COULD BE IMPROVED "There is a growing disatisfaction By-law.

On ac-(Peterbaro Review)

A By-Law to Fix the Assessment of the Lindsay Portland Cement Company, Limited.

Whereas John D. Flavelle, Thomas Sadler, Richard Sylvester and others have applied for a charter under the name of the L ndsay Portland Coment Company, Limited, ; for the manufacture and sale of Portland cement and products into which cement enters, and the said company propose to establish their works at a point or place near the Town of Lindsay, in the Township of Ops, provided the assessment is placed and fixed at a sum not to exceed in the whole Twenty Thousand Dollars (\$20,000.) and it is desirable and necessary to fix the said assessment at the said sum.

Therefore the Municipal Council of the Corporation of the Township of Ops enacts as follows:

1. That provided the said parties, or the said Company in course of incorporation, shall within nine months from the date this By-law necessary for the manufacture of said buildings and plant and the assessment, except for school purposes, upon all the real and personal property of the Company used in connection with and for the purpose of the said business and all income of the Company at a sum not exceeding in the whole (\$20,000.) Twenty Thousand Dollars,

2. That all dwelling houses, boarding houses and lands not connected with the actual operation of the said plant shall be assessed in the ordinary way and full taxes shall be paid thereon.

3. That the said assessment of Twenty Thousand Dollars (\$20,000) shall extend over a period of ten years from the date of the completion of the said plant and the said lands and premises now owned or of this amount we are asking for hereafter acquired by the Company wedding breaklast was afterwards in fore" may be as successful. It will \$10,000.00 and intend to pay the shall remain at the present assess

> \$4000.00 debentures and were it not pletion of said plant, the said plant for the large increase in cost of coal not kept in operation for a period of and the employment of a second En- at least six months, then the said gineer, so as to give a first-class Company shall pay a proportion of service, we could make a better such years taxes corresponding to down over and above the said period of six months, but this clause shall that no service will be put in unless not apply to such period of time as the party guarantees to take enough the said plant is shut down for the water to pay for the same in three purpose of necessary repairs, the in-WAXWELL-ANDERSOND At the years, and no extension of mains is stallation of new machinery or the
