S.S. and Y.P.A. CONVENTION
HELD IN BOBCAYGEON ON TUESDAY OF THIS WEEK.

The Annual Convention of the Sabbath Schools and Young People's Association of the Presbytery of Lindsay was held in Bobcaygeon on Tuesday, November 5th.

Beautiful for situation is Bobcaygeon, and the hospitality of the people of that delightful town was very evident to all who attended the gathering.

The President, Rev. N. D. Keith, of Wick, presided at the meetings, and his genial manner had a good deal to do with the success of the convention.

Thirteen Sabbath schools and seven Young Peoples' societies reported. These reports on the whole were cheering, some of them were especially encouraging. It is to be regretted that a good many schools and societies did not report.

The convention opened at 3 p. m. and after devotional exercises, the reading of the minutes of last year's convention, the Rev. J. C. Robertson, of Toronto, conducted an "Institute on Sabbath School Work."

Mr. Robertson as General Secretary of Sabbath Schools is the right man in the right place, and the information given and the discussion provoked were much enjoyed. The Rev. A. E. Armstrong, of Toronto, Asst. Secretary of the Foreign Mission Committee, spoke on "The Young People and Missions" in the afternoon, and in an interesting manner showed how the formation of Mission Study classes would help the spiritual life of the young people.

In the evening session the Rev. Mr. Robertson followed up the same line as in the afternoon, especially dwelling on "The Relation of the Sabbath School to the Home and the Church," and Rev. Mr. Armstrong spoke on the missionary movements of our churches, particularly emphasizing the Young Peoples' Missionary Movement.

The addresses by Mr. Robertson and Mr. Armstrong were much enjoyed, and those absent missed a treat. The treasurer's report showed the finances to be in good condition, all accounts paid, and a bal-

ance in the treasury. Quite a number of schools and societies have not yet paid their annual fee of one dollar to the Association. It is to be hoped all will do so at once.

The officers for next year are: President, Rev. H. D. Leitch, Bobcaygeon; 1st vice-pres., Mr. George D. McMillan, Greenbank; 2nd vice, Mr. H. Baldwin, Sunderland; Sec.-Treasurer, Mr. Thos. H. Watson, Sonya; committee, Mr. J. Milne, Creswell; Mrs. Brown, Cannington; the Presbyter's Convener of Sabbath schools, the Presbyter's Convener of Young Peoples' Societies.

The place of meeting next year is St. Andrew's church, Beaverton.

TELLS HOW TO PREPARE A SIMPLE MIXTURE TO OVERCOME DREAD DISEASE

To relieve the worst forms of rheumatism, take a teaspoonful of the following mixture after each meal, and at bedtime.

Fluid Extract Dandelion, one-half ounce; Compound Kargon, one oz.; Compound Syrup Sarsaparilla, three ounces.

These harmless ingredients can be obtained from our home druggists, and are easily mixed by shaking them well in a bottle. Relief is generally felt from the first few doses.

This prescription, states a well-known authority in a Cleveland morning paper, forces the clogged-up, inactive kidneys to filter and strain from the blood the poisonous waste matter and uric acid, which causes rheumatism.

As rheumatism is not only the most painful and torturous disease, but dangerous to life, this simple recipe will no doubt be greatly valued by many sufferers here at home, who should at once prepare the mixture to get this relief.

It is said that a person who would take this prescription regularly, a few times a day, or even a few times a week, would never have serious kidney or urinary disorders or rheumatism.

Cut this out and preserve it. Good rheumatism prescriptions which really relieve are scarce, indeed, and when you need it, you want it badly. Druggists here say they will either supply these ingredients or make the mixture ready to take, if any of our readers so prefer.

William E. Ryan, of Toronto, who was injured in an automobile accident at Colborne, had his left leg amputated.

Y.M.C.A. ROAD RACES

LINDSAY WARNER WON BOYS' RACE. PERCY MENZIES WINS SENIOR.

The first (but not the last it is hoped) of the Y.M.C.A. road races took place on Thanksgiving Day.

In the Boys' Race there were eleven starters. This event was won by Lindsay Warner in 15 min., 12 seconds—a promising record,—and this young fellow will likely be heard from again. H. Begg came second, Ir. Connell third, H. Menzies fourth, R. Stevens fifth, R. Ranton sixth.

