Winners at L. C. I. Field Day of Sports

The annual field day of the Athletic Association of the Lindsay Collegiate Institute was held at the Agricultural grounds Wednesday afternoon and once more proved a grand success. "Better than ever" were the words used by the crowds which came to see the contestants battle for supremacy. A large number of citizens were on the grounds, probably 1000. Talk about your holidays, they are relics of ancient Lind- sby when compared with yesterday's games. If you were never an eye witness to the field day of sports don't forget to put on your old grey sweater and get there next year. Too much credit cannot be given the teachers at the Institute for the work they are doing for the boys and girls. Thirty-four events characterized the day's sport, and it is needless to say that each event has carried out in the most amicable way by the contestants; and the parties who acted as judges. Some of the events were amusing as well as interesting. The egg race brought forth cheers as the contestants in their rush for the goal dropped their prize and were consequently disqualified. The walking race for girls was another feature that the crowd was enthused over. Little Miss Wood won this, her style, and pluck made her the idol of the crowd. While all the boys showed good form and are worthy of praise, Messrs. Keenan, Shields, Mann, Palen and Herlihey have a bright future ahead of them in the athletic world. The school was divided into four sections, A, B, C, and D, which in order represented the following colors: red, blue, old gold and green. The points attained by any contestant being placed to the credit of the section represented. THE EVENTS. Throwing basket ball (girls)—Miss Hopkins 64 ft., 3 ins.; L. Reynolds

Miss K. Woods, McCullough, McKay. 860 yd. race (junior)—W. Herlihey, Donald Lowes, C. Kerr. Time 2 mins., 45 1/2 secs. 860 yd. race (senior)—Messrs. Mann, Marshall and Thorburn. Time 2 mins., 30 secs. Broad jump (junior)—Messrs. McIlroy 14 ft., 3 ins., Herlihey 13 ft., 7 ins., Coombs 13 ft., 6 ins. Broad jump (senior)—F. Mann 16 ft., 5 1/2 ins., L. Keenan 76 ft., 5 ins., C. Shields 16 ft., 2 ins. Egg race (girls)—Misses Rieley, Hughes and Haugh. Relay race (sections)—C. Shields, C. Spence, F. Suggitt. Tag of war—A and C contested, final victory for A. To-day at four o'clock the balance of the events will take place at the Exhibition grounds. In conclusion the beautiful and touching words of Lord Bryson might be appropriately appended: I see before me the gladiator lie; He leans upon his hand, his manly brow, Consents to death but conquers agony; And his drooped head sinks gradually low, And through his side the last drops ebbing slow, From the red gash fall heavy one by one, Like the first of a thunder shower, and now, The arena swims around him; he is gone, Ere ceased the inhuman shout Which hailed the man who won. Have as little as possible to do with people you cannot trust; when on marshy ground tread lightly, and get over it as rapidly as you can.

YELVERTON. Yelverton, Oct. 24.—Everyone is thoroughly enjoying the beautiful weather which we have had this last week and are taking advantage of it to finish their fall work. We were thankful for the recent rains as a number of the wells were going dry. Thanksgiving service will be held here on Sunday evening. Miss Alvina Finnie was the guest of Mrs. W. Philip Wednesday evening. Mr. Thomas Brisbin entertained a number of friends Thursday evening of last week and all report a very enjoyable time. Mr. Thomas Henry has returned after an extended visit to the west. Mr. Harry Tinney, of Cavanville, has purchased a number of heavy draught horses from the neighborhood. Mrs. J. M. Porter has returned after a week's visit in Toronto, hale and hearty. Mrs. Malcolm Emerson was the guest of her mother Mrs. Wm. Philip, during the past week. Mr. N. Muirhead has threshed and reports a fine yield. Mr. and Mrs. G. Porter spent Sunday at Ballyduff. We are sorry to hear that Mr. Toicer is recovering very slowly.

