POWLES' CORNERS
Nov. 10.—The genial weather of Thanksgiving proved a boon to some of the local farmers. They showed their appreciation and thanks by gathering in the frost-bitten remnants of their respective turnip crops. Mr. R. Reilly and his nephew, Master Clifford Bennett, of Wauwashtene, spent Thanksgiving at the home of Mr. and Mrs. Jas. Powles. Miss Stella Lamb spent the festive season with her friends. Mr. Nelson C. Hart, the local pedagogue, spent Sunday with his parents at Mt. Horeb. On Wednesday last, Nov. 4, a quiet nuptial event was solemnized, when Miss Lottie Wagner and Mr. O. We all join in offering our heartiest congratulations to them. Mrs. Payne and children, of Peterboro, are visiting at the home of Mrs. Robert McGee. Miss M. S. Powles and Mr. N. C. Hart attended Cambray fowl supper on Monday evening. Miss Gatchell and Mr. Newton, of Lindsay, spent part of Monday with Mrs. W. H. Powles. Mr. Bert Parrish and family, of Lindsay, spent Sunday and Monday under the parental roof. To show their deep respect for outsiders a few of the Cambray youths showered their guests with cheap

candies, while the minors of the fair sex beguiled the dull moments by busy themselves in the occupation of pinning the guests' overcoats together. We are pleased to note, though, that those engaged in these occupations did not especially assist in the evenings' entertainment otherwise. Hurrah for Cameron fowl supper on Monday next, Nov. 16.

FLEETWOOD
Nov. 9.—Beautiful weather, not much rain, slow growth of grass and all grain, is about the salute most people use while meeting each other. Threshing is about all done in this locality. Mr. J. L. Hart, who has been in the north for a few days' outing, returned home on Saturday. Mr. Simon Arnett is away north on his annual hunting trip, and no doubt will bring down his share of deer, as he is a fine marksman and seldom makes an error. We wish that he will bring home some venison and be good enough to give us a supply. Mr. Arthur Flack, who has been ill for some time, is recovering slowly, and we wish to see him working on his farm as usual in a few days. Mr. Albert Sutton is at present building a large addition to his dwelling house, which will be both useful and ornamental. Mr. Henry Timms, of Lifford, who has the contract of building the woodshed at the brick corners for the school, commenced operations Monday, and no doubt in a few days a great change will be made in the appearance of the school ground. Mr. John Crawford has a very sick horse at time of writing, and it is a splendid driver he will not like to lose it, but under the treatment of Dr. Rodgers, of Ormeau and Dr. Davis, of Bethany, we think it will surely recover. Mr. Lorne Maguire, who has been living with Mr. Thomas Stewart for the past summer, is shortly going to Yelverton, where he has been offered larger wages for next season. We wish him every success.
