

Returns From Western Trip—Two Months Away

Mr. W. H. E. Graham, of the South ward, returned from a two months' trip through Western Canada Monday morning. In conversation with a *Warder* reporter Mr. Graham stated that of all the cities in the west after Winnipeg, Edmonton promises to be the greatest city. The country northwest of Edmonton, known as the Peace River district, he stated, "is the best in the country and Edmonton is bound to be a great centre. Saskatoon, the university centre of Saskatchewan, comes next to

Edmonton as a great metropolis." "The speculator in the west is almost sure to make money. A farm bought at from fifteen to twenty dollars an acre is a sure investment in almost any district. Lots that were bought in Saskatoon seven years ago for a few dollars a foot are now being sold for thirty and forty thousand dollars." While in Winnipeg and Calgary Mr. Graham met with several old Lindsay boys, all doing well in their different positions.

Omeme Rifle Club Did Some Excellent Shooting

Omeme, Oct. 17, 1910. — Principal Barron, of the High School, left on Friday evening for Elora, his former abode. He is bringing his family and effects to town and will reside in Mr. Bennett's residence on Sturgeon-st.

Mr. Isaac Richardson, of Millbrook, was a busy man for two or three days last week, receiving hogs, cattle and lambs at our station for which he paid out the aggregate amount of \$2500.

Mr. John Bennett has been loading a car of household effects, etc., for Manitoba, where he and his family expect to remove to this week. The daring aerial artist gave the spire of the Methodist church another coat of paint.

The pupils of the public school were out of classes on Thursday and Friday, the teachers being in attendance at the Victoria Teachers' Association meeting at Lindsay.

Principal Walker, of the Normal gave some excellent addresses on the subject of Arithmetic and Mr. Birchard a valuable paper on Spelling. On Thursday evening, Mr. W. Elliott, I.P.S., of Toronto, an old Omeme boy, entertained and instructed a large gathering in the Assembly Hall of the Collegiate with his lecture on "Nature through a camera." Many expressions of appreciation bespoke the efforts of Mr. Elliott.

Mr. Kennedy, of Sturgeon-st., had the roof of his blacksmith shop made rain-proof last week by Mr. A. Williamson.

On Saturday evening Mr. and Mrs. J. C. Eaton came down from Toronto in their private car, "Etonia." A mangold weighing 26½ lbs. is on exhibition in the window of Mr. Jos. T. Beatty's store. Who can produce an equal or a greater?

Mr. Charles went up to Lindsay on a business trip Friday.

As the season for deer hunting approaches, our local hunters show symptoms of Northern fever.

The Presbyterians are making great preparations for their Anniversary Services on the 30th and 31st insts.

Miss Jewett is occupying the residence lately vacated by Miss Minnie Henderson.

Miss Feir left for her home in Peterboro, Friday, and Miss Bartley for her home in Lindsay.

A couple of travelling musicians—a violinist and a harpist—played the town up one day last week.

The Omeme Rifle Association held its regular "shoot" on Saturday afternoon. There was a good attendance and the marksmanship showed marked improvement. There was keen competition for the prizes: In the 200 yards seven shots in one minute match, the first prize was won by T. C. Stephenson, second by J. J. English. Scores were as follows:

Our citizens were treated to a show on the public street Monday evening when two Italians with bears and tom-toms each, tore up the dust, waltzed and wrestled the bears. Bruin then "clim't the pole and no breakee glasse." The cost of the entertainment was according to your ability in money or eatables. There were two specimens in female attire who made the round of the houses soliciting.

GLENARM
Glenarm, Oct. 18. — Rev. Mr. Lord of Fenelon Falls, occupied the pulpit here, on Sunday last, and delivered two excellent sermons. Owing to anniversary services at Hartley our attendance was rather small in the evening. Mr. Steel went to St. Andrew's, Fenelon Falls, on Sunday.

Miss Louisa Spence returned on Saturday last from a very enjoyable three months tour through the great West. She spent most of the time with old friends at Islay, Alberta.

Mr. and Mrs. Dan Brown, of Lindsay, visited old friends here, on Sunday last.

We are pleased to state that Mrs. A. Jamieson, who has been ill for a short time, is now recovering her usual health.

Mr. Willie and Miss Effie McMillan, of L.C.L., spent the week end at their respective homes.

Miss McKay, of Woodville is visiting at the home of her grand-mother, Mrs. A. Jamieson.

Apples are rather a poor crop in this section, this year.

