Had Bad Sore for Years

ZAM-BUK HAS HEALED IT! Mrs. Wilson, 110 Wickson-ave., Toronto, says: "About four years ago a sore spot appeared on the right side of my face. This spot increased in size until it became half an inch in diameter and very painful. I went to a doctor, but the ointment he gave me did not have any good effect.

"I know a lady in the east of the city, whose husband suffered for years with an open sore on his leg. On my recommendation, Zam-Buk was tried in that case. The other day, when I saw her, she told me that it had healed the sore completely.

Such is the opinion of all persons who have really tried Zam-Buk. It is a sure cure for eczema, piles, abscesses, ulcers, scalp sores, ringworm, cuts, burns, scalds, bruises, and all skin injuries and diseases.

GOOD ROADS BY-LAW

Hymeneal WINS. HUTTENAN. The hymeneal took place at St. Mary's R. C. church on Thursday, Oct. 21, at 8 o'clock in the morning. The bride and groom were Mr. and Mrs. Wilson.

SHEA - HUTTON. A pretty wedding was solemnized at St. Mary's R. C. church on Tuesday by Vicar-General Casey, when Miss Annie Hutton was united in the holy bonds of matrimony to Mr. Nicholas Shea, of South Ops.

FLETCHER - DAVEY. A very pretty wedding took place at Enterprise on Monday, Oct. 20th, when Lillian McDonald, youngest daughter of Mr. and Mrs. Geo. M. Davey, was united in marriage to William J. Fletcher, son of Mr. and Mrs. R. J. Fletcher, of Napanee, the ceremony being performed by Rev. E. Rowland.

Immediately after the ceremony the groom's brother, R. Wilson Fletcher, of Napanee, sang "Because." The wedding music was played by the groom's sister, Mrs. Geo. Couch, of Lindsay.

The bride and groom were unattended. A dainty wedding breakfast was served, after which the bride changed her wedding gown to her travelling suit of navy blue velvet, with velour hat to match, then the happy couple motored to Napanee with wedding party, and took the noon train for New York.

A CHALLENGE. Mr. E. Eames, Mariposa cattle dealer, and Mr. G. Dean, Oakwood's financier, who are the champion quiet throwers of Mariposa, are open for engagements and would be pleased to hear from a Lindsay team, the match to be pulled off at the Victoria county plowing match.

Educating the Farmer

In discussing the cost of living there is frequent reference to the farmer as the one who is to blame for the high prices. The Farmer's Advocate, of London, gives a little sarcasm over the matter of "educating the farmer" to the point where they will produce so much that the price will come down. It says: "Everybody knows our land is capable of producing twice as much as it does now, and with better crops there would be those prices a higher but for a nickel, and a larger crop for a quarter. Yes, the farmer needs 'educating'; there is no doubt about it. We must send more of our boys to the Department of Agriculture. A few more commissions might help. Hogstink is dear—let us begin best raising. Cheese exports are declining—whooop up the dairy business! The export bacon industry has gone to the dogs—send another commission or two over to Denmark to find out what is the matter. We need more sheep to consume weeds and furnish mutton cases like these.

Thanksgiving Personals from Omemee-Other News Items

Omemee, Oct. 20.—Rev. D. H. Currie occupied the pulpit of the Presbyterian Church on Sunday evening and delivered a Thanksgiving discourse, treating the subject from the sub topics: National, family and personal thanksgivings.
