Dr. Brodrick's Scheme to Raise 20,000 Men-What Canada Is to Supply-Ques-

tion of Naturalization. In his address to the Colonial Conference, Mr. Brodrick, Secretary of State for War, suggested in general terms the raising of 20,000 men by the colonies to be trained with a liability to oversea service in case of ition, but a memorandum produced by Lieut.-Col. E. A. Altham, C. M. at headquarters, embodies the views of the militia advisers as to what should be the action of the colonies. The proposals made in this memorandum contemplate the organization of the following troops for general
