NO YOTE FOR THE REFUGE Sonya, Sundayed with their mother, at noon was also good and delighted the little folks.

(Continued from page 7)

THE HOUSE OF REFUGE. Through the kindness of council we are able to publish a report of the debates that took place in the committee on Finance.
One of them will be found elsewhere under
the heading "Taxing the Railways." That

Refuge question was reached.

Mr. Geo. Johnson—I am sorry the matter has come up at this time. We discussed it before and some of us had our hands tied then by our constituents. We are in precisely then by our constituents. We had better let the same position still. We had better let it stand for a time till the people get more it stand for a time till the people get more it stand for a time till the well to visit information. It might be well to visit

voted against the Refuge cannot now favor doing anything with it. It is putting by Rev. A. B. Chambers and others. us in a very embarrassing position. My personal opinion is that in some ways the Refuge might serve our purpose; but I do not think the poor are taking any harm as it is and are being taken care of at much less cost than they would be in a refuge.

N. Fauning, He has built a fine new of the poor are taking any harm as summer by our hustling citizen, Mr. I have been improved very much during the summer by our hustling citizen, Mr. Fauning, He has built a fine new of the poor are taking any harm as summer by our hustling citizen, Mr. Fauning, He has built a fine new of the poor are taking any harm as summer by our hustling citizen, Mr. Fauning, He has built a fine new of the poor are taking any harm as summer by our hustling citizen, Mr. Fauning, He has built a fine new of the poor are taking any harm as summer by our hustling citizen, Mr. Fauning, He has built a fine new of the poor are taking any harm as summer by our hustling citizen, Mr. Fauning, He has built a fine new of the poor are taking any harm as summer by our hustling citizen, Mr. Fauning, He has built a fine new of the poor are taking any harm as summer by our hustling citizen, Mr. Fauning, He has built a fine new of the poor are taking any harm as summer by our hustling citizen, Mr. Fauning, He has built a fine new of the poor are taking any harm as summer by our hustling citizen, Mr. Fauning, He has built a fine new of the poor are taking any harm as summer by our hustling citizen, Mr. Fauning, He has built a fine new of the poor are taking any harm as summer by our hustling citizen, Mr. Fauning, He has built a fine new of the poor are taking any harm as summer by our hustling citizen, Mr. Fauning, He has built a fine new of the poor are taking any harm as a summer by our hustling citizen, Mr. Fauning, He has built a fine new of the poor are taking any harm as a summer by our hustling citizen, and the poor are taking any harm as a summer by our hustling citizen, and the poor are taking any harm as a summer by our hustling citizen, and the poor are taking any harm as a summer by our hustling citizen. The interest and wages would be more house and shop, which, together with then double what we are now paying.
Many poor people would dread being dragged from their humble cots even to go into a fine institution. Moreover you are

was long ago made up. I was and am devil at their head for the souls of thoroughly convinced that we should have the Refuge. One proof is that our expenses for charity are greater every year. Now is evening is, "Is life worth living," and a good time to build. Money is plenty; no doubt it will be worth hearing. times are good. Even tarmers are not complaining. Interest is low; we can float bonds now better than ever before. The A. Fanning, purchased no less than people are in a mood now for this expendipeople are in a mood now for this expendenture. The instances recited by the warden are painful examples of our poor people and these will increase every year. There and these will increase every year. There is now an indigent in our jail who should have a more suitable home. I hope the legislature will soon enact a law making it words he will "dispose of all a dispose of all illegal to put such persons in jail at all.

sonally I was in favor of the Refuge last and robes will go the same way, cash, session, but will not go in opposition to my cattle or horses. Mr. Fllis-Fenelon would support the by-

law now. Many are sorry that they opposed it last time. Warden Bryans-I know 50 people who have changed their minds since the last

Graham-I am of the same would hesitate to crowd it on the people. uniform high prices prevailing throughou We want it to carry, but do not want it to the has year been highly acceptable to the appear that we are determined to press it patrons. The importance of the dair against the people's will. If letting it industry as a valuable adjunct to agricu I will gladly vote to let it stand. Perhaps ture is becoming more and more full it will be a good thing to do. I am not realized by the farmers of this district.

ly be voted on in January and if this is amounts received by each patron, an brought on to, the prospects of both may

find out public feeling and I believe it will \$400 and over. It is safe to say that the carry. Many have changed their minds. better amounts will go far to stimulate the The best time to take the vote is when new smaller contributors to extend the members are being elected so January will that this county should do its duty with corresponding sums for their season regard to charity and take good care of its operations. The larger the out-put t poor and aged. Let us have the vote and cheaper the cheese can be turned ou if it is defeated again that settles it.

Mr. Channon's motion that no action be now taken was carried.

SATURDAY.

Council resumed at 10.30 on Saturday the county of York that delegates be sent price per lb. of cheese, 101-10c.; drawing warden, were appointed.

THE BRIDGE BY-LAW.

sure of its justice to press it against so \$2,313 66, an increase over last year of strong opposition.

good will toward the aged and afflicted followed on the wisdom of putting in a treasurer, Mr. Matchett, was read by Mr. Bailey, seconded by Mr. Switzer, and unanimously carried.

THE CANADIAN CONTINGENT

Another resolution dealt with the Canadian contingent sent to Africa, now known as the Second Battalion of the 100th Prince | lar maker Mr. John Reid. of Wales' Royal Canadian Regiment. The last clause read as follows: We express our thanks to Lieut.-Col. Hughes, the officers, non-commissioned officers, rank and file, of the Victoria battalion who so promply volunteered to serve in the contingent and we feel confident that when they are called upon to meet the enemy their conduct will spent Sunday with his family at the be creditable to the Dominion of Canada Falls. and the county of Victoria. The committee on Finance presented its report. Its recommendations on the taxation of railways and the House of Refuge have already been spoken of.

At the request of the Prisoners' Aid Society council endorsed the proposal that the government make a small grant to assist in maintaining a ward for inebriate paupers at the General Hospital.

A congratulatory address was presented to the warden while Dr. Wood occupied the chair. Council then gave an alleged rendering of the national anthem and been employed during the summer. homesteads in Ontario. adjourned.

LETTERS FROM

CORRESPONDENTS

WOODVILLE

A meeting of the creditors of T. W. Dodds, general store of Woodville and Osk Lake, Manitoba, was held Tuesday afternoon in the office of Henry Barber, the assignee, Toronto. The liabilities are \$12,327.17, and assets, consisting of stock, are \$8,200. It was decided to wind up the estate and the stock was sold at 56 cents on the dollar.