Fanning's Weekly Sales Very Successful

Since Fanning's repository was first established there have been many big and successful sales, but the one held last Saturday may be said to have eclipsed them all. Animals or articles sold at Fanning's under the hammer may be returned on the following Monday if they do not prove to be as represented. The fact that only one horse came back on account of not being properly broken shows how careful the proprietor is in his dealings.

Buyers were there from fifty miles around and they certainly were in a buying mood when it is known that the sale totalled \$4,146. Everything sold but a two-year-old colt that was put up on commission. McDonald's string of eight horses netted \$1,522.50. Three yearling steers brought \$89. These were bought up by Mr. Cairns of Fleetwood. Other 2-year-old steers went as high as \$50 each and some beyond that figure. Fifty-seven head of cattle brought \$18.42.

Mr. Robt. Edwards, the well-known horseman, remarked that he never before saw so much high-class stock offered at a sale in this country.

The next sale will be held in a couple of weeks' time, when in addition to the usual commission stock there will be 17 head of fancy-bred horses and a carload of cutters offered for sale.

Will Make Hair Grow

Every up-to-date woman should have radiant hair. There are thousands of women with harsh, faded, characterless hair, who do not try to improve it. In England and Paris women take pride in having beautiful hair. Every Canadian woman can have lustrous and luxuriant hair by using SALVIA, the great American Sage Hair Tonic. Higginbotham sells a large bottle for 50 cents, and guarantees it to banish Dandruff, stop falling hair and itching scalp in ten days, or money back.

BIRTHS.
PATON.—On Sunday, October 16, 1910, to Mr. and Mrs. Douglas W. Paton, 237 Wellesley-st., Toronto, a son.

An Old Resident of Kirkfield Dead
Kirkfield, Oct. 17. — Death visited our neighborhood on Tuesday morning, at 11.30 a.m., and called away one of our oldest residents, Mr. Malcolm Fraser. Deceased was in his sixty-seventh year. He will be greatly missed by all who knew him, both young and old, and will be always remembered for his many kind acts and deeds. He was a faithful member of the Presbyterian church. The funeral services were held at his home on Thursday, at 2.00 p.m., conducted by Rev. H. H. Turner. The remains were interred in Bolsover cemetery.

Those who mourn his loss are his wife and daughter, Mrs. Wm. T. McLeis, of Oakwood, and brother Donald, of Kirkfield, a sister, Mrs. Hillan, of Toronto.

Among those who attended the funeral from a distance were: Mr. and Mrs. A. McArthur and daughter, Miss Mabel, of Woodville; Miss MacPherson, of Bracebridge, a niece; Mr. and Mrs. Charlie McDonald, of Woodville; Mrs. Richardson and son D. J. MacRae, of Woodville; Mrs. MacArthur, of Eldon Station.

Much sympathy is extended to all bereaved ones and friends.

Miss Velma Astman spent part of last week in Lindsay with relatives. Mrs. A. E. Smith spent last week at Hartley with Mr. and Mrs. Donald Smith, returning on Sunday evening with Mr. Smith and son.

Mr. Walker Mitchell spent last week with his parents in Millbrook. Mr. Russell Smith spent Monday in Lindsay on business.

CAMERON

Cameron, Oct. 15.—Last week Mr. Jas. Cook was up at the village plowing some gardens. After finishing he went up to Mr. Northcott's shop to see them installing Mr. Northcott's new gasoline engine, leaving his team and wagon outside.

The horses started south, leaving the wagon about a mile or so south of the village, after breaking the tongue and reach. They ran as far as Cortiss' corner when they turned round and were met by their owner at the hill at Ops boundary. The horses fortunately did themselves no harm.

Mr. A. Pollard had a ploughing bee on Friday, the 14th inst. Quite a number of the young men of this and the Cambray vicinity attended the same. After the day's arduous

laborers were ended a bountiful supper was served up after which a very delightful time was spent in tripping the light fantastic till the early hours of the morning.

On Saturday last Mrs. G. H. Dunn was out helping to gather in the clover seed. Mrs. Dunn was horse-raking, and by some means the horse took fright and brought one end of the rake into collision with a post. Mrs. Dunn, who is a somewhat elderly lady, was thrown to the ground. She was unconscious for a

time, but is now considerably improved. We trust her injuries may not be very complicated or serious and that she may soon be around again.

Mrs. Wm. Fell has been on the sick list for some time, but we are pleased to be able to relate that she now is on the way towards recovery.

The Methodists of this place anticipate holding an excellent fowl supper and entertainment on Tuesday, 25th inst. On Sunday, 23rd, Rev. Mr. Howard will preach morning and evening and on Tuesday addresses will be given by Revs. J. P. Wilson of Lindsay and Elliott of Oakwood.
