THE CASE DISMISSED.

The charge of assault against Wm. P. Merrick was tried at Sunderland last week before Magistrates Fair, of Sunderland; Purvis, of Cannington, and Hamilton, of Uxbridge. Merrick was defended by H. P. Cooke, Uxbridge, and Miss Acton, the complainant, was represented by Hopkins & Hopkins, of Lindsay. The case was dismissed. The parties live on neighbouring farms, in the Township of Brock. Miss Acton is daughter of Jos. Acton, who has figured in police court cases here of late. There is not the best of feeling in this family towards each Merrick has taken the part of some of them, the others resented this interference. This, no doubt, was the cause of this action.

TO BUILD UNION STATION.

Toronto, Nov. 7 .- Toronto is to have its Union Station. The com panies' surrender constitutes a victory for ex-Mayor Geary and the city. At the last sitting of the Railway Board here, Mr. Geary urged that the companies could easily proceed with station construction by preparing plans and specifications adaptable to either high or low level tracks. The railways refused to accept the suggestion, but while in Ottawa last Friday Mr. Geary had further negotiations with the Board and the companies, with the result that his proposal has been accepted.
