LETTERS FROM OUR CORRESPONDENTS

MANILLA

Miss Jessie Alexander, the famous pianist of Toronto, will appear on Tuesday evening, Nov. 7th, at the auspices of the local lodge Oddfellows. She will be assisted by Miss Glendinning, violinist; Geo. Carter and D. B. McQueen, vocalists; and V. Coone, accompanist. This is a splendid array of talent, and the audience is sure to be crowded to the doors. Admission 25 and 15c. See program.

ELMORE, N. W. T.

There was a heavy fall of snow here last week. The threshing is not nearly done and Messrs Burke Bros. who have been busy with their mill all season, have been at a standstill on account of the storm. It will take till Christmas to finish. In some places the whole crop is buried under a couple of feet of snow.

There have been some splendid yields of wheat. Mr. Jos. Burke, formerly of Minden, had 38 bushels to the acre. His neighbors were not equalled that. One mill washed 29,735 bushels of wheat, 47,000 of oats and 466 of barley in 27 days.

Threshing out here is a fine job. Some think gravy has a different taste from what it has in Oakwood. Some say that potato water is all right in its place. Daddy holds his own.

SALEM—MARIPOSA

Miss Lila Mitchell of Lindsay spent Sunday at Salem, the guest of her brother, Mr. Alex. Mitchell.

Cinnamon & Everson seem to be doing the stove trade of Lindsay from the large number of sales they are making.

Miss Driver of Buffalo, N.Y., who for the past four weeks has been visiting friends in this vicinity, returned last week.

Miss Cornish of London, Ont., paid her sister, Mrs. A. Tremere, a flying visit last week.

Mrs. H. Demera of Hamilton spent Thanksgiving here, the guest of her mother, Mrs. Ramsey.

We are pleased to see Mrs. C. D. Johnston around again after a long illness of typhoid fever.

Paring bees are all the rage in this locality. On Thursday evening a very pleasant time was spent at Mr. Moses Gilson's. Also on the following evening at Mr. A. Tremere's. All enjoyed themselves immensely.

The usual quarterly meeting will be held in Salem church on Sunday, Nov. 5th. Service at ten a.m.

NO. 6 OPS

Mr. George Walker has accepted a position at Moon River. He left Monday evening to fill the engagement.

A spark from the kitchen stove coming in contact with some inflammable material caused a small blaze in Mr. A. McArthur's residence on Friday morning about two o'clock. Luckily it was discovered in time or a disastrous fire might have occurred. A few pails of water subdued the flames which had done only a small amount of damage to the wood work and furniture in the apartment.

Axle grease, 6 boxes for 25c, at Cinnamon & Everson's hardware store, Lindsay.

Mr. L. Milligan has taken a position at the Sylvester works, Lindsay.

Councillor Byrne and men have finished the cleaning out of drain No. 4 with the exception of a branch running between Messrs. Bryans and Sloan.

Mr. Wesley Dayell's home was made happy last week by the advent of a bouncing baby girl.

Mr. Jas. Roach sold to a Brockville horseman on Monday last a black Valentine mare for which he received a neat price.

ZION—MARIPOSA

Farmers are busily engaged digging turnips. Root crops in general are somewhat light.

Wm. Dennis has, we are informed, rented a farm near Little Britain. Mr. Osborne takes his place here.

Mr. Wellington Hoover has rented his farm to Mr. Byam of Pleasant Point, Mr. Hoover's intentions being to try the Prairie province.

Miss Beatrice Stokes, who spent the summer in Manitoba with her sister Mrs. J. Pogue, has returned home. As Beatrice is a general favorite her many friends will welcome her back.

Mr. John Rodman has nearly completed his driving-house, which is quite an improvement to his already homelike premises.

On Thursday last a large number of men gathered at Mr. Stokes' for the purpose of raising his fine barn. Although the weather was very threatening the sides worked well. The plates were nearly all in the beams when "Old Probs" advised Mr. McTaggart that it was time to stop to avoid danger and the men were easily convinced as well. Never mind, George, what can't be done one day can be done another, and you can rest assured that it will be an elegant structure when completed by such skillful workmen as Martin & McTaggart.

