A ROUSING MEETING AT UPHILL--- STIRRING ADDRESSES---LARGE AUDIENCE

Uphill, Oct. 19.—The meeting held here on Friday evening, Oct. 16, in the interest of the Conservative candidate for Victoria was a grand success.

The Colonel was personally present to the great delight of everyone. The school-house, where the meeting was held, was filled to the overflowing by the large number of ladies present. The meeting was called to order shortly after the time appointed, (7.30 o'clock p.m.) by electing Mr. James McCaughy chairman, who in a short address thanked the audience for the honor bestowed on him when they asked him to preside at a meeting in Col. Hughes' interest. He then complimented the Colonel on the number of ladies present, saying that it was a good omen of his success in the polls; and told the ladies that there could be no more pleasing feature of the meeting than the Colonel than to have their presence.

Mr. McCaughy then scored the Government for their reckless and wasteful expenditures in the face of their promise of retrenchment and economy in 1896. Another thing he called the attention of the audience to was the claim of Laurier and the Liberal party to having made Canada a nation, and in order to show that it was not a possible shade paler, fearing a possible suffragette demonstration. To do his justice no outward sign of trepidation crossed the gallant Colonel's countenance, whatever his outward feelings may have been, and the ladies of Uphill felt assured that will do all in his power to assist them to secure it.

Mr. Jas. McCaughy made an excellent chairman, and in his introductory speech summed up the political situation in Canada from confederation to the present time. He struck a sympathetic note among the majority of his audience by declaring that every lady should have a vote or a voter. Now, where is Dr. Wilson? The man who has the last word has a great advantage. Politicians! A word in your ear. Make friends of the ladies. "The hand that rocks the cradle is the hand that rules the world."

KIRKFIELD.

Oct. 19.—The funeral of the late Mrs. Johnston, wife of Mr. James Johnston, of Toronto, died at her sister's home, Mrs. Hector McLaughlin, at an early hour Friday morning. The deceased was thirty-seven years old, and has lived in Toronto for some time, but on account of her health came out here to visit, where she was taken ill, and has suffered terribly until relieved by death.

The ceremony was performed by the Rev. H. H. Turner, of Kirkfield, at 2 p.m. Sunday. She leaves to mourners her loss a bereaved husband, daughter, and two sons. We all give them our deepest sympathy.

UPHILL.

Oct. 17.—The Presbyterian church in this place is in charge of Rev. Mr. Sievwright, of Toronto. Service is held morning and evening on alternate Sundays. On Sunday, Oct. 25th there will be an evening service beginning at 7 p.m. The building is very cosy and inviting with its bright lights, youthful choir, and earnest minister. It has been said that the two buildings no place can afford the school, which has a well equipped and up-to-date school. We feel a just pride in both these uplifting institutions.

The woods around Uphill are particularly attractive at this time of the year.

"Old earth is a pleasure to see, In sunshining coat of red and green, The furrow lies fresh; this year will be As years that are past have been." The dry weather has made ploughing quite difficult this fall, but it has been ideal weather for all other outside work.

The potatoes have been harvested and are a fair crop in this vicinity.

THE GOVERNMENT AND ZAM-BUK

SURVEY OUT FROM FORT WILLIAM TAKES THIS WONDERFUL BALM.

Zam-Buk the favorite household balm is now adopted as the "Doc" by leading parties in surveying parties of the Dominion lands.

Mr. Henry Hall writing from Fort William says: "Having proved how beneficial Zam-Buk is in cases of cuts, skin injuries and diseases, I determined to keep a supply handy. Being engaged to go on a survey I thought it would be a most useful thing to take along. I obtained a supply in Fort William, and very soon it nearly every day it was called into requisition by one or other of the party for cuts, bruises, burns, or some injury or other. It is wonderful how quickly Zam-Buk takes the soreness out of cuts, burns, bruises and injuries, and on our survey it earned golden opinions from all who had occasion to try it. I have found it very fine for skin diseases, and I can strongly recommend it as a household balm."

Mr. Lascelles Scott, one of the leading Government analysts says: "I have no hesitation in certifying the entire purity of Zam-Buk, which in my opinion is excellently adapted for skin injuries and diseases."

Zam-Buk cures cuts, scalds, burns, eczema, scalp sores, ringworm, ulcers, abscesses, chapped places, cold sores, blood poisoning, chronic abscesses, etc. As an emmenagogue it relieves rheumatism, neuralgia and sciatica. All druggists and stores sell at 50 cents a box, or from Zam-Buk Co., Toronto, for price, 3 boxes for \$1.25. Send one cent stamp for dainty sample box.

A SECRET BALLOT.

Remember there is no numbered ballot this election. It is secret. Your vote cannot be traced, as it could when the numbered ballot was used. You can vote as you wish and not be called to account afterwards. Remember this! A secret ballot.

CARD OF THANKS WITH THE HORSEMEN.

EXHIBITOR GREATLY PLEASED WITH LINDSAY CENTRAL.

A word of thanks in due season never comes amiss. Mr. Johnston Ellis, President of the South Victoria Agricultural Society, has received a very appreciative card of thanks from an old exhibitor, Mr. Robert Vance, of Ida, Ont. Mr. Vance has exhibited at Lindsay for thirty-eight years and will come again. He writes as follows:

Dear Sir,—Now that the fairs are near at hand for this year I wish to congratulate you on the great success of your fair. It was the best of all I attended outside of Toronto. I also wish to thank you and the directors and officers for courtesy and kindness shown to the judges and others attending the fair.

With best wishes for your continued prosperity, I am very truly yours,

ROBERT VANCE,
Ida, Ont., Oct. 15, 1908.

