Cheese Board Meeting

LINDSAY BOARD.—The buyers at the Victoria county cheese board meeting on Thursday were loth to give 12 1/2 cents for cheese. The entire board, however, of 1063 boxes, sold at this figure.

This is the final meeting of the year, and a most satisfactory year it has been, as President Robertson stated in opening the board. Besides the buyers and the salesmen, Senator Derbyshire, of Brockville, and Mr. G. Glendon, of Manilla, and other well-known cheesemen, were also present.

The buyers were Messrs. Flavell and Jos. Brown, of town, Mr. Beavis, of Peterboro, and Mr. Beavis, of Dunsford. The latter did not make a bid until the others had reached the bid of 12 cents, and the cheese was sold at that price.

The cheese was boarded as follows: Star 120, Mariposa 111, Dunsford 93, Mariposa 187, Bobcaygeon 180, Red Rock 103, North Harvey 70, Verulam 97, Reabero 100. The buyers asked for an allowance of one pound a box for shrinkage in October cheese. This aroused some controversy, the cheesemen thinking that only a pound a box for the last half should be allowed.

It was finally settled by the buyers accepting an allowance of one-half pound per box for the entire October output. Mr. Gillespie started the bidding at 11 cents and it quickly rose to 12c where it stopped. At this juncture Senator Derbyshire spoke briefly regarding cheese matters. In his opinion the price for cheese at this time of the year when the weather conditions were not so suitable for curing as earlier in the season. The cheese, he said, would shrink one pound at least, if properly cured and the buyers should be allowed the same amount. He was surprised, he said, to see at the meeting of the Peterboro board yesterday that when one bidder offered 12 1/2 for cheese and had the factories sold as readily to remaining buyers at a smaller price.

Mr. Beavis then offered 12 1/2 cents, and called Star, Dunsford, Bobcaygeon, Red Rock and N. Verulam, all of which accepted. Mr. Flavell secured Omeeme, Mariposa, North Harvey and Reabero at the same price. This finished the sale, and also the final sale of the season.

PETERBORO BOARD.

The final meeting of the Peterboro Cheese Board, was held Wednesday and it was indeed a gratifying one to the salesmen. The highest price was 12 1/2 cents, which was an eighth better than two weeks ago, when many factories refused 12 3/16 cents. Wednesday only 135 boxes were left unsold. The factories were Lang and Killarney, who refused 12 1/2 cents. Altogether 2,601 boxes were boarded, but about 1,000 of these were boarded at the last sale and left unsold. At the final meeting last year, 2,940 boxes were boarded, the price being 12 3/16 cents. The buyers present were Fitzgerald, Gillespie, Whitton, Cook, Weir, Morton, Watkin, Riddell, Gunn, and Langlois. The bidding was begun by Mr. Whitton at 11 1/2 and raised to 12 1/2 by Watkins, 12 3/16 by Fitzgerald, 12 1/2 by Gillespie, 12 3/16 by Fitzgerald, 12 1/2 by Watkins, 12 3/16 by Cook, 12 1/2 by Watkins. Mr. Watkins secured first bid and took Keene, Shearer, Warsaw, Myrtle, Bensort, Central Smith. At 12 1/2 Cook secured Okdale, Fleetwood, Cavanville, East Emily, Selwyn refused this offer. Mr. Gillespie at 12 1/2 took Maple Leaf, Selwyn, Daisy D., Ottonabe, Union, King Edward, Cedardale and Fleetwood. Mr. Gillespie at 12 1/2 for the balance of the board, secured East Emily, Cavanville, North Dummer and Fraserville, Killarney and Lang refused.

The National Thanksgiving

Thanksgiving Day is a day set apart for the public and national acknowledgement of the goodness and mercy of God. The time of year of its holding, after the harvest has been reaped and the fruits all gathered in, naturally suggests the special blessings that are to be thought of, the blessing of fruitfulness, of ripened grains and fruits and vegetables, of the richness and fullness of the fields all gathered in against the day of need. With us in Canada, at least, it is intended to be something of a harvest festival, and it takes us back, not to New England or Old England, but to the days of ancient Israel when a grateful

people sang their harvest hymns and made glad offering to the Lord of the harvest. It is such a thought as borne evidence to by the fact that the date of our Thanksgiving Day has been pushed forward in the year, and now occurs, as nearly as may be, just after the work of ingathering has all been done. In a great agricultural country naturally we think of the divine goodness, just as ancient Israel did, as manifesting itself especially in blessing upon the sowing and the planting in the rich harvests and the scarlet and gold of the fruit of the field. And we can never be grateful enough as a people that that

simple, elemental thought does so pervade the spirit of our great fall festival. We can never be grateful enough that we are essentially, and must always be peculiarly, an agricultural people. It links us on to the Divine One and helps to keep sweet and pure the sources of our national life as nothing else could. The long years of history have shown us most unmistakably that the people who have most largely lived on the soil and taken their food from the hand of God have lived the strongest, the purest, the happiest lives. Canada may well be glad that she has a great national harvest festival of Thanksgiving.
