unparalleled success.

The local board were successful in securing the services of Rev. W. G. Clarke, B.A., of Port Hope, to conduct the services. In the morning of Oct. 17, Mr. Clarke addressed a fairly large congregation on the subject, "A Plowman's Blunder," taking as his text, Luke IX., 62: "And Jesus said unto him, no man, having put his hand to the plough, and looking back, is fit for the kingdom of God." Of the many incomparable remarks, Rev. Clarke uttered, the remark, "I am unable to give a panacea for all the ills of a Christian experience, but 'get busy' will cover most of them," struck us as being worthy of serious reflection. During the service the choir, under the leadership of Mr. N. E. Johnston, rendered a suitable anthem, and a quartet consisting of Messrs. M. Parrish, W. Powles, L. McGee and F. Powles, sang while the offering was being taken.

In the evening the Rev. Mr. Clarke again officiated and gave an excellent and eloquent sermon, "Wanted. A Man."

On Monday evening Rev. Clarke gave an excellent and inspiring address entitled: "The Golden Rule v. The Rule of Gold." The thoughts given and suggestions made should promote a more rigid observance of the command "Love thy neighbor as thyself." Special music was given by Mrs. (Dr.) Nesbitt, and Mrs. (Dr.) Cameron Wilson, of Lindsay. The violin music of Mrs. Wilson and Mrs. Nesbitt's solos were just what was needed to bring the excellent program to a perfect culmination, and should these ladies ever visit our vicinity in the future they will be accorded a very hearty reception.

In concluding, we just mention the superb decorations. Doubtless the adorning of the church with the products of the forest and field, helped materially to make the occasion one long to be remembered in the hearts of the citizens of Powles' Corners.

Miss Bryans, of Lindsay, visited Miss Stella Herron last week. Miss Jackson and niece, of Enternam, are visiting at the home of Mr. and Mrs. John Wagar.

Among those from a distance who visited us during the anniversary services, we noticed: Mr. and Mrs. L. Worsley, of Zion; Mr. and Mrs. M. Littleton, of Fenelon Falls; Mr. and Mrs. Suggitt, of Cameron; Mr. Geo. Wilson, of Fenelon Falls.

OH, YOU COON!
The coon in Mr. J. Houzer's window was not caught by Fred Broom. Mr. Houzer bought the interesting little animal from T. J. Allen.

DOWNEYVILLE.

Downeyville, Oct. 17.—St. Luke's congregation held a most edifying sight when fifty children, twenty-four girls and twenty-six boys, received their first communion, were invested in the scapular and renewed their baptismal vows.

Each boy wore a white ribbon on the right arm and the little girls were dressed in white, with wreaths and flowing veils. They marched in procession from the school to the church and back again after high mass, singing as they marched, assisted by the choir.

A fine pavement with broad and spacious steps, has been placed quite recently in front of our church, adding greatly to its appearance.

Misses Florence O'Brien and Miss Violet Teevin, who have been attending Model school, Lindsay, visited at the former's home.

Miss Norma Matthews, of St. Joseph's Academy, Lindsay, spent Sunday under the parental roof.

A very sad accident happened last week when the Galvin homestead was destroyed by fire at Ennismore.
