Some Questions which Col. Hughes Asked in the House

The Mail and Empire of Thursday last gave the following in its report of proceedings in the House of Commons on Wednesday:

"Col. Hughes was told by Mr. Fielding that the question of permitting the extension of the manufacture of spirits and their denaturing might be dealt with in the budget."

"Sir Frederick Borden told Col. Hughes that the question of a drill hall for Lindsay might be dealt with in the estimates this year. He further stated that the proposed site for a riding range at Lindsay had been examined and reported upon as unsafe. An effort would be made to secure a suitable site as soon as possible."

"Col. Hughes was also informed that the Government had seen no reason to reopen the question of granting scrip or awarding medals to the Nile Voyageurs. The men were employed by the Imperial Government, and had received her Majesty's medal and the Khedive's bronze star."

"Col. Hughes ascertained from Mr. Brodeur that four Canadian sailors from the schooner Gertrude, of Halifax, were in prison at Montevideo, Uruguay. The Government first learned of their address on Oct. 30 last. At the time they were arrested they were seized in an open boat in the territorial waters of the republic, while they were making for shore during a fog. The Government was arranging that they should be defended by counsel in the courts of Uruguay. The Minister declined to answer the question whether the Canadian navy would be sent to effect the release of the men."

It may be added that the estimates brought down on Thursday did not contain any item for an armory at Lindsay. The supplementaries are, of course, yet to come.

these points and are realizing good prices for the produce.

—Ven. Archbishop Warren, of St. John's church, Lakeside, who has left for Toronto, was made the recipient of many gifts. The Bible class presented him with a beautiful gold-headed walking stick; the Sunday school followed with a toilet set for himself, and a gold pen for Mrs. Warren, and the choir presented him with a silver-mounted umbrella.

—Cavanville Methodist Sunday school presented Miss Wilma Coe, for a number of years teacher of the primary department with a mantel clock on the eve of her departure to the Northwest.

—Bracebridge and Gravenhurst are both to be allowed to develop power from South Falls.

—A mail is now despatched from Bobcaygeon by the morning train.

—Mr. John Moffat, of Bobcaygeon, says the Independent, got wise to the fact that something was going on in the cellar. Mrs. Moffat noticed that quite an accumulation of bits of paper, pieces of wood, and rubbish was piling up in one corner and told Mr. Moffat that she thought a rat must be making a nest and quite a sizable one. Mr. Moffat set a trap and to his surprise next morning discovered a muskrat. The cellar window has not been closed and the muskrat had come up from the river and was building a house of good size, in the corner of the cellar. Muskrats cannot be legally killed at present, but a man does not want a colony of muskrats in his house all winter.

—Omeme Mirror: Miss Sanderson, daughter of Mr. and Mrs. John Sanderson, is in command of the local corps of the S.A. at New Liskeard, New Ontario, and is doing good work.

—The fall and winter fair of the Seagov Agricultural Society for 1906 will be held at the market buildings, Port Perry, on Thursday, December 20.

—Rev. W. H. Cline, B.D., has purchased The Port Perry Standard.

The New County Council Act

The recent session of the County Council of Victoria will be the last held under the present Act. With next year the new Act comes into force. Each minor municipality in a county will be entitled to a reeve, a municipality having 1,000, and not more than 2,000 names on the last revised voters list, not including duplicates, is entitled to a deputy reeve; when there are more than 2,000 and not more than 3,000 to a second deputy reeve; when there are more than 3,000 to a third deputy reeve. Lindsay and Mariposa are the only municipalities in Victoria County entitled to a deputy reeve. The new arrangement gives eighteen County Councillors instead of twelve.

District Notes

—Fenelon Falls Gazette: Mr. and Mrs. R. A. Robinson left the Falls this week to take up their residence in Midland, where Mr. Robinson has been appointed manager of the Bank of British North America. A few evenings previous to her departure Mrs. Robinson was waited upon by the members of the local branch of the Women's Auxiliary, and presented with a handsome oak rocker, in recognition of her active interest in that organization, she having been secretary of local branch at the time of her departure. Mr. Robinson will be greatly missed by everyone interested in the town and its public institutions. He was one of our best and most active and public-spirited citizens, and it was mainly through his initiative that the town's fire-fighting appliances were brought to the state of efficiency which enabled them to cope with two bad fires of the past summer. At the time of his departure he was president of the Board of Trade and of the Public Library Board. On the eve of his departure he was tendered a complimentary banquet at Northey's restaurant by his brethren of the Masonic order.

—Bowmanville Statesman: No definite information on railway matters has come to hand yet. The Canadian Northern have surveyed across Darlington and expect to come within a mile of this town. The C.P.R. surveyors are also at work and the talk is that that line will pass through town near the D. O. & P. factory. If Bowmanville gets these two main lines the town's future is assured.

—Mr. S. J. Stubbs, of Smith's Falls, will be the new English master at the Peterborough Collegiate Institute, replacing Mr. Jeffries, who leaves for Toronto at the end of the year. Miss Oulton, who has resigned from the Public school staff, will be replaced by Miss Mackenzie, of Listowel.

