FOR D.D.D., GOT A TRIAL BOTTLE, AND IS CURED OF ECZEMA.

21 Givens-st., Toronto, June 20, 1909.

D.D.D. Company,
Dear Sir,—I was a sufferer for about two years with eczema on the legs and ankles. I tried three or four different doctors and none of them did me any good. I then went to a skin specialist and he was no better. I was reading the "Sunday World" and I happened to see your ad. I am very thankful that I did. I sent for a sample bottle, and it did me so much good I sent for a \$0 bottle, also a cake of soap. That is all I used and I am perfectly well, and I don't think it will return. I have advised several others to use it and the results have been the same.

(Signed) I. W. CORNS.

The results are the same in every case—D.D.D. Prescription instantly soothes and relieves the awful itch and permanently cures eczema, and all kinds of skin diseases.

If you are a sufferer why not try D.D.D. at once?
For free sample bottle of D.D.D. Prescription write to the D.D.D. Laboratory, Department L.W.W., 23 Jordan-st., Toronto.
