

CHRISTMAS WEEK at GRAHAM'S

Coming Events Cast their Shadows Before

This store will be in the service of Santa Claus all week. In suggesting things suitable for Christmas-giving this store appeals to the people who have grown away past "the penny whistle" notion of things. The people want to lay out their dollars and cents to count for actual needs, as much as buying Presents.

This store is yours to look through or to buy in any time—you're always welcome—but never more so than this Christmas week.

Get face to face with the goods. There's a splendid collection of really good things for Men and Boys—yes, and women too, who want hints of what their husbands or gentlemen friends would like.

THE TICK-TOCK OF TIME

is rapidly measuring off the minutes that intervene between now and Christmas Eve, reminding you to practice EARLY BUYING. Our store is a sight to see, and our GRAND END-OF-THE-YEAR BARGAIN SALE gives ample opportunities for easy selection. But, while we SACRIFICE PRICES, there's no limit of sacrifice, of quality, or good sense in the picking of them. Let us give you just a few hints to help you in "The Joy of Giving":

LETTERS FROM OUR CORRESPONDENTS

LIFFORD

Try Cinnamon & Everson, Lindsay, for crosscut saws, axes, axe-handles, etc. It will pay you.

The following is a statement of the business of the Fleetwood cheese factory for the past season: Amount of milk for season, 1,845,714 lbs; cheese made, 172,205 lbs; total proceeds for season \$17,426.46; average price for 100 lbs. milk, 78c; number of lbs. of milk to make one pound of cheese 10.72; average price of lb. of cheese a fraction over 10c.

JANETVILLE

A basket social will be held at the residence of Mrs. Wm. Jordan on Thursday evening Dec. 28th. A ospita

program has been arranged. A cordial invitation extended to all. Come and bring a basket.

Cinnamon & Everson's, Lindsay, is head-quarters for sleigh-bells, table and pocket cutlery, carving sets, lamps, air rifles etc., etc., very suitable Xmas presents. Try them.

GRASS HILL

Our Literary Society is progressing, orators being developed that would do credit to the floor of the House at Ottawa.

Threshing is the order of the day. Everybody is filled with a desire to thresh at once, and the two machines in the neighborhood are doing their best to accommodate all.

At last! The Queen of autumn weather has succumbed to the tardy and oft-repulsed onslaught of blustering King Winter. He has now come, clad in his regal robe of feathery white, accompanied by Jack Frost and his famous Lancers, to set up his despotic oligarchy. Another shower of snow and Santa will still be enabled to pay us a flying visit. When last heard from he was located at a little town in Grant's Land—80° north latitude—his sleds fully laden and his reindeer impatiently waiting to be off on their southward journey over the house tops.

FINGERBOARD

Mr. Rich. Moase who has been on the sick list, is now said to be improving.

Mr. Wm. Rodgers and wife of Zion spent Sunday with Mrs. T. Rodman.

Miss Ayers is visiting her cousin Miss Downer.

The Champion Range sold by Cinnamon and Everson, Lindsay, is a great heater and easy on fuel.

On Sabbath last our pastor, Rev. Mr. Robeson, preached a very instructive sermon taken from the book of Judges; the 16th chapter and the 20th verse, "And she said, the Philistines be upon thee, Samson, and awoke out of his sleep before and shake myself and he wist not that the Lord was departed from him."

On Friday evening last a number of friends gathered at the home of Mrs. Rodman to spend the evening with her son-in-law, Mr. Corniel, and present him with a writing desk before he takes his departure from our midst. A good program consisting of recitations, vocal and instrumental music was rendered after

which came the address and presentation. Although Mr. Corniel was taken by surprise he made a number of suitable remarks and thanked the people for their kindness to him during his stay among them.

ZION—CARTWRIGHT

During the week past threshing has been the order of the day.

Mr. Ed. Morgan of Emily also was a visitor in our corner recently.

Mr. and Miss Campbell and Mr. Anderson of Janetville spent Sunday at Mr. Glenn's.

We have waited patiently for the lake to freeze for skating as some of our young people are very fond of that exercise.

Mr. and Miss Buckley and Miss Cowan of Orono spent a few days of last week the guests of Mr. and Mrs. Glenney.

There is one scarcity in our corner, and that is of young ladies. Nevertheless dame rumour says we are going to lose one of our most popular young ladies, and we think that accounts for the sorrowful countenance of some of our young men. But cheer up boys the blue wavelets need not be an insurmountable barrier, you can occasionally take your line and go fishing, and it is just a pleasant sail up stream in the golden glory of our western sunset, or a delightful skate by moonlight when nature's bridge is formed. We sincerely hope her place may not be vacant.