The senior event was not done in such good time. Percy Menzies took first in 35 minutes, G. Preston was second, J. McCamus third, S. Touch-born fourth and Percy Brown fifth.

The events were very interesting, and much credit is due the Y.M.C.A. for entering.

The officials were: Starter, Col. Sam Hughes; judges at finish, Col. Hughes, Dr. White, A. J. Campbell; timers, Geo. Rielly, J. J. Thompson; clerk of course, Nelson Hart; judge at turn, K. Lawrence.

The prizes will be presented Monday evening at the reception to the Sylvester staff. At this reception there promises to be a splendid time. A bowling tournament is scheduled, also potato race, obstacle race, basket ball between the long and the short fellows, and other interesting features. Admission is by ticket, but tickets are free to Sylvester employees.

Peterboro Rowdies

The Examiner on Friday had a timely editorial headed "Advertising Peterboro," and pointing out how the success of Peterboro's sports in various lines benefited the city by advertising it. The Watchman-Warder desires to call attention to the fact that Peterboro is getting another class of advertising that is decidedly hurtful. We refer to the impressions created by the tough, rowdy element (such as came here from Peterboro on Thanksgiving Day). This element advertises Peterboro as a city of ignorant young men of the lowest class—vulgar, mouthy, noisy rowdies. It is up to the press of Peterboro to educate its "outraged" fry. They should be taught the fact that lack of decency, lack of sense, and a profusion of ignorant noise are simply evidence of lack of training, and inherent poor breeding.

The gang here on Thursday were a disgrace to their city—to any city; as well as annoyance to the town they visited. Surely certain small respect and courtesy is due to a town which they visit.

Not only did the Peterboro toughs create disturbance here, but further performance was indulged in on the train. Three fellows got into a dispute regarding the payment of their fare and battered up the conductor and the brakeman. In this connection Lindsay may be pardoned for feeling pleased that one of these fellows was fined \$95, another \$75.

INSURANCE MEN MEET

MEETING AND BANQUET ENJOYED. MR. S. J. FOX, M.P., ONE OF THE GUESTS.

An enthusiastic meeting of the Central Ontario Life Underwriters' Association was held on Tuesday evening, Lindsay was especially well represented at the meeting, and representatives were also present from Toronto, Uxbridge, Orillia, Millbrook, Peterboro and other points.

The members, after completing the routine business, retired to the dining hall and partook of a sumptuous repast, after which toasts were proposed and responded to by W. B. Milne, General Secretary of the Canadian Association; Mr. Fox, member for Victoria, in the Provincial Parliament; Mr. F. C. Taylor and several others.

Arrested in Peterboro

The Peterboro Examiner of Monday has the following:

Ellis Quackenbush was arrested today, and will be held here until an officer arrives from Lindsay to take her in charge. Chief Roszel received a communication from Chief Vincent giving a description of the woman. She is wanted in Lindsay on the charge of having obtained goods to the value of \$6.95 under false pretences. She has been absent from Lindsay for three months.

Thursday or Monday

To the Editor of the Watchman-Warder:

Sir—There is a serious objection to holding Thanksgiving on a Monday. I visited the 20 departments of the Lindsay Public Schools on Friday, and found two departments taught by substitutes in the absence of the teachers. I also saw Collegiate Institute pupils on the street at 3 o'clock because they had been dismissed early for reasons known to the teachers. One pupil had travelled over 30 miles to be at school Friday, and she might as well have stayed where she was.

If Thanksgiving were held on a Monday, the teachers, who now take the Friday would probably want the four following days, and the children would lose a week instead of two days. Trustees object to the raising of salaries and teachers object because there are so few holidays.

Inspectors in Conference

A meeting of the inspectors in the public and separate schools in the northern districts was held at the Education Department yesterday, Rev. Geo. Grant, of Orillia, presiding, says the Globe of last week.

The meeting, which was private, discussed among other things questions relative to the establishment of continuation and fifth classes, provision for and organization of model schools, the operation of the new scheme of distributing the legislative grants, and several matters connected with the work of the inspectors. Recommendations in regard to all were drawn up and will be presented to the Minister of Education for his consideration.

