Toronto, Nov. 14. - Two children will be admitted into the Western Hospital this morning to receive the Pasteur treatment, as a result of the attentions of a pet cat, afflicted with rabies. The older of the two, a girl of fifteen, severely bitten on the leg, while the other victim, a three-year-old boy had his hand bitten. The girl was bitten on Thursday

last, but the cat was a family pet. and the attack did not arouse susoicion of the animal's condition. On Saturday the cat attacked the boy, who lived in the adjoining house Becoming frightened, the parents of both children telephoned Dr. McCula lough, Provincial Health Officer, and and the carcass sent to the Provinc-
