Hymenial

O'Brien-Bell

On Wednesday evening, Odessa, eldest daughter of Mr. Jas. Bell of the north ward and Mr. Albert O'Brien were married at the residence of the bride's parents.

Rev. Thos. Manning, B. A. performed the ceremony during which the bride was attended by Miss Emily Walton, and the groom by Mr. Marshall Bell, the bride's brother. Little Edna Duffy cousin of the bride, was maid of honor. She carried white caryanthemums. Miss Gertrude Bell played the wedding march.

The bride was clad in white silk organdie and carried caryanthemums and carnations as did her maid who wore a similar material trimmed with Valenciennes lace.

The parlor was decorated with flowers and autumn leaves, and the happy pair pledged their troth beneath a floral bell. Many happy days.

L. C. I. Notes

The weekly concert of the literary society was held on Friday. The hall was well filled to hear the splendid programme which was to be given.

Mrs. Scott-Raff and Miss Walton who were present favored us with selections. Miss Walton possesses a fine soprano voice, very clear and sweet, and her selections were highly appreciated. Mrs. Scott-Raff gave a short talk on the value of physical culture concluding with a recitation. Mrs. Scott-Raff deserves in every way the high position as elocutionist she has attained in Canada. Her style is perfect and her rendition could not be improved on. Miss Alice Beall favored us with a pretty instrumental solo and to Miss Edna Beall we are indebted for the violin solo which was so heartily appreciated by one and all. The selection given by the L. C. I. Glee Club formed a fitting conclusion for such a meeting and added decidedly to the value of so good a programme. The program committee are certainly to be congratulated.

We were very much pleased to see so many visitors on Friday and are sure they all enjoyed the excellent program. To one and all we say, "come again for you are heartily welcome."

We must thank the Board of Education for so kindly granting our petition for the use of the Assembly Hall once or twice in the school year for social evenings for the students. The need of such an evening has been long felt and at last we have gained our point, it remains to be seen the good use we will make of the privilege granted us.
