The Warden's Address

At the county council meeting this afternoon the Warden, Mr. Emmerston Tiers, of Dunsford, addressed the councillors as follows: To the Municipal Council of the County of Victoria: Gentlemen,—In furtherance of the

Municipal Act relating to the maintenance of bridges will be submitted for your consideration, and decision. This is one of the most important questions that can engage your attention, and I trust you will be able to reach a conclusion that will be promotive of the best interests of the county at large.

It is incumbent upon you to make an appointment to the office of High Constable of the county, a matter that was referred to the June session.

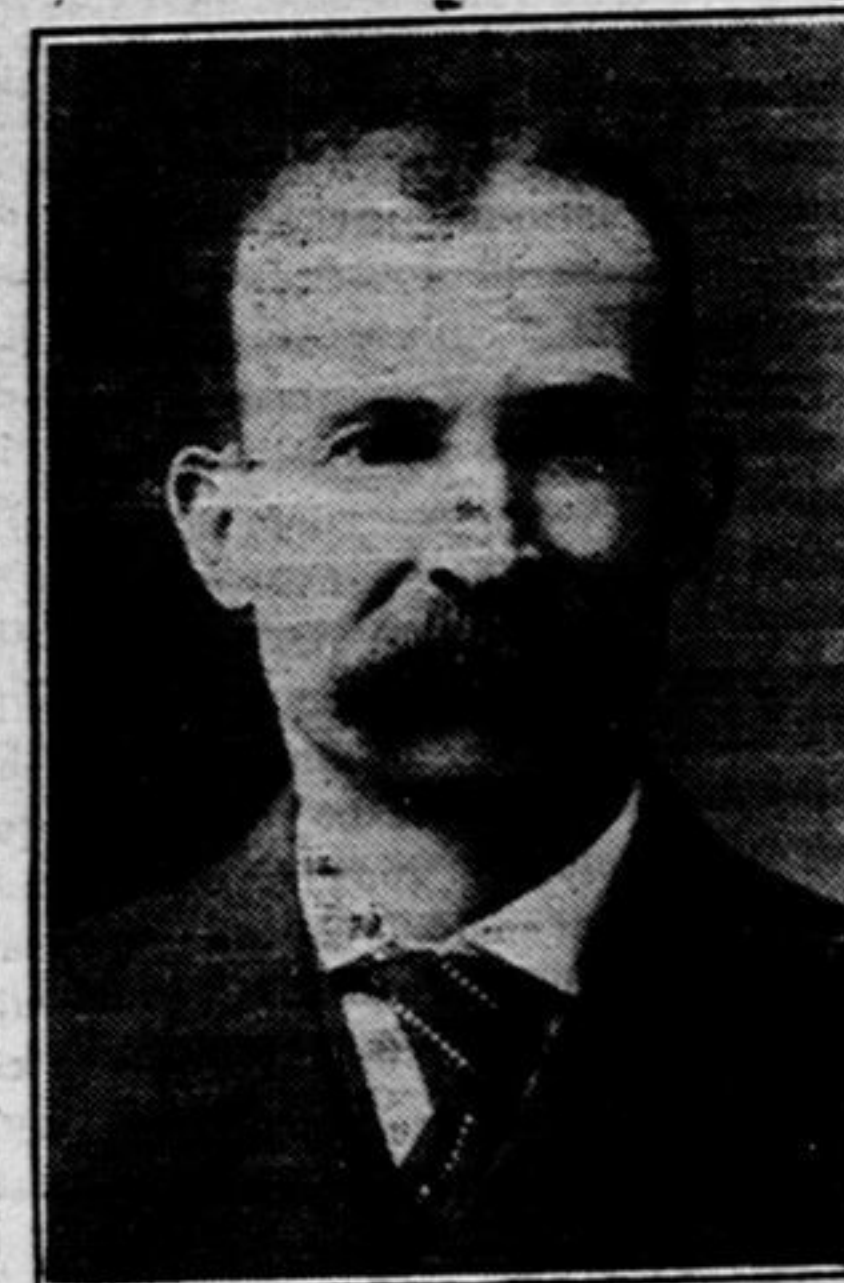

In the opinion of the board of management of the House of Refuge, the clerk and treasurer should be appointed inspector of the House of Refuge. The clerk and treasurer has of necessity been obliged to discharge the numerous duties that fall within the province of an inspector, but without being clothed with definite authority. For this purpose, and in order that a number of amendments that experience in the application of the rules and regulations has shown to be desirable, a by-law containing provisions for the appointment of an inspector and to define his duties and authority and to re-enact all the rules and regulations with certain amendments, will be introduced to the council. A number of documents will be submitted to you.

