There may be other newspaper premiums, but certainly those being distributed to subscribers of the Family Herald and Weekly Star, of Montreal, this year, are the finest we have ever seen. "Alone" and "Purity" are the titles and are easily worth many times the price asked for that great paper and pictures combined. The pictures are enclosed in large straw board cases, two feet long, and reach the subscribers in perfect condition. The mails every day are full of these straw board cases, which have caused a great deal of speculation as to what they contained.

An Explanation—"C. R. Co." Rubbers are rubber shoes MADE IN CANADA by The Canada Rubber Co. "Do you wear rubbers? If so, wear rubbers with a reputation." "C. R. Co." rubbers have stood the test of half a century. Fit and style speak for themselves. A bewildered partridge flew through a window of Dr. Muldrew's residence in Gravenhurst last week, and broke its neck at the same time. The tongue of a farmer's wagon poked the upperworks of the fountain yesterday, and broke the main pipe with the result that the sidewalk was deluged for quite a time.

Little Local Lines

"C. R. Co." rubbers are the most tasty and best constructed rubber shoes in Canada. If you value comfort and wear insist on your shoe dealer supplying you with this brand. Mr. C. B. Graham, late manager for the Gas Company, left town last week to take up construction work for the company at North Bay. Mr. G. A. Smith, of Toronto, succeeds him. On Friday night an old frame building on York-st. south was burned. It was owned by Mr. Frank Curtin and was once Dr. Fidler's office but had been unoccupied for some time.

Why do I wear "C. R. Co." rubbers? Because they fit properly and wear better than any other rubber shoe in the market. You can not afford to be without a pair if you value your health. There are special bargains in millinery, dress goods, mantle cloths, trimmings, etc., at Miss Mitchell's. Best of attention is given to dress and mantle making and fancy work. MISS MITCHELL.—45-ft.

Coronation Choir To-Night

The Coronation Choir Party from Westminster Abbey, London, England made a complete conquest of their audiences everywhere which is sure to be the case when they visit here. The boy sopranos are most remarkable little chaps naturally boyish but possessing the voices of angels. The male singers who are the leading lay vicars of the Abbey Choir are very cultured gentlemen as well as thorough artists and the concert vocalist Madame Marie Hooton is a lady of great personal charm as well as delightful voice. They have been greeted with crowded houses wherever they have appeared. Speaking of their appearance in Massey Music Hall the Toronto Mail and Empire says: "The programmes presented yesterday, consisting of madrigals, glees, part songs and old English, Scotch and Irish ballads of the nineteenth century, and the latter part of the eighteenth, were selected with excellent judgment, and proved of interest alike to the average auditor as well as to the student of music, for which they possessed a special charm on account of their classic and historic value. Madame Marie Hooton who contributed several numbers during the afternoon and evening added to the eminent reputation she already enjoys as a concert contralto of the first rank." This choir will sing at the Cambridge Methodist church this (Thursday) evening, under the auspices of the choir of that church. No doubt to those who can enjoy good singing this event will afford a great treat.

Hymenal

HENLEY-ASHBY On Wednesday last the home of Mr. and Mrs. Richard Shirer of Brock near Cannington, was the scene of a pretty wedding, when Mrs. Shirer's sister, Miss Alberta Ashby of Detroit, and Mr. William Henley of this town were married. Rev. W. Down of Wilfrid, performed the ceremony in the presence of about forty guests. The bride's gown was of pearl grey silk with applique and chiffon trimmings; her bouquet was of white roses. Miss Rainie of Woodville was her maid. She was clad in grey silk organdie and carried roses. Little Annie Warville, the pretty maid of honor, was dressed in pink. Mr. Herb Henley of Toronto, the groom's brother, and reception were held and the same evening Mr. and Mrs. Henley drove to their new residence on Peel-st. Many happy days.

McCARELL-McCARRELL

The home of William J. McCarell, concession 10, Fenelon township, was a point of attraction for friends and neighbors on Wednesday afternoon, October 29th, 1902, when the second daughter, Marietta, was married to Charles Wilbert McCall of the township of Cavan. At four o'clock in the presence of Albert McCall, brother of the groom and Miss M. J. McCarell, sister of the bride, as witnesses, and a goodly number of relatives and friends, the ceremony was performed by Rev. M. W. Leitch, B.A., pastor of the Methodist church, Dundasford. The bride was becomingly attired in a dark blue gown, trimmed with white silk and applique, while her sister in a suit of dove grey with silk and cream lace trimming made a charming bridesmaid.
