OAKWOOD

Mr. John Emerson and wife visited S. Washington Sunday. Mr. J. Dames of Toronto was home over Sunday and visited friends and others.

The Misses Jacket, dressmakers, have again taken up quarters in the western division of Mrs. Hughson's house.

Mr. Wellington Tait has commenced his term of apprenticeship as carriage-trimmer with D. Sinclair of Lindsay.

Municipal council met in the town Hall Monday and apparently it was a busy day for the fathers. Quite a large number from all over

the township attended Mr. W. Silverwood's extensive sale of feeding stock last Thursday, all of which sold at a very fair figure.

The 297th anniversary of the Gunpowder Plot was duly celebrated on Wednesday evening of last week when Mr. G. Fawkes was burned in effigy by the juvenile population of the town.

Last Sunday, Rev. Clare, Methodist pastor made very strong appeals in behalf of temperance cause. The discourses in the main was a discussion of the influence of the saloon on the family which was frequently exemplified by narrators. In the course of the sermon the speaker said that the present government by its dealings with the liquor question merits the contempt of every honest man. The Branch Alliance is beginning to warn up for a brief campaign.

Rev. Webster has been enjoying a few weeks vacation. During the time his pulpit has been filled by Mr. McKenzie, a student from Toronto.

The public library received a few weeks ago from the Department of Interior a large and ornamental map of the Dominion. When put together it will cover a wall in the building.

Dr. Chambers, who was seriously injured last week by a fall from his broncho, is improving slowly. He is still at Mr. Rich's dwelling on the 10th. It was discovered that he had his collar bone broken, and a few ribs fractured besides other internal injuries. Dr. E. G. Smith of Toronto is taking his practice for the present at least. This gentleman, who has lately returned from India gave a temperance recitation in the church Sunday evening. Probably arrangement will be made with the doctor to give a missionary lecture during his sojourn here.

Quite a number were in the village Tuesday attending court in connection with a drain in the north of the township.

FRANKLIN

The weather for the past week has been all that could be desired for taking in the root crop. Plowing is behind with many.

J. Lytle and wife leave this week to spend the winter in Toronto.

Rev. Mr. Robeson pastor of this circuit, preached a very able temperance sermon in the place Sunday.

Mr. Wm. Carr lost a span of horses in the past two weeks. One of them was a valuable mare.

Mr. J. Murphy, one of the oldest settlers in this part, died on Monday in his 78th year. He was always a very healthy, strong man, but when taken sick lasted only a few days. He was twice married and leaves four grown children to mourn his loss. His remains were interred on Wednesday in St. John's cemetery, Cavan. He was a life-long Orangeman and also a Conservative.

Negro's Kicking Hair.

A boy big enough to have reached the subject of races of men—not horses—in his geography class was asked to describe the negro. His answer, "The negro has kicking hair and protruding lips," showed that he had at least heard the teacher when she spoke of the "kinky" hair and "protruding" lips characterizing his dark skinned brother. His answer really was not so funny as the remark made by a woman who in speaking of her sister said feelingly, "Oh, she's all misconstrued, so we had to take her to the hospital for a performance."

Her Saving Way.

Mrs. Scale Downie—I will have to get another girl, though only temporarily, perhaps a month or so.

Mr. Scale Downie—Three dollars more a week and board! What do you want an extra girl for?

Mrs. Scale Downie—I have found out how to make just the loveliest little hanging cabinet you ever saw at a cost of only \$2, but it will take me several weeks to do it.