I have the honor to be, gentlemen, Your obedient servant,

E. TIERS, Warden.

Council Chamber, Lindsay, Nov. 15

1910.

MR. EMMERSTON TIERS, of Dunsford, Warden of the County of Victoria.

The proposed amendments to the business of the year and that you may have an opportunity for considering the reports and other documents to be submitted to you. I have, following the established practice called this session of the council.

E. E. W. MCGAFFEY

Sylvester Gas Tractions in Demand Out West

One of the brightest and most instructive journals published in the Canadian West in the interests of the farmer, is the Canadian Thresherman and Farmer, published at Winnipeg monthly. The issue for the month of November, which has reached the editor's desk, contains a number of good articles on machinery, and also a half page advertisement on the Sylvester seeding machines and cultivators, illustrating a 4 cylinder opposed gasoline traction engine in the field. Messrs. Tudhope and Anderson Co. Ltd. are the agents for the Sylvester machines out west. In the same issue appeared a letter written by Mr. Wilfred H. Farthing, of Spy Hill, Sask., which in part is as follows:

"I am enclosing you an extract from a book I read recently. I thought it likely to interest you, for publication in the Canadian Thresherman of which I am an interested reader, and have taken since it was first published. I followed your article on traction cultivation with great interest. I made my first acquaintance with gasoline engines nearly ten years ago and have since been a strong advocate of its uses. It was very amusing to us to listen to our neighbors, with their prophecies of troubles and disappointment, when we first started with gasoline at my father's place near Millwood, Man. The engine we got was a 6 h. p. Sylvester stationary, this we mounted and used as a portable. Of course it gave trouble for a time—very naturally too—as we understood practically nothing of it. But in one season's use, we managed to master it fairly well; this engine is still running just as good as ever, and, judging from appearances, it should do as well for another ten years' use. We used it for threshing principally, running a 80-inch Moody separator, hand feed and slat stacker; it is also used for

County Council in Session Tuesday

The last session of the county council for the year 1910 opened in the court house this morning at eleven o'clock, with all the members present. The business of the morning was to discuss the purpose of constructing steel and concrete bridges in the county. After the roll call by County Clerk McNeillie, Reeve Michael moved, seconded by Deputy-Reeve Varcoe, that By-law 692, to authorize the borrowing of \$10,000 for the purpose of erecting steel and concrete bridges be read a first time.—Carried.

Moved by Reeve Callan, seconded by Reeve Dr. Gould, that the council go into committee of the whole to discuss the by-law. Reeve Graham taking the chair, read the by-law, and after some discussion as to whether there would be any advantage in issuing the debentures at 4 per cent. or 4½ per cent., it was moved by Reeve Hawkins, seconded by Reeve Jordan, that the committee rise and report the by-law read a second time and carried without amendment.

The third reading was carried, signed and sealed. A motion of adjournment until 2 o'clock this afternoon was carried. The question of visiting the County House of Refuge was introduced by Mr. McNeillie. The council decided to visit this afternoon after the session. The new bridge at Little Bob will not be visited by the council as a whole, but they will be satisfied to hear the committee's report.

PENIEL.

Peniel, Nov. 14.—Mr. Wm. Philip spent a few days of this week in Toronto on business. Mr. Moore Osborne, of Toronto, accompanied by a couple of gentlemen friends, is visiting his father, Mr. Thos. Osborne. Mr. Harry Drew and sister, Miss Annie, of Cannington, visited at Mr. Henry Osborne's on Sunday.

Miss Flossie Armitage, of Oakwood, is the guest of her cousin, Miss Cora McLean for the week-end. Miss Mabel Real was the guest of her cousin, Mrs. Herb Back, on Sunday.

