A Slogan For Bigger and Better Lindsay

In last night's issue The Warder stated that the Town of Lindsay was in need of a slogan, and invited the citizens to make suggestions as to what that battle cry should be. To-day a number of suggestions were

The members of the Industrial Councission Committee have been quite busy during the past week or so, and are very enthusiastic as to the bright future ahead of the town. Like the preacher of old they have the subject well in hand, and have the firstly, secondly, thirdly, fourthly and so on well studied out, and

are now looking for a real good, expressive battle cry or text. It is understood that the plan to appoint an Industrial Commissioner who will be despatched into the highways and byways of the land to bring new industries into Lindsay is nearing completion, and that the minor details are being worked out to the satisfaction of the committee. The idea has taken firm root, and it is believed that the year 1911-12 is to be Lindsay's banner year, that with the coming into town of the Seymour Power Company and the appointing of an Industrial Commissioner, Lindsay will be able to secure her fair share of industries, and that the town will become an industrial centre in this section of Ontario.

As has been said before, Lindsay has every facility necessary to make a live, progressive town except the unity of forces. Let every person pull for Lindsay, and the aim of the Industrial Commission will be realized. If slogans are necessary, below are a few contributed by the citizens. Send in your slogan to The Warder:

Lindsay, the Gem of Victoria.

Lindsay's Good Enough for Me.

Lindsay for Peace, Prosperity and

Lindsay, the Mecca for Tourists.

Lindsay, the Young Manchester.

Lindsay, the Farmer's Pride.

Skiddoo Lindsay's Hoodoo.

Bigger and Better Lindsay.

Lindsay Sells Power Cheap.

Lindsay for the Best Streets.

Lindsay Has Room for You.

Clever L. C. I. Studenats Received Medals

Thursday afternoon was a proud occasion for the students of the Collegiate Institute.

The young people and friends of the school gathered in the Assembly Hall to the number of about 400, and witnessed the presentation medals and prizes to the fortunate winners, and, incidentally listened to a very good program furnished by the Literary Society.

Principal Kirkconnell occupied the chair and spoke warmly of the portant part that legitimate sport should play in the development of the students.

The Honorable, the Minister of Militia was present, and presented Mr. F. Mann of Form 3B with the senior gold medal for winning first place amongst the seniors.

Mr. J. D. Flavelle presented the junior gold medal to Mr. W. Herlihey of Senior Commercial, and Dr. White presented Miss Cassie Haugh with a beautiful gold medal . for winning first place amongst the girls in their athletic events.

Mrs. Lucas presented the prize for art to Mr. Lorne MacFadyen. Dr. Blanchard presented the prizes to the three teams securing first, second and third positions in the relay race, while Messrs. Lucas, Manning and Wheelton, of the staff, presented the boys who won first, second or third places in the various events with appropriate badges. Mr. Miller, President of the Atlastic Association, preented the prizes to the winning teams in the tug-of-war contests. Miss Whyte, Miss Moir and Mrs.

Kirkconnell presented the winning girls with their prizes. The general program consisted of the following numbers : Piano solo, Miss Marion Wray; vocal solo, Percy Barber ; reading, T. Watson Kirkconnell; vocal solo, Miss Amy showing the majorities in each town-Smith; mandolin selection, Miss Ger-

trude Carew. A delightful and profitable hour and a half was brought to a close by singing the national anthem.