THIEVES WERE SCARED

LIFFORD MAN AWAKENED FROM HIS SLUMBERS. Lifford, Oct. 23.—Ploughing in this neighborhood is well advanced. Almost all the fields are dark looking, whether ploughed or not. The pasture is practically worthless, and the farmers are hoping that the fine Indian summer weather of the past week will continue for a long time. On Tuesday night last when the rain was falling heavily and the night was dark as a stack of black cats, Mr. Andrew Kerr was awakened from his sweet slumbers by the noise of a would-be thief attempting to break into his dwelling. Fortunately the door was locked, and was strong enough not to yield. Mr. Kerr came downstairs, and although unarmed succeeded in so alarming his marauder that he sneaked away, leaving no clue of his identity. Next morning two very undesirable looking strangers appeared and asked in the store for liquor. On being refused they murmured much and went away. It is not known whether they were the same party who were around the previous night. The houses of Messrs. Galloway, Lethangue and Lowery are rapidly nearing completion. They are all fine structures, and add greatly to the appearance of the 10th line of Manvers. When Mr. Wes. Galloway erects his proposed mansion we have no hesitancy in saying that this line will be the best built one in the township. Your correspondent has been informed that a number of our young people are contemplating matrimony. We are listening attentively for the merry ring of wedding bells. Mr. Patterson, our worthy young minister, announced on Sunday that there would be no service here in two weeks, owing to Nov. 5 being Sacramento Sunday at Fleetwood. We understand that special services of an evangelical nature will be held later in the season. The many friends of Mr. John Petty will regret to learn of his being in poor health. His condition is rather serious at present, but it is to be hoped that with careful nursing he will soon be his former self again. We regret to report that Mr. Geo. Staples is ill. We hope to see him around again soon. Mrs. Robt. Grandy and daughter, Miss Mary, of Port Hope, visited Lifford friends during the past week. Mr. Robt. Begg, Pontypool, visited at the home of Mr. Ed. Langdon on Sunday. Mrs. Caitins is visiting Port Hope friends at present. Mrs. W. J. McKiligan visited Bethany friends on Sunday. Mr. and Mrs. John Robinson, of Fleetwood, moved to Lifford last week. Mr. Robinson has given up farming. Welcome to our city. Miss Eddy, Orono, is visiting her sister, Mrs. O. M. Wright. Trouble often comes to show how much we had to be thankful for before her arrival.

If you sit down and allow your mind to dwell on the evil characteristics in your neighbors, you will fully bring yourself to their level, and are associating from choice with the worst that you can find in them instead of dwelling with and assisting the good you may also find, and with less trouble.

There are tailors because some people insist on having made-for-themselves clothes. And as for you—Do you belong to the class of people who insist upon good tailoring? It costs no more to wear clothes made for you, and in many instances you save money in the long run.'

Text: 'The Bureau of Colonization of the Department of Agriculture—Province of Ontario—has fitted up a demonstration Car, exhibiting the grain, roots, vegetables, etc., grown in New Ontario—The Great Northland. This car will be in Lindsay, on November 22nd. You should avail yourselves of the opportunity, and witness a demonstration of the great heritage which we possess. Kinmount House Burned to Ground

Kinmount, Oct. 23.—Partridge season is on, and our hunters are laboring with good weather, and are enjoying their outing. Mr. Chessell is at White Lake on the cement dam construction. Our village fathers have had laid a nice cement walk from J. Mansfield's house to the bridge near J. J. Doherty's, and it is quite an improvement as well as a convenience for those living on that street. Mr. Robert Boldt has moved into the village and occupies the house formerly owned by Mrs. Andrew Watters. Mr. MacEachern and Miss Vanderburg, teaches in our school, attended the teachers' institute at Lindsay last week. Mr. M. Sisson, manager of the Washington Shoe Store, Lindsay, visited at the home of Mr. and Mrs. Gordon Hopkins last Friday. The masons have laid a cement walk in front of their hall on Main-st., part of which is occupied by Mr. Doensky, merchant. Mr. Dawson is making additional improvements to his dwelling. He has built a cement platform in front of his house. Rev. Mr. Hickley spent Thursday last visiting his parishioners at Burnt River. Mr. and Miss Ewen, of Kirkfield, visited at Mr. and Mrs. Levia's Sunday and Monday. Rev. Mr. Fraser, formerly of Fenton Falls, preached yesterday morning in the Presbyterian church here. Rev. Mr. Patterson is expected for next Sabbath. On Thursday last, in the afternoon, the house owned by Mr. A. Y. Hopkins, and occupied by Mr. John Cooper, was burned to the ground. Mr. Cooper suffers quite a loss. He had some insurance. We understand the house was not insured.

Messrs. Adam C. Bell of Fictor, N.S., and J. A. LaRiviere of Provencer, Man., have been called to the Senate. A considerate wife will not insist upon her husband's doing more than two-thirds of the housework. There is plenty of room at the top. This is due to the fact that most people want to get in on the ground floor.