Among those present were Messrs. W. H. Stevens, Lindsay; H. R. Scofield, Bracebridge; J. Ritchie, Port Arthur; S. Phillips, Minden; J. B. McDougall, North Bay; L. A. Green, Sault Ste. Marie; J. McLaughlin, Gore Bay; M. O'Brien, Peterboro, and W. Prendergast, Toronto.

A Challenge to Lindsay Runners

Herewith is a challenge given desired publicity—

The Peterborough Review of Saturday says: On Thanksgiving day at Lindsay George Gauthier and "Pete" Wallace, both of whom have won considerable fame on the wrestling mat, ran a hundred yards race on Kent street, the former winning by a comfortable margin. He was presented with a suitable trophy by an appreciative crowd. Gauthier says he is prepared to meet anybody in Lindsay for a hundred yards, and requests that the Lindsay papers publish his challenge broadcast. The time of the event was not recorded, but judging from the way the men stepped, it was pretty fast.

The Ben Greet Event

No praise would be too high for the excellence of the presentation of Shakespear's "Twelfth Night" as given here Monday evening by the Ben Greet Company. There was practically no stage setting—the idea being to give the play as it was given in the great dramatist's time. The result was unexpectedly good—almost beyond criticism,—and even enhances the high-class reputation of the Ben Greet Company. To touch on the special and fitting excellence of each player is out of the question. Yet little but the highest praise could be considered. It might, however, be proper to make special mention of "Viola," which part was taken in a truly artistic manner.

In Shost's "Twelfth Night," as presented was a complete success—dramatically and artistically—and Manager Roenick is deserving of the heartiest commendation—with the grateful support on all possible occasions as manager of the Academy—for securing such an attraction.

The attendance was fairly good.

HANDS TERRIBLY CRACKED

ZAM-BUK HEALED THEM.

Over and over again the value of Zam-Buk for chapped and cracked places has been demonstrated. Mrs. Yellen, of Portland, adds her testimony, and says: "My hands were so hot and cracked that I could not put them near water. When I tried to do so they would smart and burn as if I had scalded them. I seemed quite unable to get relief from anything I put on them until I tried Zam-Buk, and the Zam-Buk, and the balm succeeded when all else had failed. It closed the big cracks, gave me ease, soothed the inflammation, and in a very short time healed my hands completely."

Hands that are chapped may be restored to the smoothness of health by judicious application of Zam-Buk.

The value of Zam-Buk, either as a protective or a corrective, cannot be overestimated. A box should be on every dressing table.

Zam-Buk heals sores, cures eczema, skin eruptions, ulcers, ringworm, itch, barber's rash, blood poison, bed leg, salt rheum, abrasions, abscesses, cuts, burns, scalds, and all skin injuries and diseases. Of all stores and druggists at 50 cents, or from Zam-Buk Co., Toronto, for price 3 boxes for \$1.25.

BEAVERTON WANTS A HIGH SCHOOL.
A well attended meeting of representative citizens was held in the town hall, Tuesday evening to consider the position of the High School question, says the Beaverton Express. It is felt that so essential is the school to the large territory served by Beaverton that the scheme should not be abandoned, especially as every year makes the school more imperative. The action of the Government turning down the private bill of the joint municipalities came in for consideration, and it was thought the bill had not received fair treatment at the hands of the Government. It was finally decided to appoint a committee composed of Messrs. Dr. Jas. Galloway, Rev. D. W. Best, E. A. Gunn, J. J. Cave, J. F. Givens, H. B. Cameron and M. H. Hoach, to take the matter into their careful consideration and report ways and means at an early date.

The Spirit World
A few days ago the Occult Review of London, England, had a most honorable review of The Spirit World, by Rev. Joseph Hamilton, of Lindsay. Here are some of its phrases: "The habit of the careful student impressed on every sentence."
"A justifiable criticism of materialism."
"Logical and consistent."
"The author takes a strong position on miracles, and one that cannot readily be assailed."
"An exceedingly useful and interesting work."
"The chapters dealing with spiritual ministry and first experiences beyond cannot fail to be absorbing."
"Vitaly interesting."