OMEMEE

The annual meeting of the Omemece cheese factory was held Dec. 12th, and if numbers, harmony, enthusiasm and brilliant oratory constitute a successful meeting then this one was a decided success. The meeting was called to order by Mr. H. Nugent, chairman, and after a few remarks Mr. George Balfour, the patrons' auditor, took the floor. This worthy compares favorably with the Hon. G. E. Foster for ability in wrestling with figures and purity of eloquence. He showed that he had examined carefully the secretary's books for the season, and found that the patrons had received their due amount. He also explained a few points that have been stumbling blocks to many

patrons, and it is to be regretted that a few whom this would have helped were not present. The secretary's books showed that during the season 1,390,284 pounds of milk were delivered and 128,358 pounds of cheese were made. The gross value of the cheese was \$12,955.97. The cost of manufacturing was \$2,567.16. The net value to the patrons less the insurance of \$11.40 was \$10,377.43. The price of milk per cwt. to the patrons was 74.6c. The average number of pounds of milk to the pound of cheese was 10.8 pounds, and the price of cheese per pound was 10.08 or 10 1/2 cents. The increase over last year is: In milk, 188,151 lbs; in cheese, 16,289 lbs; in gross value, \$3,999.43; in net value, \$3,665.99.

CAMBRAY

Rev. Mr. Emerson addressed the Christian Endeavor last Friday evening and gave an excellent discourse.

Mr. Albert Downer, who has been making cheese in North Verulam during the past summer, is now home again. Many were pleased to see him looking so well.

Cold weather will soon be here. Prepare for it by getting a stove at Cinnamon and Everson's, Lindsay. You can buy a stove from them and save money enough to buy Xmas presents for the children. Just try them.

At the last regular meeting of Cameron L.O.L. 539, the following officers were elected: W. M., Mr. Oakley; D. M., Walker Townsend; R. S., Jas. Martin; treasurer, Manley Maybee; chaplain, J. Perrin; secretary, John Cook; director of ceremonies, Isaac Perrin; senior committee, A. E. Minthorne.

On the 13th, inst., there took place at the residence of Mr. James Bryson of this village, a very pleasant and quiet wedding. The contracting parties were his daughter Mary Ann and Mr. Samuel Wilson of Oakwood. At about 7.30 p.m., the wedding march being played by Mrs. Snowden of Cambray, the groom accompanied by Mr. A. E. Bryson, brother of the bride, took their places in the beautiful parlor beneath an arch of bunting tastefully arranged for the occasion, and shortly afterwards the bride leaning upon her brother William's arm took her place beside the groom. The Rev. Mr. Snowden, assisted by the Rev. Mr. Horton of Bobeygeon, gave declarations to the fact that the two were one. After congratulations and good wishes, the guests

partook of an excellent wedding supper. The presents were very numerous, costly and appropriate to the occasion. Some others from a distance were invited but were unable to get there owing to illness or distance. Mr. and Mrs. Wilson's future home will be near Valentin. We all join in wishing them a happy and prosperous life.

CAMBRAY

All the boys and girls are going to the Public Library concert at Oakwood on the 29th. They are sure of a good time.

Cold weather will soon be here. Prepare for it by getting a stove at Cinnamon & Everson's, Lindsay. You can buy a stove from them and save money enough to buy Xmas presents for the children. Just try them.

LITTLE BRITAIN

Mr. M. Wallis has his cellar dug for his new house which he is about to erect on his lot.

Miss Jessie Alexander, the famous elocutionist, will appear at Little Britain, on Dec. 27th. Don't fail to hear her.

A large number of our citizens intending going to the Public Library concert at Oakwood on the 29th. They say it is not to be missed.

Mr. F. Maunder has six men employed to cut his wood this winter. They expect to finish six acres before spring.

Last Sunday the remains of Miss M. Webber were laid in the Methodist cemetery. She leaves many friends to mourn her loss. The funeral was largely attended.

Money saved is money made. Very many people have realized the fact that money can be saved in purchasing stoves and hardware supplies at Cinnamon & Everson's, Lindsay.

What proved to be an exciting time took place here last Saturday. As the Cannington baker was selling Mrs. W. J. Hooper bread the team became frightened at something and ran, not giving Mr. Brandon time to close the door of his rig. He grabbed one line and hung on, while bread, buns and cakes were scattered along the road. Instead of crossing the bridge the team took down across the creek. Going down the incline young Brandon lost his footing and was pulled under the

rig which passed over his hand leaving several cuts and bruises and tearing his overcoat into ribbons. A couple of skaters on the creek tried to avoid the team and ran into an ice bolt, striking their noses, and leaving a pool of blood on the ice below the bridge. Taking on south again the team ran on till they came in front of Mr. Barrow Clough's, where they ran each side of a telegraph pole, heading it over, smashing the tongue, and harness badly. A telephone to Oakwood in a short time, who helped him enough to return home.

The Crow of Croup.

It strikes terror to a mother's heart when her child wake up at night with croupy cough.

Child can scarcely speak, can hardly breathe—seems to be choking. There is no time for delay—apply the medicine to the throat and upper part of the chest, and give Dr. Wood's Norway Pine Syrup—nothing like it for prompt relief—will save a child from nothing else will.

Mrs. Wm. Young, Frome, Ont., writes: "One year ago our little boy had a severe attack of inflammation of the lungs, which left a bad wheeze in his chest. We were advised to use Dr. Wood's Norway Pine Syrup, which we did, and he was cured him completely."

"Now we always keep this remedy in the house, as it exceeds all others for the severest kinds of coughs or colds."

Laxa-Liver Pills are the most perfect remedy known for the cure of constipation, Dyspepsia, Biliousness and Headache. Do not gripe or sicken.