The Linden Valley orchestra held their weekly practice on Saturday evening last at the home of Mr. Rich. Osborne. Mr. Caleb Kinnee visited friends here recently.

A great many from Peniel attended the anniversary services of the Methodist church at Woodville on Sunday and Monday of this week.

JANETVILLE.

Janetville, Nov. 15.—The anniversary services and thank offering were held in the Methodist church here on Sunday. Rev. Mr. Balloar, of Lindsay, preached two excellent sermons, and spoke to the Sunday school children in the afternoon. The collections and offering amounted to one hundred and twenty-nine dollars. Mrs. John McGill spent some time in Toronto recently.

Mr. Norman McGill has sold 82 head of fat cattle this year and has harvested a large grain crop. The up-to-date farmer is now a business man, and we imagine there are few who will handle more greenbacks than Mr. McGill.

Mr. Lucas has been having considerable trouble with one of his eyes. Mr. Wm. Johnson and family have moved into the house owned by Mr. John Anderson.

We understand that Mr. Chas. McNeil contemplates moving to the village.

Master Mossom Walker is taking a course at the Lindsay Business College.

Mr. Henry Anderson, sr., who spent some time with friends in New York, is among us again.

Mr. Herb McGill had 900 bushels of buckwheat on six acres. In some lines of farming, Manvers can yet beat Manitoba.

Byron Mann, a farmer who lived near Dexter, Ont., died from injuries received in a runaway accident.

Box of 22 Calibre Cartridge Found in Nick of Time

Balsa Grove, Nov. 14.—Mrs. R. Webster returned home last week. Mrs. O. Hill is at present visiting with her sister, Mrs. C. Everson, of this place. Mrs. Hill will remain for some time.

Mr. Fred Jones was a business visitor at Victoria Road on Monday.

The men who were assisting the Thurston Bros. clover threshing on Friday last are still thinking of what might have been if Mr. O. Imrie who was putting clover onto the table, had not seen what he thought to be a piece of colored paper, but on picking it up found it to be a box of 22 calibre cartridges, with twenty-two loaded shells in it. If the box had passed into the cylinder, in all probability the barn and all its contents would have been destroyed and a number of lives also. The owners of the barn have no idea how the cartridges got there as there has been no gun of that size used around there to their knowledge for two years.

HYMENEAL

YOUNG—CAIN.

A very pretty nuptial event took place at the Roman Catholic church this morning at 8 o'clock, when Miss Margaret Laurette Cain, daughter of Mr. Andrew Cain, of town, was united in the holy bonds of matrimony to Mr. Robert James Young, of Peterboro, son of John Young.

Mr. James Cain, brother of the bride, acted as best man, and the bridesmaid was Miss Minnie Cain. The father gave the bride away, and the Ven. Archdeacon Casey officiated at the ceremonies.

The bride was dressed in a blue tailor-made travelling suit and wore a black picture hat, and carried a white prayer book and a pearl rosary. The bridesmaid was dressed in a very pretty toque suit and a black hat.

The gifts were numerous and costly and showed the esteem by which the young people were held by their friends. After the services, to which only the intimate friends were invited, the happy couple left on a trip to Toronto and Buffalo, after which they will return to Peterboro, where they will reside in future.

Miss E. R. Knight left on Wednesday morning for Toronto. Miss Knight will attend the Women's Convention, also the Horticultural Show held there this week.

Mr. D. Imrie spent Saturday and Sunday at his home in Cameron.

Mrs. Moynes and Mrs. Pethic, of Pleasant Valley, visited friends here last week.

The regular monthly meeting of the Women's Institute is to be held on the twenty-fourth of this month at the home of Miss Thurston. This meeting is being held a week later than usual to allow the delegate to the convention time to prepare a report. This report will be well worth hearing, and a cordial invitation is extended to all the women to attend. Music is being prepared.

Myrtle Jones, eldest daughter of Mr. F. Jones, is off duty this week, having had the misfortune to step on a rusty nail, which passing through her boot, pierced her foot quite badly. We hope she will soon be better again.

ly and showed the esteem by which the young people were held by their friends. After the services, to which only the intimate friends were invited, the happy couple left on a trip to Toronto and Buffalo, after which they will return to Peterboro, where they will reside in future.

