An important letter from Mr. H. G. Wade, of the Dominion Shorthorn Breeders' Association appears in the Family Herald and Weekly Star of Montreal this week. It reads as follows: "It has been my privilege to read for a number of years from time to time, the farming papers not only of our own country but of the United States and Great Britain, and I beg to say that the agricultural news in the Family Herald and Weekly Star is alone worth many times the subscription price. Your agricultural editor is a good one and he appears to be thoroughly versed in all agricultural matters." Signed, H. G. Wade, Office Registrar of Live Stock, Toronto. Mr. Wade accompanied his letter with a year's subscription, one dollar. The Family Herald and Weekly Star is recognized as the best agricultural paper in America and as a family paper it excels in every department.

Messrs. Sandford and McIntosh are succeeding splendidly in their creamery. Under the able management of Mr. Wm. Ayres of Lindsay is doing first-class work. The establishment is the first of its kind in our village and we are pleased to see it a success like all the many other branches of the large and extensive business of this prosperous firm. We omitted to say last week that in addition to the large number of deer shot by our hunters, Mr. G. Whissle shot a young bear. The venison was very fine this year and the scribe has to thank Mr. Geo. Wilson and Mr. Geo. Whissle for some very fine cuts which were very acceptable.