Axle Grease, 6 boxes for 25c, at Cinnamon & Everson's hardware store, Lindsay.

VALENTIA

Turnip digging is the order of the day here. Farmers report only a medium crop.

A wedding expected in the north

ward soon. Particulars later.

Mrs. Thos. Suggitt of Uxbridge, daughter of Mr. and Mrs. Jas. Mark, is visiting friends in this locality.

Revival meetings commence here on Monday evening of this week. No doubt there will be more horse trading for awhile now.

What proved rather an unpleasant experience to Master Arthur Swain. Alex. Obrey and another lad named Coots, on the eve of Janetville tea, will not be forgotten by them for some time at least. The boys started for Janetville just after dusk, and Arthur, who understands all about the waters of the Scugog, undertook to pilot them across, but after some hours hard work they found themselves in the river. They tried to get to shore, but in vain. At last giving up in despair they commenced to shout for help, when they attracted the attention of Mr. Jos. Breen, who kindly came to their assistance and got them to shore. The boys then started for home, but as they preferred the overland route they walked home little worse for their exciting adventure.

Cinnamon & Everson seem to be doing the stove trade of Lindsay from the large number of sales they are making.

JANEVILLE

You can save from \$3 to \$10 in buying a stove at Cinnamon & Everson's, Lindsay. Try them.

On Monday, Oct. 30, Mrs. Eadie presented her husband with a young daughter. William was so well pleased that he could not go to school that day. He had to stay at home to nurse.

Visitors are quite numerous around here at present. Miss Banks at Mr. Eadie's, Miss Hall from Rice Lake, Miss Staples of Lifford is at Mr. Howe's, Miss Graham and Miss Calwill at Mr. Merrill's.

Mr. Ashton has got a stone foundation completed under his residence and harness shop, which makes a great improvement to his place.

Mr. C. Armstrong is putting up a fine residence on Pearl-st., which will be a great improvement to that part of the town.

One of our young bachelors turned up the other evening to bring his best girl to a fowl supper but when he called for her he found she had another engagement which occupied her time. Well, after a good deal of driving around he got started for the supper, and not alone either.

Mr. Wm. Argue is engaged to teach the senior division of our school for the coming year, and Miss Sodan is engaged for another year. This will be the fourth year that Miss Sodan has been teaching here.

Lost: Three men, two teams of horses, and a threshing machine. Any person giving information that will lead to their recovery will be rewarded by a number of farmers of this section.

OAKWOOD

Those who attend the I.O.O.F. entertainment at Manilla on Tuesday evening next, Nov. 7th, can rely on a rare treat. The services of Miss Jessie Alexander of Toronto, the famous elocutionist, has been secured, and she will be assisted by such well-known local talent as Miss Glendinning, violinist; Messrs. Geo. Carter, and D. B. McQueen, vocalists; Miss V. Coone accompanist. For particulars see posters and small programs.

Granite ware.—A large stock of the best quality of granite ware just opened up at Cinnamon & Everson's hardware store, Lindsay, will be sold at bargain day prices. Call and see it.

If dame rumor is right there is some cause for instituting a detective agency with headquarters at Oakwood. Granaries, cellars, stores, hen-roosts, clothes-lines, and even woodpiles, have been objects of attack. How can such lawlessness be permitted by so virtuous a people? When the guilty parties are found it is to be hoped they will not be whitewashed.

SMOTHERING SENSATION.

A Kingston Lady's Experience with Milburn's Heart and Nerve Pills in Relieving this Distressing Condition.

"I have suffered for some years with a smothering sensation caused by heart disease. The severity of the pains in my heart caused me much suffering. I was also very nervous and my whole system was run down and debilitated. Hearing that Milburn's Heart and Nerve Pills were a specific for these troubles, I thought I would try them, and got a box at McLeod's Drug Store. They afforded me great relief, having toned up my system and removed the distressing symptoms from which I suffered. I can heartily recommend these wonderful pills to all sufferers from heart trouble. (Signed) MRS. A. W. IRISH, Kingston, Ont.
