

THE GRIT ROAD TO LIFE SITS IS IN BEING CANDIDATE HERE

Mr. McLaughlin Named for His Reward - One Man was Not Afraid of Conservative Split

Editor Watchman-Warder. Sir—Now that the din of the battle is over and the smoke cleared away, there are some people who want to know how we got over that schism or rift that parohy said would engulf Sam. Hughes, and all his followers on election day. For my own part—and there were others as deficient in vision—I could never discover the danger, although warned by people who used powerful magnifying glasses, that such was the case. Nevertheless I always contended that it was only a slight flaw in the metal that was not dangerous.

Then there was that packed convention that almost sent some peevish into hysterics. I wonder if the same parties have been stuffing the ballot boxes. I think they must have. Then there was that load we were starting with if we nominated Sam. Well, we did nominate him, and if we never have a heavier burden imposed on us we won't grumble at the load. It is not often that the people have the privilege of the polls of doing a good turn to both candidates, for whilst the colonel is elected to a seat at Ottawa for four or five years, it is up to the premier to find a seat for Mr. McLaughlin, and I know he shall do it, not for the short term of a few years, but for his natural lifetime. Just look; four years ago Dr. Vrooman defeated Geo. McHugh at the polls; to-day McHugh owns a seat for life—no election contests—whilst the doctor is gormy-mandered out of his constituency for good. If these Lindsay gentlemen don't quit bucking up again, the Conservative candidate of Victoria county, Lindsay will have more citizens judges and senators than any place of its size in the province.

DEER HUNTERS. There has been the usual number of sportsmen going back to the north part of Digby and Dalton and the township of Longford. Some of them came in for the first of the open season, but a large number of them the day after the election.

THE ROAD SYSTEM. If the county system—or rather the want of system—of good roads is as reported in the Lindsay papers, then the sooner the thing is knocked on the head and buried the better. It would only be squandering money. If the county commissioners want to inaugurate a system of good roads in the county, the end cannot be achieved by parceling out the money the way they talk about it. Let them build the leading roads, the arteries of the county, the money was raised in, and then the concessions and sidelines afterwards. This is the only proper plan. Having a patch here and another there of good roads is wasting money in the first place, and then the county must keep those patches in repair all the time. Bosh!

JAMES MCCAUGHEY. Upland, Nov. 7th, '04.

JANETVILLE. Mr. I. Feir will begin to run his chopping mill every day except Saturday from now on.

VALENTIA. The annual Thanksgiving fowl dinner and lecture in connection with the Methodist church of this place will be held on Thanksgiving Day, Nov. 17th. Tea will be served from 4 to 7 p.m., followed by a choice program and lecture by Rev. E. B. Lancelley of Port Hope. Admission 25 and 15 cents.

OMEMEE. The Hughes demonstration brought quite a number into our village on Monday night. The procession was headed by the Peterboro band, which was quite a drawing card, as we have not had a band here during the last three years. There were a very large number of ladies present, and everything passed off in a quiet and orderly way, and broke up at an early hour. The band returned at 9.50 on the flyer. The Pauline Johnston and McCrae entertainment promises to attract a large crowd on Monday evening, November 14th, under the auspices of the Presbyterian church. They will appear in an entirely new roll. The anniversary services in the Presbyterian church passed off successfully. The collections and donations amounted to about \$175. The Rev. Mr. Whitelaw assisted the Rev. Mr. Langfield of Peterboro, but formerly an Anglican pastor in this village, at an Orange concert in Peterboro on November 5th.

CURE FOR CONSTIPATION. Sick Headache, Biliousness, Dyspepsia, Coated Tongue, Foul Breath, Heart Burn, Water Brash, or any Disease of the Stomach, Liver or Bowels. Laxa-Liver Pills are purely vegetable; neither gripe, weaken nor sicken, are easy to take and prompt to act.

BETHANY. The annual supper and concert given in the Methodist church on Monday evening was a great success. One of the most interesting items on the program was the burning of the mortgage. The beautiful edifice built just four years ago is completely paid for and over a \$100 is left in the treasury. Mrs. Oviets of Chicago and Miss Graham of St. Thomas, are guests at Dr. C. H. Breton's. Mr. and Mrs. Griffin of Burnt River, are at Mr. Griffin's. Miss M. Rolfe of Fraserville and Miss E. Richardson of Lindsay, are at Mrs. Staple's. Mr. and Mrs. Galbraith of Port Hope, are the guests of Mr. Porteous. Mrs. Edwards of Manilla, is visiting at Mr. Cane's. Rev. Dr. Metchin of Toronto, is a guest at the parsonage.

WOODVILLE. Political interest and excitement has now subsided. This little town went wild over Col. Hughes' success on Thursday last. Keep in mind the much-anticipated concert here on Nov. 22nd, given in the town hall by the famous Canadian Jubilee Singers and Imperial Orchestra. This will be a rare treat, and something which we may not hear again. They have been applauded in a host of towns and cities through Great Britain, Canada and the United States. Miss Minnie Campbell spent a few days among Orillia friends last week. We are pleased to learn of the improvement in Mr. John McPherson's illness. Rev. Mr. Peckover of Sunderland, conducted services in the Presbyterian church on Sunday. Large congregations were present. Mr. Byron Switzer has gone to Parry Sound. Mr. McDougall of Toronto, visited his sister here last week. Mrs. McNaughton of Cobourg addressed the W.F.M.S. in the Presbyterian church on Wednesday last. The meeting was very interesting. Miss Dracey Grant and Mrs. Ego rendered solos, and after the meeting a social hour was spent. Miss Marguerite Hett, bookkeeper with the Sylvester Manufacturing Company, Lindsay, spent Sunday with her friend Miss Mattie McEachern. Miss Henderson of Toronto, visited Mrs. I. Edwards last week. Mrs. Mennish of Brockville, was the guest of her daughter Mrs. Kanna-win. Miss Sadie McKay of Glenora, visited her sister, Mrs. J. Murchison, last week.

November Weather. Irl Hicks prophesied lightning on the 5th of this month, and that was to be followed by cold with snow flurries in the north. Well, the lightning didn't show up, unless it came at night when none of us were up, and it's "not so cold" as Irl thought it was to be; but after all it froze half an inch of ice one or two nights recently. There was a new moon on the 7th, and milder weather with rain was expected and snow following till now (the 10th) when heavy gales were to sweep from west to east. Then some nice weather is to bring us up to the 12th, when another storm period lasting till the 16th is one the books. Beginning with rain, the period develops cold and snow. This storminess is likely to extend more or less till within 6 days of the end of the month, and on these days there are to be dangerous wintry storms of sleet and snow with frost.

It Must Be. They say that all the world's a stage, And it's a fact, All girls, regardless of their age, Think they can act. No Proof There. "Do you think the good die young?" "I doubt it. You look healthy." PERT PARAGRAPHS. Many a woman could make a fortune if she had the face to do it. A man may seem and be a villain, but he cannot hold his job as one on the stage if he does. A man feels complimented to be called a "sly dog," but just try "deceitful puppy" on him once. Gray hair is seldom caused by intellectual effort.
