Reg. 2.50, sale 1.99, reg. 3.50, sale 2.75

E. E. W. MCGAFFEY

Work of Bright Pupils Rewarded-Prizes Distributed

Omenee, Sept. 30.—On Friday afternoon prizes were awarded for last year's work in the forms of the public school. Reeve Stulligan, Mr. W. H. Curry and T. W. McLean made the presentations. For highest proficiency in the term work of the senior fourth class and highest standing in the junior entrance to high school examinations a beautiful gold medal suitably inscribed, was presented to Hillier Williamson. The second prize was donated by Mr. W. H. Curry for the best work in the school of the combined subjects of arithmetic and writing. This was a very handsome pair of nickel-plated scales and was captured by Marion Kaye, after a spirited and close contest. The third award was for the senior third grade, the highest percentage of the term and promotion examinations being necessary for the winner, who was Ernest Lasswell. Mr. T. C. Ivory, chairman of the board of education, was the donor of the third prize, which was a beautiful copy of Goldsmith's poems. The fourth and last prize was for the highest percentage in all subjects during the term and on the promotion examinations of the senior second class. This was carried off by Willie White, who received a very handsomely engraved bronze medal. The presentation exercises were enlivened by songs from the school recitations by Reeve Milligan and a decidedly interesting

retrospective talk on educational matters by Mr. W. H. Curry. The singing of the national anthem concluded the proceedings.

Extreme happiness pervades the home of Mr. and Mrs. James McQuade, resultant from a visit of the stork, which brought them a fine little baby boy. Many farmers are not done harvest and the late grains are being cut with the mower because of the extreme softness of the rain-saturated ground. Potatoes are magnificent in size and are plentiful, but rot has afflicted a certain proportion. Mr. D. Stinson has increased the capacity of his business stand by the addition of the vacant store east on King-st., which he has fitted up and put therein a grand display of stoves and their furnishings. Last week Mr. and Mrs. Milton Sherin were overjoyed because of a visit from the stork, which presented them with a bonnie wee girl. Children's day service was held on Sabbath morning in the Presbyterian church. The joy of harvest was the title of a leaflet of the order of service in which followed by an address on "Sowing and Reaping," by the pastor, Rev. D. H. Currie. The Misses Parsons have been attending a hymeneal celebration at Toronto. Christ church held special services on Sunday to celebrate the harvest festival.

HYMENEAL.

BOBCAYGEON.

FINOX-MURRAY. The home of Mr. and Mrs. James Murray, of South Manilla, was the scene of a quiet wedding on Wednesday, Sept. 25, at 4 p.m., when their daughter Miss Kate was united in the holy bonds of matrimony to Mr. Andrew Finox, of this place. Rev. Mr. Konkle, of Sonya, performed the bride looking charming, her wedding gown being brown silk with cream trimming. The happy couple took the evening train at Blackwater to spend their honeymoon in Detroit. The bride's traveling suit was blue silk with hat to match. Upon their return will take up residence in Manilla. Congratulations.

THE VICTORIA LOAN & SAVINGS COMPANY Incorporated 1895 Capital & Reserved Fund \$400,000.00

DIVIDEND NO. 41 NOTICE IS HEREBY GIVEN that a Dividend at the rate of Seven Per Cent. per annum, has this day been declared on the Paid-Up Capital Stock of this Company, for the Quarter ending September 30th, 1912, and the same will be payable at the Office of the Company on Tuesday, October 1st, 1912.

MILLERSMITH.

