 a young lad named Coty drove down to
 the river to give it a drink. He drove in
 too far, however, and losing control of
 the animal it was drowned before assist-
 ance arrived. Mr. Baker was offered and
 refused \$150 for the horse a few weeks
 ago.

Victoria County Creamery

The directors of the Victoria County Creamery have decided to shut down for one week, in order to make necessary improvements and to give farmers who desire to do so, an opportunity to make dairy butter for home consumption. The Creamery will therefore be closed from Monday next until Monday, Nov. 13th.

A Successful Tea

Despite the rain, a good crowd attended the supper and entertainment in connection with the Queen-st. Methodist church last Thursday night. The tables were set with the most tempting victuals and it took two hours to serve those who sat down to them. Shortly after 8 o'clock the evening's program was begun in the audience room and was very enjoyable. The choir sang exceptionally well. In the solo "Babylon" Miss Aggie Coburn did herself great credit, as did Miss Maggie Mitchell in "Thanksgiving." Rev. R. H. Leitch of Fenelon Falls was the speaker of the evening. From the words "Queen Street Church" he drew various suggestive lessons. Loyalty and the ways in which it may be evinced with final application to church matters was the thread of the discourse which was delivered in the speaker's pleasing style and was closely followed by the audience. The net proceeds were \$40.

THOMAS BEALL.

A Few Facts from the Oak Front Grocery.

I don't wish to spend money boring the public with puff advertisements, as some firms do, but I will say that we buy nothing but the best goods from the best houses, and pay cash for them, thereby securing the lowest possible prices. Therefore I can give you first-class goods as cheap, if not cheaper, than you can buy second-class or old goods elsewhere. Our trade is growing every day. Why? Is it built up with flashy advertisement? No! It's won by fair dealing and good goods.
