Only Medicine That Did Any Good

After Suffering Tortures For Years, This Lady Found Happy Relief In "Fruit-a-tives".

Frankville, Ont., June 11th, 1908.

"I have received most wonderful benefit from taking "Fruit-a-tives." I suffered for years from headaches and pain in the back, and I consulted doctors and took every remedy obtainable without any relief. Then I began taking "Fruit-a-tives" and this was the only medicine that ever did me any real good. I took several boxes altogether, and now I am entirely well of all my dreadful headaches and backaches.

MRS FRANK EATON

I take "Fruit-a-tives" occasionally still, but I am quite cured of a trouble that was said to be incurable. I give this testimony voluntarily, in order that others who suffer as I suffered may try this wonderful medicine and be cured." (Signed) MRS. FRANK EATON.

"Fruit-a-tives" are sold by all dealers at 50c a box, 6 for \$2.50 or trial box, 25c—or sent post-paid on receipt of price by Fruit-a-tives Limited, Ottawa.

FREIGHT TRAIN WRECKED.

London, Ont., Oct. 26.—An extra G.T.R. freight train of ten cars was derailed yesterday afternoon at a crossing between Wyton and Fairfield, the engine striking a cow that was asleep on the track. The engine was thrown into a field, seven cars left the track, and the roadbed was torn up for some distance. Conductor J. Atkins and brakeman M. Fox were badly shaken up and had a narrow escape.

"TEDDY" HEARD A COMER.

Referring to "Teddy" Heard, the Fenelon Falls runner, who won third place in the Peterboro Examiner road race, the Examiner says: "The junior race was a triangular battle between Edwards, Tovey and Teddie Heard, Len Nesbitt's Fenelon Falls youngster, and the three had a merry fight all through the five-mile course. . . . The race was a hot one from the start. Edwards, the ultimate winner, went out at once, followed by Tovey and Heard, of Fenelon Falls. Others hooked on to the three out in front, for a while, but found the pace too hot, and most of them dropped back rapidly, while behind them again the twenty or more youngsters of the rear guard were having all kinds of fights and changes of places among themselves. Out in front the three leaders had the hardest kind of a race. Each took his turn in leading and for the whole distance there was not much between them. Heard took the lead near the city, but was overhauled by the other pair, and could not pull down their lead, although he was always in threatening distance and ran a grand race. . . . Heard, the Fenelon Falls starter, finished with a strong sprint that brought forth renewed cheering. . . . Teddie Heard of Fenelon Falls, the third man, has won some races around the Cataract Village and looks like a comer."

"THE SOUL'S AWAKENING."

The new premium picture given to all subscribers to the Family Herald and Weekly Star, of Montreal, is certainly a beauty.

Never in the history of newspapers has there been such enthusiasm over a premium as "The Soul's Awakening" has created during the past two weeks. Almost every newspaper in Canada has published most flattering tributes to the Family Herald's enterprise. Clergymen of all denominations have written thanking the publishers for giving the people of Canada an opportunity to possess such a picture. Every mail brings scores of letters from parents, fathers and mothers, expressing their sincere gratitude for furnishing the home with such an elevating influence. School inspectors have written suggesting that every school room in Canada should have a copy of "The Soul's Awakening," believing that it will have a powerful, though silent, influence on the minds of the children. The Family Herald and Weekly Star alone is big value at one dollar, but with this picture as a premium it looks like giving away money. It is said the supply is limited and there is a big rush of subscriptions. No one should miss it.

Albert Bean, a letter-carrier, was arrested, charge with theft from the mails.