MORTON—NESBITT.

The marriage of Miss Ada Grace Nesbitt, daughter of Mr. and Mrs. John Nesbitt, Nestleton, and Mr. Robert Morton, son of Mr. and Mrs. Johnstone Morton, Bethany, took place at half past one on Wednesday afternoon at St. Alban's church, Manvers. The Rev. J. Posten, rector of Manvers, officiated. The bride entered the church on her father's arm to the strains of Mendelssohn's wedding march, played by Mrs. A. McGrath, sister of the groom. She was wearing a white silk, with lace yolk and sleeves seeded with pearls,

and carried a bouquet of white chrysanthemums. Her tulle veil was caught with a wreath of orange blossoms. Miss Winnifred Nesbitt, sister of the bride, acted as bridesmaid and was dressed in pale blue silk gloria trimmed with satin. She wore a black picture hat and carried a sheaf of pink carnations. Miss Mabelle Nesbitt, niece of the bride, made a charming little flower girl, in a white lingerie frock with pink sash. She wore a white embroidery hat with pink bows and carried a basket of lilies of the valley and maiden-hair ferns. The groom was assisted by his brother, Mr. William Morton of Bethany. The groom's gift to the bride was a set of furs, to the bridesmaid a pearl ring, to the flower girl a gold bracelet, and to the groomsmen gold cuff links. During the signing of the register Mr. Geo. Peters, of Lifford, sang, "O Perfect Love."

After the ceremony a reception was held at the family residence, Bloomvale. The house was nicely decorated for the occasion. The guests from a distance were: Mr. Russell Nesbitt, L.L.D., Mr. Howard Orr, Miss Florence Orr, of Toronto; Mr. and Mrs. Ward, of Peterboro; Mr. and Mrs. McDowell, Miss Laura Morton, Miss Mae McGrath, and Mr. Lloyd Nesbitt, of Lindsay. Mr. and Mrs. Morton left on the evening train for a short trip. The bride travelled in a tailored suit of navy blue diagonal serge, with hat to match. On their return they will reside in Bethany.

LITTLE BRITAIN.

Little Britain, Nov. 16.—Rev. Mr. and Mrs. Robins and family, Blackstock, are visiting at Rev. J. Archer's.

We regret the departure of Mr. John Homewood from our midst, as he has gone to Oshawa. John has many friends here.

Dr. Hall is having a verandah erected.

Messrs. Thompson and Lee of the Standard Bank, spent Sunday at Sunderland.

Mrs. Sloan spent a day in the city this week.

Mr. and Mrs. F. Netherton spent Sunday at Oakwood.

Rev. J. F. Chapman gave an address at the fowl supper at Pinedale on Monday evening.

Dr. Gregg is very busy this season of the year.

The league service conducted by the young men was one of exceptional interest. The young men are to be congratulated on the very excellent program furnished. The musical part which consisted of a chorus, quartet, solo by Mr. Thompson, violin selections by Elba Yerex, and accordion selections by Mr. McLaughlin were much appreciated. The real interest of the evening centred in a debate, "Resolved that truth is a more estimable quality than tact, and that the former should never be sacrificed for the latter." Negative, Messrs. John Davidson, Everett Mark and Elba Yerex; affirmative, Messrs. Fred Perrin, Percy Prouse and Stanley Dix. The judges were Messrs. Lapp, C. Netherton and Rev. Chapman.

The debate was very interesting, and each young man acquitted himself admirably. The decision was given in favor of the negative.

Mrs. Oliver visited in the city this week.

Mrs. Dillman is recovering nicely from the recent operation on her hand.

Mr. and Mrs. W. G. Prouse were in Toronto a day this week.

Miss Stainton, Layton, is visiting her friend, Miss Pearl Hooper.

Miss Tamblin, Zion, visited Miss Edna Rodman on Sunday.

A number of farmers are purchasing feeding cattle for the winter. Mr. Mark Wickett has bought a lot in our village and intends building next summer.