Millersmith, Oct. 1st.—Dr. Mason, our representative in the Provincial House has been successful in securing \$750.00, for a new road through the marsh on the 14th concession Emily. Mr. Kennedy, inspector of public works visited the road last Friday, and decided to commence work at once drawing gravel. Mr. Alex Elliott was appointed foreman. The unfavorable weather has been a great draw back to the farmers, as most of them have some harvesting to do yet; which is impossible under present circumstances. The potato crop is good but rot has started and damage may be great. Mrs. Wm. Patrick, had narrow escape from serious injuries on Thursday. Mrs. Patrick was driving a team on a carriage in the yard and in turning around the seat tipped, throwing her out on the whiffletrees this started the team which ran around a small field and made for a gateway leading to the road, but Mr. Patrick caught them when going through. Mrs. Patrick was dragged by her clothes which were badly torn and she received severe bruises. A number attended the social evening at Epworth League Dunsford, Tuesday evening. The teaching staff in our Sunday school was appointed on Sunday, and is now ready for a good years work, teachers are as follows: Bible class teacher, Miss Day; Intermediate class of boys Mrs. James Courtney; Intermediate class of girls Miss Eva Kennedy; Infant class Miss Mitchell. Rally Service will be held a week from Sunday, special music and speaking; further announcements will be made next week. Mr. and Mrs. Chas. Davis, of Brussels, who are spending their honeymoon with friends in Lindsay and Pleasant Point called on Mr. and Mrs. James F. Kennedy. The Niagara pleasure steamer Maid of the Mist went on the rocks but succeeded in reaching the landing stage without any serious mishap. A serious outbreak of diphtheria of a malignant sort has occurred among the Indians at Turtle Lake, near Fort Metchewan and Elk Lake.

FUNERAL OF THE LATE MCGAFFREY FAMILY

"For as in Adam all die, even Messrs. Thos. C. and William G. so in Christ shall all be made alive." Stevenson, of Omenee; R. R. Davis, R. H. Cosbie and Dr. Belden, of St. Peter's church, Toronto; and W. B. Lamb, of Toronto. The five coffins were banked with various kinds of floral tributes, including the following: spray, Anglican church, Omenee; two sprays and two large pillows from the McCaffrey family; spray, Walter Seagar, Alliston; spray, Mr. and Mrs. T. C. Ivory; spray, J. J. and Miss Lamb; wreath, J. J. Lamb's employes; anchor, Ladies' Aid, Omenee Methodist church; anchor, Mr. and Mrs. F. Bushnell and family; all of Omenee; spray, Adams Brothers, Lindsay. The floral tributes included the following from Toronto: wreath, E. C. Mack; spray, Mr. and Mrs. Thomas Willgar; wreath, sales dept., C. G. E. Co.; cross, C. G. E. staff; wreath, Lamptolier Co.; spray, Mr. and Mrs. Towne; two sprays and two pillows from the McCaffrey family; spray, Walter Seagar, of Alliston; wreath, St. Peter's church; spray, Mr. and Mrs. Lawson; basket of flowers, J. Herbert Hall; very large wreath, from Percy Seagar, Mr. and Mrs. Morris and Mr. and Mrs. Pherril; anchor, Geo. Olney; spray, teachers and pupils Haverlag College; spray, Gertrude and Lulu Dempsey; spray, Mrs. and Miss Welch; spray, Mr. and Mrs. Gould; cross, Woman's Auxiliary St. Peter's church; wreath, Mrs. Salter; wreath, L.O.L. 1693; spray, Mr. and Mrs. Ed. McCormick; wreath, C. G. E. staff, Toronto office; spray, Tungstolier Co.; spray, C.G.E. warehouse staff; basket, Toronto Cricket Club; pillow, Toronto H. E. System; basket, supply dept. C. G. E. Co.; wreath, American Watch Case Co.; spray, Mrs. and Misses Wanty; pillow, audit office Dominion Express Co.; anchor, Mrs. and Mr. Patterson; spray, E. W. Duke; spray, Elect. Cons. Co.; spray, N. F. Davidson. In addition to a number of relatives, several members of St. Peter's Anglican church, Toronto, together with the rector, Rev. F. Wilkinson, attended the funeral. The G.T.R. provided a special car. The relatives who were present from Toronto included: Miss Salter, sister of Mrs. McCaffrey; Mr. Salter, step-father; Mr. Percy Seagar, uncle; Mr. Gould, brother-in-law; Mr. and Mrs. W. A. Griffiths; Mr. Harry Morris, and Miss Molly Morris, cousins of Mrs. McCaffrey. Arrangements are being made for the holding of a memorial service at St. Peter's church on Sunday next. Mrs. Seagar, mother of Mrs. William McCaffrey, who is living in Toronto, and has suffered for several months past, is reported as progressing favorably under the circumstances. Did William McCaffrey, who was drowned at Omenee on Saturday, die before his wife, or did his wife die first? Upon the answer to the question depends the administration of the estate of Mr. McCaffrey. If Mr. McCaffrey died first, then his property would go to his wife, and from her to her relatives or beneficiaries named in her will. If, on the other hand, Mrs. McCaffrey was the first to expire, the estate would pass to her husband, and by his death, to members of his family, unless he left a will directing otherwise. In conversation with some of the members of the rescuing party it was learned that farmers living within a short distance from the shore of the accident, but on the opposite side of the shore, heard the frantic yells of the ill-fated party as they struggled in the water for life. No attention was paid to the cries for help because "of the fact that the threshers were at work in the community, and it was thought that they would have heard the cries if they were genuine. Four fishing lines were being used, the 10 1/2 lb. "lunge, which caused the unfortunate fatality, being securely hooked to the line which was wound around the wrist of Mrs. McCaffrey, jr. A large number of visitors attending the funeral took time to examine the canoe, which was pulled up on shore at the rear of the McCaffrey home. Although one of the regulation size, it appears to be rather small for carrying four people, let alone five. The canoe had the appearance of being a new one, the paint being quite fresh. Wrapped tightly around the only paddle was a strong fishing line. When it is considered that Mrs. McCaffrey, sr., weighed over 200 pounds, Mr. McCaffrey probably 160 pounds, Mrs. McCaffrey, jr., over 150 pounds, and the two children a combined weight of some 170 pounds, the craft was heavily loaded. In addition there were three or four cushions, a quantity of wood to build a fire, a folding table and other articles. When the canoe was loaded it is surmised that it came to within two inches of the water.

