Trustworthy Trusses

In buying a truss the customer should consider several important things. First, the truss should be of a reliable make, so as to guarantee its quality and durability. Second, selection should be made from an adequate stock so that a truss can be selected to meet the special requirements. Third, a truss should be bought where skill in fitting is assured.

We have the kind you need and guarantee proper fitting. Prices always reasonable.

HIGINBOTHAM

SEPTEMBER STORM ON OLD ONTARIO.

In this high-swung September sun, With all the blaze of it, I'll walk beside the lonely shore, Where riot seas are lit.

I'll mark the sea-gull swing and toss In those great wind-whipt airs, I'll see the driven ships go by And hear the sailor's prayers.

There is a wildness in the day, . September's panoplies Are raging ragged down the wrack Of broken skies and seas,

I love the autumn-loosened storms, The total roaring might, But O, God help the sailor men Atoss in ships this night ! -Arthur L. Phelps.

PARALYSED AND

"Fruit-a-tives" Completely Restored New Brunswick Merchant To Health

BRISTOL, N. B., JULY 25th. 1911. 'I am unable to say enough in favor of "Fruit-a-tives" as it saved my life and restored me to health, when I had given up all hope and when the doctors had failed to do anything more for me. I had a stroke of Paralysis in March, 1910, and this left me unable to walk or help myself, and the Constipation of the bowels was terrible. Nothing did me any good and I was wretched in every way. Finally, I took "Fruit-a-tives" for the Constipation, and it not only cured me of that trouble but gradually this fruit medicine toned up the nerves and actually cured the paralysis. Under the use of "Fruit-a-tives", I grew stronger and stronger until all the palsy and weakness left me. I am now well again and attend my store every day and all day." ALVA PHILLIPS.

"Fruit-a-tives" is the only remedy in the world that is made of fruit juices

Cholera Infantum can be speedily cured by the use of Dr. Fowler's Ex-TRACT OF WILD STRAWBERRY.

MRS. JOHN FOOTE, Hantsport, N.S., writes:-"I can recommend Dr. FowLER's Cholera Infantum. My little boy was so sick, I did not think he could live, as he was out of his mind, and did not know any one. I gave him "DR. FOWLER'S," and the first dose helped him, and one bottle cured him. I recommended it to a friend whose children were sick, and it cured them too."

DR. FOWLER'S EXTRACT OF WILD STRAWBERRY is a remedy that has been on the market for over sixty-five years and has been used in thousands of families during these years, so you are not making any experiment when you buy when you ask for it, as there are many imitations of this famous remedy on the

Mrs. F. Gervals, of 126 Bleury Street, Montreal, writes: "My baby girl developed a bad rash on her body and it made her very fretful and ill. She would not take food and seemed very sick indeed. From fifteen pounds, her weight fell away to nine and a half pounds.

"I took her to a doctor who gave me a kind of lotion to use and used it regularly, but the baby got no relief. The skin disesse seemed to get worse and worse all the time we were doctoring for it, so we took the child to a second doctor. He told me to stop nursing the baby, and gave me other advice which I followed, but the skin disease got worse and worse.

"At this time a friend of mine visited us and, having seen the said plight the baby was in, she said I did not know how to go about things. She took my baby to her home and applied Zam-Buk to it little body. This seemed to give the baby ease right from the first It cured the sores and began to reduce the inflammation. I went on with the Zam-Buk treatment, and to my delight within one week from first starting with Zam-Buk the child looked like a different baby the baby's appetite had returned and she was almost back at her normal weight. She new looks like the very picture of health. There is another feature of the case. One of the doctors has A sent me in a bill for \$22!
