

PARALYSIS COMPLETELY CURED

"Fruit-atives" Performs Another Miracle

BRISTOL, N. B., July 25th, 1912. "I had a stroke of Paralysis in March 1910, and this left me unable to walk or help myself, and the Constipation of the Bowels was terrible. Nothing did me any good and I was wretched in every way. I then took "Fruit-atives" for the Constipation and it not only cured me of this terrible trouble, but gradually this fruit medicine toned up the nerves and actually cured the Paralysis. By the use of "Fruit-atives", I grew stronger and stronger until all the Paralysis and weakness left me. I am now well again and attend my store every day. I say "Thank God for Fruit-atives" ALVA PHILLIPS. "Fruit-atives" not only cured the terrible Constipation, but so toned up the nervous system and the general health as to completely overcome the palsy. Truly "Fruit-atives" is a wonderful medicine. 50c a box, 6 for \$2.50 trial size, 25c. At dealers or sent on receipt of price by Fruit-atives Limited, Ottawa.

EDITED BY A FARMER.

A farm paper whose editor is an active farmer must of necessity be near the farmer and know his needs. This is one of the reasons for the popularity of The Weekly Sun, Toronto, which for over twenty years the Ontario farmer has considered his business paper. The Sun's market reports are of such value to those who take advantage of the information given that they will not do without it. Sun subscribers are active farmers, who farm for profit. If you are not a subscriber to The Sun you should be. The Sun can help you when the farm pay all it can pay. Make re- newing your subscription for the Watchman-Warder order The Sun.

HOW TO RUN A NEWSPAPER.

To run a newspaper, all a fellow has to do is to be able to write poems, discuss the tariff and money questions, umpire a baseball game, report a wedding, saw wood, describe a fire so that the readers will shed their wraps, made \$1 do the work of \$10, shine at a dance, measure calico, abuse the liquor habit, toast whiskey, subscribe to charity, go without meals, attack free silver, wear diamonds, invent advertisements, sneer at snobbery, overlook scandal, appraise babies, delight pumpkin raisers, minister to the to a finish, set type, mould opinions, afflicted, heal the disgruntled, fight sweep the office, speak at the prayer meetings, and stand in with everybody and everything.

SOLD 40 CATTLE.

Mr. Roland Thurston, the well-known Polled Hereford and Yorkshire pig man, of North Verulam, has just finished cutting some red clover which made 17 tons off a little patch of four acres. This is the second cutting. That's not so bad, and can fairly well compete with some of the alfalfa crops. Mr. Thurston disposed of most of his Yorkshire pigs at the fairs and purchased some of the finest animals obtainable in new strains. He sold forty head of cattle this week, averaging over \$40 a head, and still has over fifty to carry through the winter.
