### Homes and Gardens of Canada" Country Homes of Sir William Mackenzie

(By E. T. Cook i n Canadian Courier.)

the bustle and turmoil of the great and not unhappily too frequently in tage, Balsam Lake, city, is the country home, or rather evidence. It has a teaching value. A strong contrast, the one in the homes, of Sir William Mackenzie, As one of the greatest landscape rural village, the other by the lakepresident of the Canadian Northern gardeners of the present age has well side. It is difficult to convey the Railway. Sir William was born in said, the gardener should follow the sense of contrast to those who have Kirkfield, a little village in Victoria true artist, however modestly, in his not seen the striking dissimilarity as beautiful in its coloring as the county, Ontario, not far from Lind- love for things as they are, in de- between the two homes. But there scenery in which it is set; and then say. While he has not been able to light in natural beauty and form and is the one delightful impression - the lake wall, its pier for the yacht, preserve the tradition of transform- beauty of flower and tree, if our gar- home. The Cottage is a low, rambing the house in which he was born dens are ever to be pictures. for his modern requirements, he has The charm of the garden at Kirk- ling, and as one may say, bungalow tree and shrub. The billiard room come as near to it as was possible field is this, the simplicity of the residence, which means comfort and at "The Cottage" by the lake was under the circumstances. He has grouping of flower and shrub and There is a beautiful home still in designed by a personal friend, Mr. gradually acquired a large estate in the almost sacredness that sur- the making, approached by a forest Darling, a master mind whose name the district and combined the ad- rounds those things that are left of birch, maple and sumach, red with is written large in many great works vantages of a quiet and commodious when this is possible without inter- color, as if the sun itself had leaked in this and other countries, and the country home with the pleasures of fering with contemplated extensions out a little of its lurid glory, the drawing-room, an example of exquisfarming and dairying on a large to the house, and in altering its sur- lake, garage, dairy and all in per- ite and therefore simple taste. I really could not live without "Fruit-a-tives"

FENAGHVALE, ONT. Jan. 29th. 1910. "For thirty-five years (and I am now a man over seventy) I have been a terrible sufferer from Constipation. No matter what remedy or physicians I employed, the result was always the same-impossible to get a cure. About two years ago, I read about 'Fruit-a-tive-' and I decided to try them.

I have used 'Fruit-a-tives' ever since. They are the first and only medicine that suited my case. If it were not for 'Fruit-a-tives' I am satisfied that I could not live" JAMES PROUDFOOT.

The greatest remedy in the world for all forms of Indigestion and Dyspepsia, is "Fruit-a-tives". Doctors as well as hundreds of people proclaim it.

"Fruit-a-tives" cures all stomach troubles because it makes the liver active, strengthens the kidneys, purifies the blood and keeps the stomach sweet and clean. "Fruit-a-tives" is the only remedy made of fruit juices. 50c. a box, 6 for \$2.50, or trial size, 25c. At all dealers, or sent on receipt of price by Fruit-a-tives Limited, Ottawa.

# Sir Isaac Brock ‡

Principal Mr. John Rogers, of the Lindsay Separate School, gave a portion of Monday afternoon to the pupils, for the purpose of di tussing the deeds of valor performed b General Isaac Brock, who so nobly defended our country during the troubles met with in 1912 A.D.

The Principal afterwards addressed the pupils on the great military man and his patriotism, showing the worth of a Canadian soldier on the battlefield, and how a mere handful of Canadians routed the Americans, put them to disorder and subjected them to signal defeat.