—Millbrook Reporter: We are informed that Mr. DeLong does not intend to restart the electric lighting plant, but is trying to sell out. We must have electric lighting in Millbrook to keep abreast of the times, and we ask all shopkeepers and citizens to hold off putting in other lighting until now; arrangements can be made, as it only makes it harder to get in electric light.

—In the Dominion estimates Peterborough is to get \$30,000 for new armories and \$10,000 to dredge the Otonabee River.

—Omeme and Bethany are making money out of their poultry this year. Hundreds of turkeys, geese, ducks, and chickens are being shipped from

OBITUARY

JAMES BRUCE SMITH.

The Watchman-Warder has been requested to publish the following: The many friends of Mr. J. Bruce Smith in the Midland Counties will regret to learn that gentleman passed away at Calgary, Alberta, on November 24th, ult. Mr. Smith was the fourth son of the late Judge James Smith, of Victoria County, and was born at Port Hope in 1849 and had his earlier education at the High School in that town. He afterwards took the full course at Toronto University, graduating with honors in 1869, when he received the degree of B.A., and later that of M.A. He studied law in the office of the late P. S. Martin, Lindsay, and on being called to the bar in the early seventies formed a partnership with that gentleman and later on opened an office on his own account. He also was a law partner for a time with the present Judge Barron. In 1898 Mr. Smith moved to Calgary and has practiced there ever since. He enjoyed a high degree of esteem and confidence from the citizens of the western city, having been its legal adviser, or solicitor, for the past ten years, and

HYMENEAL

In the presence of about thirty guests, including relatives and a few friends, at the home of the bride's parents, the marriage was solemnized of Miss Eleanor (Nellie) Smith, eldest daughter of Mr. L. C. Smith, B.A., Principal of Oshawa High School, to Dr. Cameron Wilson, of Norwood, Ont. The officiating clergymen were Rev. J. P. Wellstone, father of the groom, of Belleville, and Rev. Dr. Shorey, of Oshawa.

At St. Paul's church, Toronto, on Wednesday, November 29, Mr. Albert Cote and Miss Gertrude Kirkpatrick, both of Lindsay, were united in marriage, the ceremony being performed by Rev. Father Hann. The bride was assisted by Miss Lizzie Hurley, of Toronto, and the groom by Mr. William Cunningham, of that city.

PALESTINE.

A concert and Christmas tree will be held in Palestine school on Friday evening, Dec. 21st. A good program, consisting of dialogues, music, songs and recitations, is being prepared by the young people of this neighborhood and the school children. Admission 20c and 10c.

On Monday evening there was a cheese meeting held in our factory. We are pleased to learn that Mrs. McArthur is recovering.

Miss Beatrice Tinney, who has been in Lindsay for some time past returned to her home.

was also lately elected one of its City Controllers. In the early nineties he was made a King's Counsel, and as a lawyer, was well known throughout the Northwest. In politics Mr. Smith was a Conservative but in 1894 took a strong stand against the coercion of Manitoba and followed the fortunes of the late D'Alton McCarthy, until that gentleman's demise. In religion Mr. Smith was an Episcopalian, and was also a member of the Masonic Order. He was an ardent sportsman, an adept with the rifle and canoe, in his earlier life an able cricketer, and of late years devoted to curling, being considered one of the best skips in the Northwest; he was also a musician of no mean ability. In private life Mr. Smith was very popular with all, young and old alike, being of a kindly and genial nature, and very friendly with all classes. He will be much missed by the family and a wide circle of relatives in Ontario, who will hear of his death with the deepest regret. The deceased gentleman had never married. The interment took place in Calgary cemetery.

LEONARD MILBURN.

The death took place on Thursday, November 30, of Mr. Leonard Milburn. Deceased was a son of the late John Milburn, and was a stone cutter by trade, a skilled workman.

About eight years ago he removed to Georgetown, Ont., and took contracts in different places in the Province. One of the last works on which he was engaged was the stonework of the new post office at Oshawa. The dust inhaled at his occupation brought on lung trouble, and he returned to Lindsay last summer in the hopes of restoration to health, but unfortunately too late. He was a member of the Canadian Order of Chosen Friends. A widow and four children survive. The funeral held on Saturday to Riverside cemetery was largely attended, showing the high respect in which deceased was held.

Mrs. Barbara Hounsell, wife of Mr. James Hounsell, Minden, died suddenly on Friday, November 23, aged 86. The aged couple were sitting chatting after Mrs. Hounsell had done the milking and prepared the supper. Without any warning death claimed his victim.

Mr. Charles H. Bradburn, eldest son of Mr. T. E. Bradburn, M.P.P., of Peterborough, died at Battleford, Sask., on Friday, November 30, of typhoid fever. Deceased was born in Lindsay, and in 1886 moved to Peterborough, where he attended the Public School and the Collegiate Institute. He graduated from Upper Canada College in 1892, and from Trinity University, Toronto, in arts, in 1896. He afterwards studied law and was called to the bar, practising in Peterborough for three or four years. In 1903 he went to Battleford, where he continued practice. He leaves a wife and child.

Mr. Lambert Wallis, chief clerk to the city ticket agent of the Grand Trunk at Peterborough, died on November 29 in the Nicholls Hospital, aged 34. He had been eighteen years in the service of the company as operator and clerk at Uxbridge, Midland and Peterborough.
