Church Notes

-Rev. J. W. Macmillan preached to a large audience on Sunday night ment down into which one could go last, about Moses the man of God. The constructed rubber and best-constructed rubber reported that the G.T. R. authoritied Moses was declared to have been a reported that the G.T. R. authorities man of obedience, power and piety. "to so tower above one's fellows as were of the same spirit. Pres. Flareceived his Coronation decora- would show that the company was like rain of sand, the stone that marks their resting place turns back to dust." Moses, however, was one of those, and is known by a title so meekness of Moses was the product that rose from his powerful nature in subjection. It was not the meekness of "some spiritless, colorless, draft-horse, bovine sort of man, whose blood was not red and who had not the power of passion." His nature was a tempest. He killed the Egyptian has been engaged as second engineer and if he had not been of the spirit to do that, he never would have delivered Israel from bondage. Speaking of the ancient and modern con--Miss Ethel McLean and Miss Mary ception of God, Mr. Macmillan de-Fitzpatrick were in town on Satur- clared that the ancients believed that -Dr. Chambers of Oakwood is re- the thunderstorm, was God.