HORSE AND BUGGY STOLEN.

On Monday about ten o'clock Mr. T. Davidson, of Little Britain, accompanied by Mrs. Marclay, drove into town and put his horse and buggy into the Benson House shed while he was doing business around town.

When he was ready to return home about twelve o'clock he was surprised to find that his horse and buggy was gone. It is supposed that some one has stolen the outfit, as there are no traces of any broken harness to show that it broke loose and ran away. He at once notified Chief Vincent who is on the lookout for the horse and buggy.

It is a light bay horse white with forehead, and the buggy was a covered one with steel tires. Any information will be glad received by Mr. Davidson or the chief. The owner left for home in a livery rig about three o'clock, feeling very much annoyed over the occurrence.

The man with the corrugated forehead is now figuring on the probable cost of his wife's new fall outfit.

Guy, the horse that beat Harry Dick in the free-for-all at Norwood, is none other, horsemen say, than that old grey roan, Petroleum, formerly owned by Mr. W. H. Simpson, of this town. Velma and Petroleum had a great race a couple of winters ago in Lindsay, the former being the winner, but after seven heats had been run, by a narrow margin. Texas Rooker, the Yankee horse, which W. H. Simpson, of town, had his eye on for a while, and was thinking of purchasing, raced at Meaford in the free-for-all and was beaten by Captain Sphinx, who appeared on Lindsay track last fair day. Texas Rooker, however, captured second money. Al. Proctor owns the Texas horse now and thinks he has a horse in the free-for-all, being beaten by Grace Pointer. The best time made at Meaford was 2:14.

A severe cold, Geo. Curtis says, is what kept Harry K. from winning the 2:17 race at Delormier park, Montreal, this week. The Lindsay horse had to drop out after the first heat.

They're kicking in Toronto about the holding of a meet at Dufferin park this week. It is said that the objection is that too many meets are being held in Toronto. This will damage the sport by causing the meets to be stale with the public and the future meets will go unpatronized.

Mr. Jas. Lee, of Fenelon, owner of the fast stepper Harry K., and also owner of the Chambers farm, was in town on Saturday. While in town he bought from Mr. W. A. Weese, the well-known local horseman, a fine young brood mare, one cross of Belguim. She has been bred to Salsburg, property of Mr. Weese. Salsburg is the horse imported from Austria last spring. Mr. Lee intended placing the young mare on the stock farm.

In the autumn Rheumatism is so general that all our readers so suffering will be glad to hear that a letter addressed to the Dr. Williams' Medicine, Co., Brockville, Ont., will be to their advantage. Write to-day.

OPENING OF Y.M.C.A. GYMNASIUM CLASSES---A GOOD SEASON

The gymnasium classes at the Y. M. C. A. have begun, and the outlook is very bright for a good season's work. The senior men's class opened Monday with a small attendance, but was enjoyed by those taking part, and it is expected that the attendance will be increased on Wednesday night, and will increase right along. All the classes will start and be in full swing this week.

We wish to call the attention of the business men of Lindsay to the fact that there is a special class for business men, held for one hour in the afternoon twice a week. Business men who have taken up this class, have found that it amply repays them for the time spent in it. There is nothing which helps a man in his business like a good hour's exercise in the gymnasium, where he can rest his mind for awhile from business' toils, care and problems, get to thoroughly know his business associates through companionship on the gym floor, exercise those muscles and parts of the body which are not brought into play during the business of the day, and get competent leadership. It is to be hoped that all business men who are members of the association will take advantage of this class, and those who are not members will come in and join us.

The hours will be arranged to suit all, and the class work is generally something like—ten minutes light free hand exercise, fifteen minutes light apparatus work, and finish up with games of indoor baseball, where Light refreshments will be served at the close of the program. All the boys of the town and their friends are hereby invited. Parents will be welcome.

The schedule of classes is given below:

Senior men—Monday, Wednesday and Friday from 8 to 9.30 p.m. Business men—Monday and Thursday from 5 to 6 p.m. Intermediate—Tuesday, Thursday and Saturday, from 8 to 9.30 p.m. Collegiate—Tuesday and Saturday from 4 to 5.30 p.m. Juniors—Wednesday, 4 to 5.30 p.m. and Saturday 10 to 11.30 a.m.

Note—The business men's class hour will be changed if necessary. All members using the gymnasium are requested to have an examination by their family physician as to physical fitness. The gymnasium classes will include during the season, indoor hockey and baseball, etc.

Y.M.C.A. NOTES.

A large number of ladies attended the Ladies' Auxiliary meeting held yesterday. This society is promising splendid support this season. They are deeply interested in work of the association.

All interested in debating are invited to meet the secretary in the parlor of the association to-night at eight o'clock.

The Ladies' Auxiliary and the social committee are giving a big reception to the boys of Lindsay on Friday night. A good program will be given by Frank Ritchie, the Dominion secretary of the boys' department, is expected to be presented. Light refreshments will be served at the close of the program. All the boys of the town and their friends are hereby invited. Parents will be welcome.

INDISPENSIBLE TO MOTHERS

"I am satisfied that Baby's Own Tablets are indispensable to mothers," says Mrs. Abraham Boucher, Pierreville Mills, Que., and she adds: "Before using the Tablets my baby was cross, peevish and not thriving well; but the Tablets have worked a great change and my little one is well and happy." This is the verdict of all mothers who have used these Tablets. And better still, mothers have the guarantee of a government analyst that Baby's Own Tablets are absolutely safe—that they contain not one particle of opiate or poisonous soothing stuff. Sold by all medicine dealers or by mail at 25¢ a box from the Dr. Williams' Medicine Co., Brockville, Ont.
