Sir Wilfrid Laurier's Significant Remarks About It.

When Sir Wilfrid Laurier was at Blackwater on his way to speak at Orillia during the recent campaign he was met by Mr. Geo, Grant who was the Liberal member in the last parliament for North Ontario. Mr. Grant who by the way is again the member, introduced to Sir Wilfrid Mr. Hoyle, the Conservative member for the same riding in the provincial Legislature.

Sir Wilfrid supposed that Mr. Hoyle was a Liberal and hence spoke quite freely to him of the political situation in the province.
