A Million for a New Stomach

It is said that Mr. Rockefeller, one of the world's richest men, offered one million dollars to any physician who would make his stomach strong enough to digest an ordinary meal. With all his money, this multimillionaire is compelled to live on milk and crackers. What a warning this is to men and women who are beginning to realize that "they have a stomach"!

Slight attacks of indigestion soon develop into acute attacks. The weakened stomach quickly becomes weaker under the continued strain of digesting unsuitable food. Chronic Dyspepsia makes a strict diet imperative, and life miserable.

Yet how unnecessary all this suffering is! "Fruit-a-tives"—that splendid stomach tonic—will give you what millionaires cannot buy, a clean, sweet, healthy stomach which will be capable of digesting any reasonable meal.

"Fruit-a-tives", made from concentrated and intensified fruit juices, acts directly on the stomach, increases the flow of the digestive juices and corrects the faults of digestion.

"Fruit-a-tives" or "Fruit Liver Tablets" is not only a positive and speedy cure for all these troubles. It also acts as a general tonic, building up and strengthening the entire system. Frequently those who have been cured of Stomach and Bowel Troubles, write to the Company, stating that they are enjoying better health than ever before.

"Fruit-a-tives" is sold by all druggists and dealers at 50c a box, 6 for \$2.50, or trial box, 25c—or may be obtained from Fruit-a-tives Limited, Ottawa.

Miss Edna and Miss Lottie Howden are visiting their aunt, Mrs. Latchford, of Stouffville.

Mr. Henry Sherin, cousin of John Sherin, passed through here yesterday in his automobile on his way to Lindsay from Lakefield. When on Mr. Deyell's hill the machine balked or sulked, and had to be propelled by means of some brawny muscle. Mr. Sherin visited at Mr. Tom Fee's.

Mr. Samuel Deyell, Mr. Seaward Switzer and Mr. Harold McConnell returned home last week from the west.

We are sorry to learn of the severe illness of Mr. James Purdy, father of Mr. Wm. Purdy, of this town.

Mr. Milton Sherin departed Thursday evening last for the north wilds, where he hopes to secure a couple of deer.

Mr. Smith, of Victoria University, preached the annual educational sermon here last night. Mr. Smith's sermon was appreciated.

Members of 294 Bethel! Remember Friday evening next.

We wonder if the correspondent who writes of the potato that weighs such an enormous weight expects us to laugh when we read such a cheerful one? What a pity we don't grow large potatoes in this vicinity. We saw one that weighed two and a half pounds. But what's the use telling about the small potatoes. However, it is needless to say, we always tell the truth.

Mrs. Boadway Passed Away at Norland

Death visited our burg on Oct. 26th, and took from our midst an old and highly respected neighbor in the person of Mrs. Wm. Boadway. The deceased lady was born in the township of Vaughan near Maple, and early in life moved to the township of Eldon, where she was married to William Boadway. OMEMEE.
Omemee, Nov. 2.—The Sunday school and Epworth League services held in the Methodist church on Sunday were very helpful. From the sunrise meeting at 8 o'clock until the closing at 7 p.m. the interest was very successful. Rev. Sam. T. Bartlett, general secretary of Sunday schools and Epworth Leagues, gave eloquent and instructive discourses throughout the day. He showed the importance of the Holy Scriptures in building up the life and character of the boys and girls; that the officers and teachers should know the Bible and impart its truths to the scholars. In the evening he presented many beautiful spiritual or moral truths from a nature study taken from the migration of the birds. The lessons were clear and pointed and will not soon be forgotten. The pastor, Rev. R. Burns, is to be congratulated on securing the general secretary for this special day, and it is understood

Feeding Farm Hands.

Every farmer's wife knows what tremendous appetites farm hands usually have; but while they eat well they work well, too.

Here's a good suggestion about feeding farm hands. Give them plenty of Quaker Oats. A big dish of Quaker Oats porridge with sugar and cream or milk is the greatest breakfast in the world for a man who needs vigor and strength for a long day's work. The man that eats Quaker Oats plentifully and often is the man who does good work without excessive fatigue. There is a sustaining quality in Quaker Oats not found in other foods, and for economy it is at the head of the list. A whole family can breakfast for a week on 10c worth of Quaker Oats.

that Rev. Mr. Bartlett has already been secured to preach at the Sunday school day on Jan. 3, 1910. His discourses last Sunday were greatly appreciated by the large congregations.

Rev. R. Burns, Mr. Sam. Connell and Mrs. D. F. McKinley, represented the Methodist church at the Provincial Sunday School Association convention held last week in the city of Toronto.

Mr. W. H. Carter, of Orillia, who was visiting at the parental home recently, was hurriedly called home owing to the illness of his daughter, Rachel.

Mrs. Howie, of Goderich, is the guest of Dr. and Mrs. McPhail.

Mr. James Foster sold his house and lot recently to Mr. William Dixon, jr. As he purposes to go farming in the spring, he has rented the farm of Mrs. Wm. White, in east Manilla.

We are having delightful weather at present and the farmers are taking advantage of it by hustling in their potatoes and root crops. Potatoes are an abundant crop and very large, mangolds the same, while turnips are not as good as previous years owing to the drought in the spring. Apples are plentiful, judging by the number of loads picked in this neighborhood by the apple pickers. Prices range from 75c to \$1.25 per barrel.

Miss Minnie Glendenning, professional nurse of Montreal, is enjoying her vacation at the parental home.

Mr. Wilson Hunter, of Gow Ganda, came home on Monday morning quite ill with a fever. His many friends here hope for his speedy recovery.

Most Wonderful Stuff
D.D.D. CURED ANNIE M. WIGGINS OF WEEPING ECZEMA.

Anyone who has ever seen or suffered from eczema knows how stubbornly it defies ordinary treatment and doctors' prescriptions, and how very difficult it is to get rid of it.

Miss Annie M. Wiggins, of Flett's Spring, Sask., was finding it so till she heard of it and tried D.D.D. Prescription.

Then came relief, from the very first time she used it. She wrote: "Your D.D.D. has cured my face completely, and I must say it is the most wonderful stuff I have ever heard of. I suffered with weeping eczema for about two months under doctor's care and was getting no better when a friend advised me to send for a sample bottle. The first time I used it, it seemed to help me, and I at once sent for a \$1 bottle, and before I had used half my face was as well as ever. I have recommended it to several and am sending for \$1 bottle for a friend who tried some of mine."

If you or any of your friends have been suffering from torturing eczema or any other skin disease, get D.D.D. just as quick as you can. It relieves instantly and positively cures.

For free sample bottle of D.D.D. Prescription write to the D.D.D. Laboratory Department L.W.W., 23 Jordan-st., Toronto.
