# The Peterboro Stock OF J. SUTCLIFFE & SONS

sonable Dry Good

No old Stock, but new Merchandise bought for this season's trade and being sacrificed at priced it was not made to sell at.

# on Sale at the Lindsay Store ad surrounding district.

Before deciding to discontinue business in Peterboro, we had placed large orders with many large manufacturers, both in Europe and this country, for fall goods of the various kinds demanded by our trade. These orders we were unable to cancel owing to their being already in the course of manufacture, and being made especially to our order there was nothing left but to have them shipped as per the previous arrangements when the orders were given. The incoming of these is partly what delayed our shipping the stock here at an earlier date as we had intended doing.

We have sold the lease of the Peterboro store and have moved the entire Peterboro Stock here—two carloads in all—including the New Fall Goods ordered for there. We have not room for it in our store as our present large stock taxes our space to the utmost and this event means an additional ten thousand dollars worth of stock to be disposed of as quickly as possible for in four weeks more our Christmas purchases will be rushing in. Now everything points to this immense sale as the way to clear out the surplus stock, and we have therefore cut the prices to the very lowest. DO YOU WANT anything for yourself? anything for your family? anything for your home? the smallest need possible. This store will save you more money than you had counted on and give you the very best qualities to be had.