ATTENDING NORMAL.

Among the students attending the Normal School at Peterboro this term are the following from Lindsay and vicinity: Misses Annetta Brown, Florence A. Bromshire, Lenore Clark, Mary Blanche Hales, Annetta Marsh, Vivian K. White, Marion D. Gray and T. Lorne White, of Lindsay; Miss Iva Alberta Gilmore, of Kinnmount; Miss Margaret Ethel Harrington, of Downeyville; Laura K. Morton, Bethany; Miss Laura Patterson, Bobcaygeon; William McMillan, of Glenora; Miss Eliza M. Ross, of Argyle.

Professor H. H. Dean Prepares a Course On "Dairying"

HERE is a Course of Education that will appeal to every progressive farmer. It is the experience and knowledge of the most successful dairymen in various parts of the world put into such a clear and simple form that it may be readily understood and applied with profit by Canadian farmers. This course is the crowning achievement of Professor Dean's life—the result of twenty-two years' experience as a teacher, scientist, investigator and practical dairyman. Prof. Dean is one of the most eminent dairy professors in the world, being professor of dairying at Ontario Agricultural College, Guelph.

World's Leading Dairy Farms Visited. Much of the material for the course was gathered from visits to the leading dairy farms of the world in England, Scotland, Holland, and the islands of Guernsey and Jersey. There is but one other way to obtain this information. That is, to go abroad yourself and visit these model dairy farms. It would be well worth your while, too, but it would cost you a thousand dollars or more. Among other things, this course explains the marvelously efficient methods pursued by the "Model Farm" of North Holland where the finest Holsteins are kept.

Two Breeding Systems. This course on "Dairying" also tells about two widely different, yet successful, systems of breeding for milk-producing cows as followed on two Guernsey farms for over forty years. Canadian dairymen should certainly have the particulars about this course impossible in this space. To state the matter briefly, it covers almost everything from the origin and development of dairy cattle and the various breeds to modern dairy stock management. The subjects of "Feeding" and "Breeding" are alone worth many dollars to the man who will apply what he learns.

"CANADIAN FARM" 12 East Wellington Street - Toronto, Ontario. Enclosed please find... (state whether 25c or \$1.00 is enclosed) for... (state whether for three months or one year) subscription to "Canadian Farm," including Professor H. H. Dean's Course on "Dairying."
