The Home Bank of Canada has had passed away, even before a docopened two new branches in Ontario, at Manilla and Cresswell. For the had arrived. present both branches will be man-Walkerville, Ont. He comes to the Home from another banking institution. Mr. E. A. Cheadle, formerly Acting Manager at Walkerville, has returned to important duties at the head office.

-W. J. Beattie, of Manilla Junc. is taking a course in railway telegraphy and freight and passenger instruction at Mr. Paton's school in this town; also Mr. Ephraim Pogue, of Reaboro.

## Economy in Feeding Stock

Every stockman of course knows that some animals-just as some men-eat twice as much as others without any corresponding increase in weight or energy. The difference is largely a matter of assimilation. Feed is high this year; see that your horses and cattle digest and assimilate perfectly all they eat. You will save feed and money by it. Old English Condition Powder aids digestion and tones up all organs.
