AUTO FRIGHTENED HORSE

CRESSWELL MAN'S EQUINE RAN AWAY.

Cresswell, Oct. 18.—Owing to the inclemency of the weather on Wednesday evening many were unable to attend the W.F.M.S. social. However, those assembled enjoyed the program and social very much. Mr. Chas. Scott spoke, the mission band and choir rendered suitable music, and Mrs. Jollie a returned missionary from India, gave an interesting account of work done in a mission school in India and impressed the urgent call "Go ye unto the world and preach the gospel to every creature." After the program the ladies served an ample lunch. The society realized the neat sum of eleven dollars.

What Was Wrong With Dog That Bit a Man

Kinmount, Oct. 17.—The weather has been bad here for some time. Yesterday could be seen the belated potato-diggers hard at work, the snow on Saturday morning reminding them of the winter soon to be.

DOAN'S KIDNEY PILLS

Mrs. A. Schnare, Black Point, N.B., writes: "For years I was troubled with weak back for years. Oftentimes I have laid in bed for days, being scarcely able to turn myself and I have also been a great sufferer while trying to perform my household duties. I had doctors attending me without avail and tried liniments and plasters, but nothing seemed to do me any good. I was about to give up in despair when my husband induced me to try Doan's Kidney Pills, and after using two boxes I am now well and able to do my work. I am positive Doan's Kidney Pills are all that you claim for them and I would advise all kidney sufferers to give them a fair trial." Price, 50 cents per box, 3 boxes for \$1.25. At all dealers, or will be mailed direct on receipt of price, by The T. Milburn Co., Limited, Toronto, Ont. In ordering specify "Doan's."

Omeme Citizens Are Well Pleased With Prospects of New Station

Omeme, Oct. 18.—Mr. Robert Adams made a business trip to Peterboro and other points last week. Omeme shows some class in private residences. To see is to be convinced, so take a drive along King-st.

Mr. George Morrison is improving the appearance of his residence and store on King-st.

Mrs. Earle and her son from Newfoundland, arrived last week to join Rev. Mr. Earle, who had preceded them and who has been selected as the rector of Omeme parish. A cordial welcome is extended to Mrs. Earle and little son.

Mrs. J. A. Wylie made a visit to Peterboro on Saturday.

The Guild met on Tuesday evening.

The live topic of a station for Omeme has been adjusted, and we believe with almost universal satisfaction to our citizens. Of course

we expected something great from the strong deputation that waited on Mr. Tiffin, and were not disappointed. So plainly, logically and forcibly was Omeme's case presented to the railway committee that the Grand Trunk readily acquiesced, and now we have the promise that all passenger trains shall stop at Sturgeon-st., where a well-heated and electric-lighted building is to be erected, where tickets can be prepared and baggage and express handled. We understand that measurements have been taken and the order will go into effect at once. After the final display of the fast grain route, there is promise of a permanent station at Omeme at some convenient point down town. Dr. Rupert Mitchell, of Perth, Ont., surgeon on the Nimrod, in Lieutenant Shackleton's Antarctic expedition, made a call last week on his friends, Mrs. Kelly and Mrs. O. N. Sutton, M.D.
