The Terrible Pains of Golden Wedding of Respected Lindsay Couple Celebrated This Afternoon

Mr. Wm. H. MacEwen, Mount Tryon, P.E.I., says:—"For more than a year I suffered with all the terrible pains of indigestion, and my life was one of the greatest misery. It did not seem to make any difference whether I ate or not, the pains were always there, accompanied by a severe sweating and a belching of wind. I did not even get relief at night, and sometimes hardly got a bit of sleep. In my misery I tried many remedies such as castor oil, but they did me not one jot of good, and I fully expected that I could always be afflicted in this way. At this time my brother came home on a visit, and urged me to try HILBURN'S LAX-LIVER PILLS, and got me a few vials. By the time I had taken one vial I began to improve and could eat with some relief. I was greatly cheered, and continued taking the pills until all traces of the trouble had disappeared, and I could once more eat all kinds of food without the slightest inconvenience. I am so firmly convinced of their virtue as a family medicine I have no hesitation in recommending them."

Milburn's Lax-Liver Pills are 25c. per vial, or five for \$1.00, at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

THRASHING QUAFF STALLED.
The thrashing outfit of Mr. Wm. Ellis, passed through Monday en route for Mr. Wilson's dairy farm, northeast of the town. The engine snapped one of her guide chains on Russell-st., which stalled the outfit, but it was quickly repaired by one of the men in charge. A pull on the lever, and the big engine once more struck the trail for Wilson's dairy.

WAS DESTROYED.
A mysterious fire occurred Sunday morning on the farm of Mr. Wm. J. Grandy, con. 14, Manvers, when a fine barn was completely destroyed by fire. Fortunately there are two barns on the farm and the one destroyed only contained a small quantity of hay.

It appears that a number of Italians, who are engaged on the new grain route of the C.P.R., which runs through the farm, sleep in the unoccupied house and were in the habit of occupying the barn as well, but when asked as to the origin of the fire they would give no information except that they had noticed smoke issuing and that the barn burned down very rapidly.

It is stated that the loss is fully covered by insurance.

Mr. Grandy and family lived on the opposite end of the farm.
